

Year 5

Welcome Back!

We hope you had a fantastic Easter break. The children have been working incredibly hard already and we are looking forward to the term ahead.

Reading

Reading is the key to unlocking all the doors for learning. Please encourage your child to read aloud to you at home on a daily basis. Please record in and sign your child's home school reading record three times a week so that we can see the reading that has taken place at home.

If a child reads for 15 minutes a day, they could acquire up to 2 million new words in a year!

PE Days

Forest School: Wednesday

Cricket: Thursday

Please keep your PE kits in school to get changed on PE days ensure all is clearly named.

Wednesday will be Forest School so children will need to bring wellies and a change of clothes with them please.

Learning at home

If you would like to support your child with further learning at home, you could encourage your child to learn and practise all of their times tables and the associated division facts, as this will help with mental and written methods of calculation. TTRS to help with this.

You can also go onto BBC bitesize where you will find a range of learning that links to our Year 5 curriculum.

If your child would like to share some work they complete at home linked to our learning in any subject, we would love to share it with them.

Teacher contact details:

Mrs Wilkins - rwilkins@kingsway.gloucs.sch.uk (Kestrel Mon-Weds)
