## ACKNOWLEDGEMENTS

This book is the fruit of years of intercession for our families and the Body of Christ. I built my faith on a reverence for Almighty God and Communion, which I developed in the Catholic Church. I began to hear the voice of the Lord at a young age. He was my nearest and dearest friend. I was encouraged by my mother to hear His voice while my father laid a scriptural foundation by reading the Bible aloud at Sunday breakfast.

The Mission of the Holy Spirit, a family ministry to the nations, taught me to follow the leadership of the Holy Spirit. My mother, Josephine Baker, wrote and published a prayer card “Atonement for Abortion” in the late ‘70s. I watched as her prayer was translated into many languages around the world. She planted a seed, and now her daughter has followed in her footsteps. There is an extraordinary destiny upon my family, and I desire to see the fullness of that calling released in this generation for the end-time work of the Kingdom of God.

I recognize the goodness of the Lord in giving me the gift of my godly husband Dan. Our marriage is the fulfillment of a prophetic word with intercession. We have labored in prayer to bring forth this book. He has covered me with the shield of faith and a mantle of love. Our agreement in the Spirit is a sign and a wonder.

Special thanks to Bobbi Jean Merck of “A Great Love Ministries.” She brought understanding to my calling of intercession and activated prophetic intercession. My thanks to the faithful members of a small intercessory group that met in my home: Jackie Wade, Debbie Abood Schildbach, and Anita Banfield. We co-labored in prayer, searched the Bible for prayer strategies, and prayed scripture, as we believed that the Kingdom of God could be established in our midst. This was our boot camp in prophetic intercession. I am indebted to Pastors George and Linda Brooks of Faith Covenant Fellowship, Tampa, Florida for laying a scriptural foundation, recognizing our calling, and mentoring the gift of leadership in intercession.

A special thanks to Gwen Shaw. She influenced our lives through the End-Time Handmaidens World Conventions and her book, *Redeeming the Land*.

This book was the cornerstone of our understanding confession of iniquity and the proclamation of covenant.

With deep gratitude, I acknowledge the scriptural foundation that was developed in Dan through the Christian Institute at Christian Retreat, Bradenton, Florida. At that time, he was exposed to many streams of the Body of Christ, which widened his appreciation for the Body in all its expressions, Dan spent two crucial years at Morningstar School of Ministry in Charlotte, North Carolina, which strengthened his walk with the Lord. His prophetic gift exploded during our time in the desert.

Other than the Bible, the book that most influenced my life is *Rees Howell, Intercessor* by Norman Grubb. The Lord has had me re-read this book many times to understand His ways. As I was waiting for the direction of the Lord, I questioned why Heaven was silent. The Lord woke me one morning with the answer, “I did not want to hear what He had to say.” Ouch! So I asked, “How could I prepare my heart? He told me to re-read Rees Howell, *Intercessor*. I finished the book as we were flying cross-country to California. With tears streaming down my face, I crucified my will and agreed to serve Him with my life. At that time, I told the Father that I would go anywhere, and He took me at my word! He called us to Joshua Tree, California as we crossed the backside of the Mojave Desert. My Father knew that I hated the desert: the searing heat, dust, and barrenness. In the past, I had taught that I would not be like the Israelites who grumbled and complained during their forty years of wandering in the desert. On a trip to the Holy Land, I found out that I was the chief grumbler as we toured the Dead Sea.

To the Restoration team, I want to express deep gratitude to the Restoration team who were faithful servants serving the Body of Christ through intercession and ministry: Carrie Krapivkin, Duffy and Stephen Cook, and Andy Telford. The team shifted over the years. However, Carrie remained a faithful intercessor and friend during our entire season in the desert. Special thanks to Charlie Zwicker, our pastor at 29 Palms Nazarene Church. He was a dear friend who brought Dan out of the shadows through his contagious joy, mentoring, and words of encouragement. Not only did he affirm Dan with his love, but he was also instrumental in healing my wounded heart as I dismantled the structures of my flesh. How can I even begin to mention all the faithful servants who deposited grace in our lives? Each one is so dear!

All glory and the honor to the Lord! He worked His purposes within us throughout our journey of faith: our prophetic marriage, our missions of faith, and the major work of death in the desert. We obeyed His summons and fought to remember His purposes as we participated in the death of self and desires during the fourteen years in the desert.

Kudos to Ron Horner! He has supported the publication of this book from the beginning with the incredible cover, setup for printing, eBook, and valuable recommendations for each step of the process. A special thank you for the training I have gained concerning the Courts of Heaven through his seminars. Special recognition is also given to the support and wisdom of Betty Ledbetter, Chamber-Made Ministries, and Linda Neal. Invaluable input came from the faithful prophetic intercession team in Moravian Falls who have been earnestly praying for the past couple years gaining the wisdom, understanding, and discernment of the Holy Spirit reflected in this book. Our times of intense prayer have birthed the revisions in the formal legal documents under Profane Worship. Also, I want to acknowledge Karen Welker and Beth Salvano for editing skills, Judith Landy for her recommendations, and Terry Makowski and Pamela Ransohoff for her feedback. It takes a team!

