

## English

Children's writing this term will be inspired by our theme and will include writing stories, letters, recounts and reports.

Key skills will include:

- Correct use of apostrophes
- Using a range of conjunctions in our writing
- Developing stamina to write longer pieces with paragraphs

## Maths

This term we will be mastering our knowledge of:

- Measurement—Money
- Measurement - Capacity and Temperature
- Addition and Subtraction
- Multiplication and Division (2s, 5s and 10s)

## Science

This term, we will become biologists focussing on the study of plants. We will be learning:

- To name and sort different types of trees
- To recognise changes to deciduous trees through the seasons
- To name and describe the conditions needed for a plant to grow
- To observe and compare changes to a plant over time
- To describe the stages of the lifecycle of a sunflower

## Art

In Art, we will become printers! This will include exploring hand and finger printing and then designing and creating our own stamps. We will create polystyrene tiles to print with focussing on producing a clean printed image.

## Computing

In Computing, we will be learning to:

- Create Pictures
- Make Music
- Present ideas

## DT

In DT, we will be designing and making our own healthy packed lunch after sampling a range of existing products.

## Geography

In Geography, we will be finding out about hot and cold areas in the world. We will learn:

- To locate the Equator, Northern and Southern Hemispheres, North Pole and South Pole
- To locate and name countries within climate zones

# AMAZING INVENTORS

## Music

This term, children will be exploring the Punjabi Indian musical tradition of Bhangra. They will continue their work on rhythm and will be deepening their understanding of the social and historical contexts that different styles of music originate from.

## R.E

We will be learning about and from the religions of Islam and Christianity. Our key questions are:

What is the 'good news' Christians believe Jesus brings?

What makes some places sacred to believers?

## PE

Our key areas in PE this term are Cricket and Athletics

In Cricket, we will be continuing to develop our multi-skills including throwing, catching, batting and applying these to team games where we will practise batting, bowling and fielding.

In athletics, we will be learning to run at different speeds, recognising the difference between walking, jogging and sprinting. We will also explore different types of jumps.

## PSHE

This term we will continue to focus on British Values and where these are applied throughout our day to day lives. We will also be looking at ways to keep ourselves safe at home, school and outside. We will be covering our relationship and sex education curriculum later in the term.
