Dear Parents / Carers

As you may well be aware, KPS was visited recently by OFSTED to carry out a two-day inspection. So, it is with enormous pleasure that we write to share the fantastic news that the school has been rated **'Good'** as a result of that visit.

This news follows four years of hard work, sacrifice and dedication since our last inspection. We are delighted that Ofsted has recognised the excellent work at KPS and described our school as ***"a happy and safe school, where pupils gain confidence and succeed."***

We are delighted that the inspectors noted how ***"Governors reacted positively to the disappointment of the previous inspection and wasted no time in making the necessary changes."*** Additionally, the report commended the hard work of Mr Pajak and the ***"talented leadership"*** team to help the school improve on our last inspection.

The report highlights a number of achievements, including:

"Pupils learn to adapt and take responsibility for their actions and gain resilience and independence through the curriculum."

"Kingsway prepares respectful, kind and tolerant pupils who are well prepared for the next steps of their lives."

"Staff are dedicated and want the best for pupils. They get to know pupils well, beginning with children in the Nursery and right through to Year 6."

"Leaders make pupils' personal, social and emotional development and priority."

"Senior leaders are successfully developing other leaders so that there is even greater capacity to keep improving, including in the EYFS."

"The headteacher and senior leaders are ambitious for pupils. Senior leaders have ensured that there are effective systems in place to enable pupils to enjoy and achieve"

The full report is sent with this letter and can be found on our [website](#)

This achievement could not have been reached without the support of everyone associated with the school. We want to take this opportunity to thank you, your fantastic children and our dedicated staff for their hard work and commitment, which has helped to make KPS such a terrific place to learn, work and succeed.

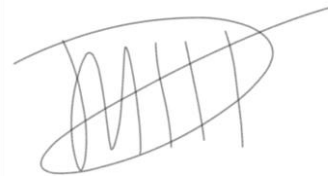

Whilst we are incredibly proud of everything that we have achieved at KPS in the past four years, we look forward to our school continuing on its strong upward trajectory. We will continue to help all our children aspire to achieve their potential and inspire the wider community through our values of Kindness, Perseverance and Success.

As always, if you have any questions or comments about the report, we would be happy to hear from you via the following link: <https://forms.office.com/r/P1EEW7kMEu>

With very best wishes

Lee Pajak
Head Teacher

James Hill
Chair of Governors