In conclusion, I honor the Holy Spirit who has been our Teacher, Helper, and Advocate. He is the author of this work.

## FOREWORD

Dan and I have desired to be the manifested the Sons of God. We knew that it was possible because it is a promise in Romans 8. Our journey began in 1988 when the Lord inspired us to apply the principles in Gwen Shaw's book, *Redeeming the Land* to our families. We had seen the Lord gloriously deliver the land from bondage. How much more His people! We began with the intercessors because of their desperate need, which drew them into intercession for the healing of their families. We saw a dear friend's husband delivered from the generational curse of paranoid schizophrenia through the confession of generational sins and iniquities with a bold proclamation of covenant. The miracle is that, not only was her husband freed from this curse, but also the current generation of four sons, ten grandchildren, and eight great-grandchildren are free of mental illness despite the history of having mental illness for four generations.

In 1999, we moved to the desert, Joshua Tree, California, following the direction of the Lord. He told us that He wanted to purge us of the world. If we could bring forth water in the desert, we could take water anywhere. Being obedient sons, we moved to a hostile land of sand with heavens of brass. We walked away from a beautiful home, financial security, family, and friends to trust completely that Father knows best and does it best. The Lord met us with death to self in the desert and blessed us beyond our understanding.

While praying, I was directed by the Lord while to do a forty day fast to survive in this hostile land. The prayers in this book were birthed out of our time in the desert. A desperate woman first approached for freedom for her family. She was from the Aztec tribe, an ancient tribe in Mexico, known for human sacrifices. We knew that the generational prayers from Florida would not be effective against these deep-rooted demonic strongholds. So we began to pray, write, pray, revise and pray again until we felt the breath of the Spirit on the prayers. We had always heard that the enemy was a legalist. I just knew that the people of God did not have the scriptural (legal) language to stand effectively in the Court of Heaven. We were determined to evict the adversary from the ground that he had stolen from families through unconfessed personal and generational sins and iniquities. You will need to think of 'ground' as those

areas in your family where the blessings of the Lord are not evident. Or you could say land under a curse.

We scheduled a Restoration each month on a Saturday and people experienced deliverance from generational bondages. We told the Lord that we would never promote a Restoration. A person would ask, and we would respond by setting a date. We had Restorations in our home with people coming from the nations by word of mouth over five years. We held Restoration weekends in San Diego, Tampa, and Washington, DC. In 2005, the requests ended, Restorations ceased, and the prayers gathered dust on the shelf.

One Sunday afternoon in 2013, we drove to an organic farm in Polk County to spend time with Betty and Lee Ledbetter. We had met them at the Morningstar Fellowship of Ministries Retreat, and Dan was insistent that we spend time with them. We experienced tremendous opposition as we drove to their home. When we finally arrived, Betty recognized that the enemy did not want us to share our prayer strategies. She immediately began to describe the victories that her intercessory group had been experiencing using the Divorcing Baal documents (available at HAPN.us) for the region and their own lives. We shared our wisdom on land issues and generational repentance. As a leader of intercession at her local church, Betty has been deeply discouraged after the 2012 election and had taken a Sabbatical to hear from the Lord. During that season, she read John Benefiel's book, *Binding the Strongman Over America*. She encouraged me to purchase the book and apply the Divorcing Baal documents over our lives. We introduced her to our prayer packet.

Suddenly the prayers of the desert were resurrected from the dust. I felt the Lord's promptings to look again at the prayers. Dan and I began to read, revise, and pray the prayers again. As I read the prayers with new eyes, I marveled that we had written the prayers. It was as if they had been birthed by the Holy Spirit in the Throne Room of God. A new season had begun, and I felt compelled to re-work the prayer packet. The power of God was evident in the lives of those who took the time and energy to work the prayers.

In January, as I listened to *Navigating the Courts of Heaven* by Robert Henderson, I realized that unknowingly we had been operating in the Courts of Heaven. My excitement grew as the missing pieces of the puzzle fell into place. In a "suddenly of God," I understood the years of rebuke,

misunderstanding, and rejection. Dan and I were forerunners—pioneers in the Spirit. We received a warning through prophecy that this pioneering work would not be understood or received by the Body of Christ. Despite our difficult journey of obedience, we pressed into these Heaven-birthing strategies for the deliverance of the bloodline. Now was the time for these truths to be released to the Body of Christ!

