

In liefdevolle herinnering aan

Erik van der Hallen

Leraar geschiedenis,
gitarist bij The Deep Sea Drivers,
bevlogen verteller

° Wilrijk, 12 maart 1954

† Borgerhout, 4 december 2024

You've been getting too deep
You've been living on solid air
You've been missing your sleep
And you've been moving through solid air

I know you, I love you
And I could be your friend
I could follow you, anywhere
Even through solid air

John Martyn

Dank aan Eriks familie en vrienden
voor de jarenlange vriendschap en steun
