Parent Letter Summer Term Year 1

Welcome back! We hope you all had a lovely Easter break and are ready to take on our summer adventures! Our topic this term is 'Blooming Lovely' with a focus on identifying parts of a plant and learning to recognise plants and trees.

PE is an important aspect of a healthy lifestyle. All children are required to participate in PE.

PE Days:

Tuesday – athletics

Wednesday – Football/tennis

Other opportunities to develop games skills will be provided in our outdoor area.

KINDNESS PERSEVERANCE SUCCESS

This term we will continue to address our school values in various ways throughout our learning.

Reading

Reading is the key to unlocking all the doors for learning. Please encourage your child to read aloud to you at home on a daily basis. Please record and sign your child's reading record, so that we can see that reading that has taken place at home. We will hear your child read in school at least once a week and we will change books once your child has finished it.

Homework

Please ensure your child reads at least 3 x a week

All children have access to Numbots. Numbots support the children's knowledge with addition and subtraction.