Over the years, I learned two important principals about generational captivity from nature: weeding in the desert and digging of the foundation of our home in the mountains. During our first spring in the desert, our yard was gloriously covered in flowers. Being new to the desert, I did not know a harmless flower from an invasive weed. I soon discovered that a pretty ground cover called Goat's Head produced a thorn (seed) with horns capable of damaging tires. To effectively remove this menace, I learned patience allowing the plant to mature so I could successfully uproot the entire plant—every root and tendril. When I tried to uproot the plant prematurely, the stem would break off strengthening the root making it much more difficult to remove. This same principle applies to deliverance in our own lives. Be cautious about prematurely removing the visible aspects of a stronghold. If you do not remove the root source, it will return to cause you further difficulties complicated by the lie that you had already completed that work. You are not finished until you have the victory.

I learned the second generational principle I learned was during the excavation of our cellar. Dan had cut down a large Poplar tree near the foundation. When Lee Ledbetter dug the basement, it was amazing to see massive roots from that tree wrapped around a huge boulder about four feet below the surface of the ground. It took skill and wisdom to clear this obstruction from our basement. This is an example of a powerful hidden stronghold—the effects of profane worship on the generations. The family tree is held in this concealed captivity, and you are blind to its influence and strength. The Lord has always told me to go deeper to go higher. So going deeper into repentance for your generations to gives you the ability to soar higher into the heavenly realms. Remember that this is identificational repentance, and it affects everyone that is connected by blood at the point of your prayers.

One word of caution: after destroying the adversary's strongholds in your

life, you must begin the real work of dismantling the structures of your flesh. These are your carnal ways of reacting to others and God. The Lord will give you the grace to put off the old man and put on the new creation. Remember you have been crucified with Christ and the life you now live is by faith in the Son of God.

## TESTIMONIES

I am the wife of Oliver Wade who was totally set free from mental illness in 1995. Through persevering prayer over many years, the generational accusations against him in the Court of Heaven were dealt with by the blood of Jesus Christ. Oliver completed the work when he declared Romans 8:28-35 (NASB) that there was no charge that stood against him. Our four sons have testified that they no longer have a fear of mental illness. There are no symptoms of mental illness in my grandchildren and great grandchildren. Since that time, my prayer team has used these prayers with many hurting men and women from Gateway Christian Center in Tampa, Florida. We have seen the awesome power of God deliver the descendants of Freemasonry from fear and sickness and heal women from the trauma of abortion.

*Intercessor for the House of the Lord*

Divine connection, progressive revelation and the timing of the Lord best describe meeting Jackie in June of 2013. When this prayer packet came to me, it was entitled *Cleansing the Bride*; the very season I was in with the Lord. Not a stopping point, but the threshold to my destiny. As an intercessor for forty years, I knew there must be more. Connecting the Baal Divorce Decree and the Courts of Heaven became the catalyst. With this, we go from making ourselves a prepared bride to standing with our groom doing the work of *Silencing the Accuser*.

Dr. Betty Ledbetter  
*Chamber-Made Ministries*

Shortly after Jackie and Betty began collaborating on what they were learning about dealing with land issues and cleansing the bloodlines, Betty initiated a connection with Jackie and me resulting in the publication of the First Edition of *Silencing the Accuser*. Since that time we have worked together numerous times in ministry as I teach on the Mercy Court of Heaven in

seminars throughout North and South Carolina. We have seen countless men and women healed and restored through the principles and prayers outlined in *Silencing the Accuser*. It is essential for believers to get their lineage cleansed so as to give no place for the adversary to accuse us—especially since the purpose of an accusation is to divert us from our purpose.

The Hanselman's seek to equip the Body of Christ for "The Malachi 4" season of the present day by preparing the way of the Lord through the repentance John the Baptist declared. Anything less is inadequate and partial trumpeting for the future generations. I discovered in my own work that the declarations stirred my spirit into deep repentance. In my journey, I was Holy Spirit led into deeper revelations about my generational bloodline. Both my mom and I have worked together in deep repentance for our family seeing fruit and hope in areas that seemed hopeless. I highly recommend their book and suggest you not rush, but walk in divine step with Our Lord to bring forth healing, hope, and restoration to the future seed of your family. Jesus is restoring what was and what is to yield a harvest for what is to be! We are the generation that must become the foundation for all future generations (Isaiah 58:11-12). Bless your journey!

I met Jackie and Dan Hanselman fourteen years ago, and my life has never been the same. As I worked the prayer packet, it brought a clearer understanding. I was set free from a religious spirit that had caused me to struggle with a judgemental and critical heart. I thank God for the transformation He brought about in my life. May this bring freedom in your lives as well!

Carrie Krapivkin,

Praying through this book is setting my family free from torments and visitations of iniquity from our past. I am experiencing great personal deliverance from disease and oppressive thoughts through the deep revelation of generational strongholds, and my sons are beginning to recover from the trauma of childhood abuse as Holy Spirit guides me with more accurate and effective prayer. This book is a "must-have" tool for the whole Body of Christ desiring spiritual maturity and empowerment.

