

Year 3

Spring Term 2024

Happy New Year; we hope you are all ready and looking forward to having an exciting time in Year 3 with us.

This term our theme is "Water, Water Everywhere...". This theme will explore some of our major rivers, both in this country and abroad and we will investigate the impact of forces, including magnets, on our daily lives.

If you have any expertise or specialist knowledge you'd like to share with us (linked to our theme) we'd love to hear from you.

Homework

This term homework will be set on Dojo every Wednesday to be returned the following Monday. It will be a maths task and either an English or theme task that enhances the lessons taught in school.

Visitors

Engineering Challenge: we will be entering this national competition in March. We have been extremely successful in the past, and can't wait to see the children's innovations.
More information to follow...

Trips

London: March 2024
(more details to follow)

Reading at home is vital!

If a child reads for 15 minutes a day, they could acquire up to 2 million new words in a year!
You could help us build your child's mind and soul by listening to them read and encouraging them to read for at least 15 minutes a day.

School reading books can be changed daily if required.

Many thanks for your support and encouragement with your child's educational journey.

PE days

PE is an important aspect of a healthy lifestyle and we aim for our pupils to lead an active life, to develop a healthy and happy mind and body. All children are required to participate in 2 hours of PE each week. Please ensure that your child has suitable clothing for both indoor and outdoor sessions.

Wednesday — outdoor PE (Merlin)
Wednesday — Forest School (Hobby)
Friday — indoor PE (Hobby and Merlin)

Teacher contact details:

Mrs Smith — csmith@kingsway.gloucs.sch.uk Mr Clement — wclément@kingsway.gloucs.sch.uk

Mrs Bell — sbell@kingsway.gloucs.sch.uk

Please remember you can contact us via email, Class Dojo or by speaking to us in person.
