

Maths

Transform yourselves into Amazing Animal Adventure Mathematicians by gaining secure knowledge of:

- Number and place value: Up to 30
- Geometry: Properties of shapes
- Addition and subtraction number sentences

RE

Developing our understanding of groups we belong to.

We will also be learning about the religion of Christianity.

PSHE

We are really excited to be back at school. Year 1 is a bit of a step up from Reception. We will be focussing on:

- Classroom rules
- 5 ways to wellbeing
- Mental health
- Mindful learning

Music

Music lessons will consist of performing a range of songs and melodies. We will particularly be focussing on pulse and rhythm.

PE

Keeping fit is so important and, in multi-skills, we will master basic movements including running, jumping, throwing and catching. In gymnastics lessons, we will continue to develop balance, agility and co-ordination.

English

We will be using exciting new hooks to stimulate and engage the children into using their imagination to create their own descriptive writing. We will do this through writing:

- Lists, labels and captions
- Traditional tales
- Verbs
- Instructions
- Composing a sentence orally before writing it
- Discuss what they have written with the teacher or other pupils

Animal Adventures Coot and Mallard Class

Autumn 2023

Design and Technology

Become a design extraordinaire...

In Design and Technology (DT) we will be designing, making and evaluating a healthy snack using a variety of fruit.

History

In history we will be learning all about me. We will also be looking into timelines.

Science

Get your daypack, water bottle and coat, we are going on adventure...

In science we will be naming different parts of the body on humans and animals. Identifying what Carnivores, Herbivores and Omnivores are. We will also be classifying these animals:

- Amphibians
- Birds
- Fish
- Mammals
- Reptiles
- Insects

Computing:

In Computing we will be learning to navigate a range of software. Sorting and presenting information. Using drawing software to produce pictures **and also** exploring electronic music software.

Art

Become an Animal Adventure Artist

In Art we will be developing a range of skills including colouring, mixing, painting and sketching. We will also be exploring the work of different artists and illustrators including Arcimboldo.