Through *Silencing the Accuser* with multi-layered bloodline repentance in the Courts of Heaven, I have seen my life transformed and the beginnings of transformation in the lives of my relatives. Through this book, I realized that the deliverance ministry I had been involved in had only scratched the surface of the legal hold the enemy has in our lives. What can you say about a book that has completely changed how I live, pray, and view the Kingdom of God. I thank God for Jackie's obedience and dedication in making this revelation available to everyone.

We have been tremendously blessed and encouraged through the lives of Dan and Jackie. Our Interaction during the seminar and at our home in Jaipur, India was very fruitful. They both are genuine servants of God. The prayers in "Silencing the Accuser" have healed and restored us including all those who attended the seminar.

Our paradigm for prophetic Intercession has been turned upside down and reoriented. The book speaks about the prophetic voice of the End-time Army of God to pray and intercede for the nations of the world. We are abundantly blessed to walk alongside Dan and Jackie. I strongly recommend this book for all those inclined and gifted in the Lord's prophetic work at this hour!

Reflecting on the two days spent with Sister Jackie and Brother Daniel at Full Gospel Church this comes to my mind. The meetings were such a big blessing. The material taught and the prayers made afterward were profound at the Saturday meeting. What struck me most about the entire day was how the scripture was presented as a courtroom session. Through repentance, I was able to break free from the past and embrace the present and the future. Now I can receive all the promises that are in the Word of God. The prophetic utterances over my life were a confirmation of the very words spoken over my life in the past.

## RESTORATION OF YOUR SPIRITUAL BIRTHRIGHT

In the *kairos*[\[1\]](#) of God, the manifested Sons of God will be revealed as shining lights in a world of darkness. I want to be in this company! So I charge each one of you to pursue sanctification in preparation for the coming hour. After reading Arthur Burk's book, *Relentless Generational Blessings*, I had a life-changing night visitation and experienced being filled with generational blessings. In this vision, I saw a portal open with liquid crystal light flowing down into the room. The Lord told me to stand under this waterfall of empowering light. I was filled with love, peace, joy, and strength. The glory in this waterfall of light made me want to dwell there. I heard the Lord say, "This was the generational blessings that would empower the last generation to complete the race." Then I saw another portal open across the room with thick tar oozing out. The Lord said, "This was the generational iniquity that would empower the last generation of wickedness." I purposed that night to get all the tar out of my life through personal and generational repentance. In John 14:30 (AMP), it states that *the prince of the world is coming. And he has no claim on Me (He has nothing in common with Me; there is nothing in Me that belongs to him, and he has no power over Me)*. I accepted this challenge with flinty-faced determination. I wanted my family and the Body of Christ to be cleansed from the power of iniquity. I wanted to see the Body of Christ filled with every generational blessing needed to finish our race with victory.

So I challenge you to begin your journey of sanctification so that generational blessings can strengthen your walk with the Lord. Respond to the call of the Spirit and recognize your desperate need for the saving grace of the cross. Press into the holiness of God through heartfelt repentance for your unrighteous ways. You can dismantle the strongholds of darkness over your bloodline through personal and generational repentance. You can break out of the captivity in your bloodline as you deal with the profane worship, trauma, iniquity, and generational unforgiveness. You can walk into peace, joy, freedom, and blessings. You can persevere with the great grace from Father God as you press towards your high calling in Christ Jesus.

Your adversary is a legalist who uses unconfessed personal and generational sins and iniquities to keep you from walking in the full redemption of the cross. According to Psalm 64:2-5, there is a secret Council of Darkness[2]—the ecclesia[3] of hell, operating in the Gates of Hell which are searching out your iniquities to destroy your God given destiny. Remember that the Lord told us that the Gates of Hell would not prevail against the church because we have the Keys of the Kingdom of God –binding and loosening. To use these keys, we have to understand how to create holy binding contracts (covenants) and dissolve unholy contracts (covenants) through repentance. This is courtroom work.

Your life has been in a holding pattern of frustration and disappointment because you have not understood how the court system of Heaven operates. The adversary has brought accusations against you through the record of your bloodline’s iniquities in the books of hell. These accusations have resulted in a default judgment because you did not respond to these charges in the Court of Heaven[4]. A default judgment[5] in the court system stands until the defendant responds to the charges. You respond by agreeing with your Accuser (Matthew 5:25-26), repenting with godly sorrow for the sins, and asking for the mercy of the blood of Jesus to acquit you. The Blood declares you justified, just as if you had never sinned. Now the default judgment is nullified, and the Just Judge can release blessings, favor, and prosperity into your life. Sometimes these accusations are false charges, and you will need to prove this accusation is a lie the Court of Heaven.

