## Online Supervision Group for Counsellors working with Couples.

I am offering online supervision groups for counsellors working with couples. The groups will have a maximum of 4 members, and the cost is £40 per 2hr session. Each supervisee will receive 1 hour supervision time towards their 1.5 hrs BACP monthly requirement.

Aims of the group -

- To offer ongoing support for counsellors working with couples
- To supervise ongoing couple work
- To explore issues and challenges around working with couples
- To share knowledge and experiences from fellow professionals
- To share strategies and interventions, whilst exploring new avenues and directions for work with our couples

**Group facilitated by Victoria Cutting. MBACP (Snr.Accred Counsellor & Snr.Accred Supervisor)**

I have over 13 years experience working with couples within my private practice, and I have been a supervisor since 2010. I have a real passion for my work with couples and would like to share my experience and passion with other couple counsellors.

Open to Counsellors who are new to or experienced in Couple Work. (Due to the complexity of couple work some CPD couple/relationship training is required, post counselling qualification)

First group starting 20<sup>th</sup> March 23. Other days or times to follow, please contact me for details.

If you would like to join the group, would like more information or if you have any questions, please do not hesitate to contact me on 07748 698304 or email me via my website [www.victoriacutting.co.uk](http://www.victoriacutting.co.uk).