These legal accusations have stood against you in the Court of Heaven hindering the Just Judge of the Universe from releasing the blessings, which Father God desires for your life. You will find yourself struggling with the goodness of God. “Why is God withholding good from my life?” These thoughts reinforce the original lie Eve believed in the Garden of Eden—God withholds good from His children. The Body of Christ has not understood the Court of Heaven. This truth had been sealed until this time in history for the Sons of God to walk as kings and priests to establish the Kingdom of God in the earth.

Jesus made a way through His perfect sacrifice for you to come boldly before the Throne of God to present your case and to receive justice. The Just Judge of the Universe knows that the Accuser of the Brethren is accusing you

day and night. He is literally wearing out the saints with his accusations. He walks to and fro on the earth bringing accusations: the accusations of others, both true and false, our own accusations against self and others, our sins, generational iniquities, treacheries, and unforgiveness. An accusation will stand in the court until an individual comes to answer the charge, by acknowledging guilt or proving it false, asking and granting forgiveness to the parties in the case, and pleading the blood of Jesus Christ.

Two foundational scriptures for this work:

Isaiah 43:26 (AMP):

*Put Me in remembrance [remind me of your merits]; Let us plead and argue together. Set forth your case that you might be justified (proved right).*

In Isaiah, the Hebrew word for “plead” is *shaphat* which means for means “to decide a controversy.” The meaning of *caphar* for “set forth” means “to recount exactly and accurately.” The Hebrew word for “justified” is *tsadaq* and means “to be declared justified, cleared, to do justice.”

Jeremiah 12:1a (AMP):

*Uncompromisingly righteous and rigidly just are You, O Lord, when I complain against and contend with you. Yet let me plead (conduct a case) and reason the case (legal dispute) with You (parenthesis mine). In Jeremiah, the Hebrew word for “plead” is *riyb* which means “to conduct a case.”*

As you can see, the Lord is encouraging His people to conduct a case in the Court of Heaven to receive justice.

## **OLD TESTAMENT RESTORATION OF A FAMILY'S BIRTHRIGHT**

In the Old Testament, there is a wonderful story of the restoration of a family's birthright hidden in a genealogy that most readers just ignore. We will begin with Hannah, means Grace, in First Samuel 1 and her struggle to conceive a child. She was married to Elkanah, God's Possession, from the hill country of Ephraim. Her husband identified himself as an Ephraimite. Hannah was barren, and she suffered the mockery of Elkanah's second wife, Peninnah who was blessed with children. Each year she presented offerings to the Lord in Shiloh. God put a desire in her heart that even her husband did not understand. When she was upset about her barrenness, he tried to comfort her with the words, "Don't I mean more to you than 10 sons?" She would not be satisfied with just the love of her husband. She could not stop begging God for a child. Year after year she cried out and waited for the Lord to answer her heart's desire. In verse 10-11, there is the scene where Hannah is weeping bitterly before the Lord and promises to give her child to the Lord as a Nazarite. Eli, the priest, sees her travail and falsely accuses her of being drunk. She explains the burden of her heart, and he tells her that the Lord has heard her prayer. That year Lord God answered her prayer with the birth of her son, Samuel. When he was three years of age, she brought him to Shiloh, the Lord's house, to be raised by Eli, the priest. The hand of the Lord was on him from a young age, and he became a great prophet to the nation of Israel. He was used by the Lord to anoint Saul and David. Not one of Samuel's prophetic words failed. Hannah's flinty-faced determination brought forth a great prophet and so much more.

When you consider the life of Hannah, you have a powerful example of prevailing prayer. This mother's prayers brought forth a son. However, the Lord's plan was greater than just a son for Hannah and Elkanah. He desired to bring forth a prophet for the nation of Israel. But there was an even greater victory than the birth of a great prophet to Israel. If you look at the genealogy of Elkanah, you discover that his ancestors included Korah from the rebellion in the desert.

A careful study in 1 Chronicles 6:22-28 reveals that Elkanah was a 'son of

Korah.' He was so removed from his birthright that he did not even realize that he was a Levite. God brought Hannah into this family to contend in prayer for the breakthrough that would result in the restoration of the birthright of the Sons of Korah.

A careful examination of the history of the rebellion of Korah helps you to understand the amazing restoration of a family's birthright that Hannah started. You need to see the rebellion of Korah as an outcome of the Israelites refusal to enter the Promised Land. The Israelites filled with fear when they heard the evil report of the 10 spies. Joshua and Caleb begged them to believe God. Instead, they grumbled and complained against the leadership of Moses and Aaron. They said to one another, "Let's choose a leader to return to Egypt." Moses interceded for the congregation and the Lord relented from destroying them. However the Lord spoke this judgment in Numbers 14:28-29, 33 (AMP) *Tell them, As I live, says the Lord, what you have said in My hearing, I will do to you; Your dead bodies shall fall in this wilderness – of all who were numbered of you, from 20 years old and upward, who murmured against the Me.... Your children shall be wanderers and shepherds in the wilderness for 40 years, and you shall suffer for your whoredoms until your corpses are consumed in the wilderness.*

Can you imagine how of the people felt when they heard this judgment? They immediately decided they would go into the land rather than face the wilderness for another 39 years. However, God was not with them, and the Amalekites and the Canaanites defeated them and drove them back into the wilderness. The judgment of death in the wilderness is the backdrop for the rebellion of Korah. The rebellion of Korah begins in Numbers 16, which describes how Korah, a Levite, with the sons of Reuben, and 250 leaders of the congregation, (men of distinction and renown) challenged the leadership of Moses and Aaron.

Korah was a cousin of Aaron and resented Aaron's priestly service in the Tabernacle. Korah responsibilities were to be a doorkeeper in the tabernacle and minister to the congregation. However, he wanted Aaron's position as a priest because Aaron and his seed were ordained to minister to the Lord in the holy place with the blood sacrifices and sacred incense. Korah challenged the holiness of the priesthood and declared that there was no difference between Moses, Aaron, and the congregation. The sons of Rueben, the firstborn of

Jacob, should have been the leaders of the tribes. But Reuben had lost his birthright by defiling his father's bed. The 250 leaders were probably the leaders of the Israelites in Egypt. They had allowed Moses to lead them to this point. Now they were taking back the control of the nation.

In Numbers 16:4-5 *And when Moses heard it, he fell on his face, and he said to Korah and all his company, "In the morning the Lord will show who are His and who is holy." So take censers and put fire in them and put incense in them before the Lord tomorrow. You take too much upon yourselves, you sons of Levi. The next day Korah assembled the entire congregation against Moses and Aaron. The Lord said to Moses and Aaron, "Separate yourselves from among this congregation, that I may consume them in a moment." Moses told the congregation to get away from the tents of Korah, Dathan, and Abiram. And Moses said to the congregation, "Depart, I pray you, for the tents of these wicked man, and touch nothing of theirs, lest you be consumed in all their sins." Moses prayed that God would do a new thing, and they would not die like common men. The Lord caused the earth to open and swallow up all that belonged to Korah, Dathan, and Abiram. They all went down alive into Sheol; the earth closed upon them, and they perished from among the assembly. Then fire came forth from the Lord and devoured the 250 men of renown who had dared to offer incense. The next day the people blamed Moses and Aaron for the deaths of their chosen leaders. The Lord was so angry that he released a plague against the congregation. It took the intercession of Aaron as he walked among the people with the burning censer to stop the plague in their midst. Fourteen thousand men died that day. Apparently, some of the sons of Korah heeded Moses' warning and left their father's tent.*

Can you imagine what it was like to be a son of Korah? Israel's history was preserved through the oral tradition. The story of Korah's rebellion and the horror of God's judgment would be told around the campfires for generations. Can you imagine the shame? The glory of a man is his father. The reverse is true. The shame of a man is his father's sin. Can you imagine the loss of birthright, of position in the tribe? Can you imagine the oppression of the enemy against this family? The seriousness of this rebellion against God's designated authority is recorded in Jude verse 11 in the New Testament. We know that some of the sons of Korah survived because they are mentioned as

they enter the land. It is important to understand that the gifts and callings of God are without repentance. Romans 11:29.

Now let us return to the story of Hannah. It turns out the Elkanah was a son of Korah according to 1 Chronicles 6:1, 33 - 38. *"These and their sons served of the Korahites: Heman, the singer, a son of Joel, the son of Samuel (the great prophet and judge). The son of Elkanah, the son of Jeroham, the Eliel, the son of Toah, the son of Zuph, the son of Azariah, the son of Zephaniah, the son of Tahath, the son of Assir, the son of Ebiasaph, the son of Korah, the son of Izhar, the son of Kohath, the son of Levi, the son of Jacob."* Hannah's intercession was the beginning of the restoration of the sons of Korah to their destiny as a Levite in the temple. When David established 24-hour temple worship with the musicians and the singers, Heman was one of his chief musicians. The Sons of Korah wrote many psalms (Psalms 42, probably 43, 44, 45, 47, 48, 49, 84, 87, and 88).

You need to spend time meditating the Psalms written by the Sons of Korah. These are road signs on your journey to wholeness and restoration. Psalm 42 will mean so much more when you realize it is describing the oppression and depression of the Sons of Korah. In this psalm, the writer describes a longing and thirsting after God with the question, *"When shall I come and behold the face of God?"* *Tears have been my food day and night, while men say to me all day long, 'Where is your God?' These things I remember and pour myself out within me."* The word pour is the same one used to describe Hannah's travail in the temple when she cried out for a son. It describes the pain and the confusion of a family that had been separated from the face of God by the iniquity of their ancestor. As the writer continues, he describes leading the procession to the house of God. I believe he was describing the ministry of Korah. He described himself as cast down and depressed, moaning and disquieted within. He is carrying a burden that is almost more than he can bear. Nevertheless, he believes that the Lord will deliver him as he continually looks to the God of his salvation. He describes the mourning and oppression of the enemy. What would it be like to be continually taunted and reproached by the enemy? I believe that these are evil spirits tormenting his mind and oppressing his emotions. His mind is under constant assault with the words, "Where is your God?" He reminds himself *to hope in God and to wait expectantly for him, for I shall yet praise him, who*

*is the help of his countenance, and my God.* There have been difficult seasons in my life and this psalm described my pain and confusion.

In Psalm 43:3, he asks the Lord to *send out his light and his holy truth, let them lead me: let them bring me to your holy hill and to your dwelling. Then will I go to the altar of God, to God, my exceeding joy. I will praise you, O God, my God,* In Psalm 44:13-18 he describes being *taunted by his neighbors, a byword among the nations. My dishonor is before me all day long, and shame has covered my face. All this has come upon us, but we have not forgotten You, neither have we been false to Your covenant. Our heart has not turned back, and our steps have not deviated from the way.* Later in this psalm, he cries out to the Lord and says, *"Do not reject us forever. Why do you hide your face and forget our affliction and our oppression?"* Notice the struggle continues despite spending each day praising and worshipping God in the Tabernacle of David.

In Psalm 45:10, there is an important key to the restoration of the sons of Korah. *Listen, daughter, given attention and incline your ear; forget your people and your father's house; then the King will desire your beauty.* To step into your destiny, you must forget your people and your father's house. It is not a rejection of your physical father's house, but it is stepping into a new identity as a Son of God. You cannot allow your spiritual identity to be determined by your natural history. Paul would never have become an apostle to the Gentiles if he had not stepped into Father God's house leaving his identity as a Pharisee of Pharisees.

Psalm 84 is a victorious psalm of praise and thanksgiving by the Sons of Korah for the restoration of their birthright to be in the Courts of the Lord. He writes, *How lovely are the dwelling places O Lord! My soul long for the courts of the Lord! How blessed is the man whose strength is in thee; in whose heart are the highways to Zion. Passing through the valley of Baca, they make it a spring. For one day in thy courts is better than a thousand elsewhere. I would rather be a gatekeeper in the house of the Lord than dwell in the tents of the wicked.* This family had suffered demonic oppression because of Korah's rebellion, lost their birthright, but now are restored to their God-ordained position in the Tabernacle.

I found it amazing that the sons of Korah are mentioned again in 2

Chronicles 20:19. They are still praising the Lord, the God of Israel. They would have been among the worshippers that led Jehoshaphat's army into battle. You will again find the serving the Lord at the time of Hezekiah. The Sons of Heman are mentioned in 2 Chronicles 29:14. They were present when the king called the priests and the Levites to sanctify themselves and the temple. After they had finished cleansing the temple, Hezekiah called the congregation to assemble to witness the restoration of the covenant between Israel and the Lord God. Numerous burnt sacrifices were offered for the atonement of Israel. When this important ceremony was taking place, there were too few priests able to offer sacrifices because they had not cleansed themselves. The Levites were asked to help. It states that the Levites (Sons of Heman included) were more upright in heart than the priests.

As you can see, the sons of Korah did not lose their passion for the house of the Lord. Over time, they changed their name from the Sons of Korah to the Sons of Heman, an honorable ancestor who was one of the leaders of worship in the Tabernacle of David. From these examples, you can see that the restoration of the birthright of the sons of Korah endured. These sons were worshippers and overcame the oppression and depression of the enemy as they focused on the goodness of the Lord.

## HOW DO WE PREPARE TO BE SONS OF GOD

Isaiah 61:1-4 (AMP)

*The Spirit of the Lord is upon me because the Lord has anointed and qualified me to preach the Gospel of good tidings to the meek, the poor, and the afflicted. He has sent me to bind up the brokenhearted, to proclaim liberty to the {physical and spiritual} captives and the opening of the prison and of the eyes of those who are bound.*

*To proclaim the acceptable year of the Lord [the year of His favor] and the day of vengeance of our God, to comfort all who mourn in Zion.*

*To grant [consolation and joy] to those who mourn in Zion – to give them an ornament (a garland or diadem) of beauty instead of ashes, the oil of joy instead of mourning, the garment of [expressive] praise instead of a heavy, burdened, and failing spirit –*

*That they may be called oaks of righteousness [lofty, strong, and magnificent, distinguished for uprightness, justice, and right standing with God], the planting of the Lord that He may be glorified.*

*And they shall rebuild the ancient ruins; they shall raise up the former desolations and renew the ruined cities, the devastation of many generations.*

As you read this scripture carefully, please notice that the first three verses describe your journey to freedom – salvation through the Gospel, healing of your broken heart, and deliverance from captivity and blindness. This is followed by having the favor of the Lord. When His favor is upon your life, you exchange mourning for joy, beauty for ashes, and a garment of praise for a heavy, burdened spirit. The Lord has a plan for each of us to walk into our destiny, which is to be an oak of righteousness, the planting of the Lord. Our lives are to be praise to the glory of His grace. Notice you are unable to restore the ancient ruins until this process is complete.

So now we will look at Psalm 24:1-5:

*The earth is the Lord's and the fullness of it, the world and they who dwell in it. For He has founded it upon the seas and established it upon the*

*currents and the rivers.*

*Who shall go up the mountain of the Lord? Or who shall stand in His Holy Place?*

*He who has clean hands and a pure heart, who has not lifted himself up to falsehood or to what is false, nor sworn deceitfully.*

*He shall receive blessings from the Lord and righteousness from the God of his salvation.*

*This is the generation of those who seek him [who inquire of and for Him and of necessity require Him] who seek Your face, [O God of} Jacob.*

*Lift up your heads, O you gates; and be lifted up you age-abiding doors, that the King of Glory may come in.*

It is important to notice the four conditions for entrance into the mountain of God, His Holy Place. One is to have clean hands. The Hebrew word *naqiy* means being freed from guilt, innocent, and blameless. No charge can be brought against you! Your hands are cleansed by repentance from all personal and generational iniquity caused by the hands such as violence, thievery, and trickery.

A pure heart refers being sincere, pure, and a clear heart. Your heart has been cleared of all charges. It has been purged and shining brightly. For this to happen, you will need the light of the Holy Spirit to reveal the dark recesses of your heart where sin and iniquity dwell. Only in the light of His countenance can we see the truth of the wickedness that has deceived you. Jeremiah 17:9-10 says that *the heart is deceitfully above all things, and it is exceeding perverse, corrupt, and severely mortally sick! Who can know it?* Psalm 90:8 tells you that *our iniquities, our secret heart and its sins [which we would so like to conceal even from ourselves], you have set in the revealing light of Your countenance.* Both of these scriptures show you that iniquities are hidden from your eyes. If this wickedness is hidden, how are you able to cleanse your heart? Only prayer and fasting can bring light to the dark places in your heart. The Holy Spirit then is able to reveal the hidden iniquity of your heart, and you can repent. The blood of Jesus will purify your heart. The problem is that you must recognize the heart problem to seek heart cleansing.

The third condition refers to not lifting up something that is false. It is

exalting an idol, a lying vanity instead of worshipping the Lord in spirit and in truth. Whenever you look to something else to save you other than Jesus Christ, you are exalting a lie. How can someone expect to go up the mountain of the Lord with deception in his heart? This person would be a hypocrite before the Lord. This is not just about deceiving yourself and others about what and who you worship. It also means participating in idol worship. All of these deceptive behaviors lead to ruin and destruction.

The last condition is not to swear deceitfully. When a man or woman divorces their spouse – breaks their covenant, they have sworn deceitfully. A vow was made, and a vow was broken. Only deep repentance can cleanse this sin before God. The Lord wants you to be faithful in your vows with God and man. Broken covenants hinder your access to the mountain of the Lord.

Each of you wants to position yourself to stand before the Lord in His courts. Each of these conditions must be met to be worthy to stand and intercede for yourself, your family, and your nation.

## ARGUMENTS AGAINST CLEANSING THE BLOODLINES

Individuals have used several scriptures to refute the need to cleanse our bloodlines. A common scripture used to deny the value of this work is from 2 Corinthians 5:17 (AMP). *If therefore a person is (engrafted) in Christ (the Messiah), he is a new creation (a new creature altogether); the old (previous moral and spiritual condition) has passed away. Behold the fresh and new has come!* When you are born again from above, your spirit is alive unto God. You still must *walk out your salvation with fear and trembling* (Philippians 2:12).

Paul understood the power of the flesh. Romans 7:15 (ESV) *For I do not understand my own actions, for I do not do what I want, but I do the very thing that I hate.* As believers, you must be aware of your personal blindness, weaknesses, pride, and the deceitfulness of your heart.

Another scripture is from Proverbs 26:2a that *a curse without cause cannot alight (land, settle)*. In contrast, a curse with a cause can come against a family, a nation, or people. An excellent example in scripture is the story of Balaam and Israel. Balaam was hired by King Balak of Moab to curse Israel. Balaam could not curse what the Lord God has blessed. However, he gave the king a strategy that they would bring a curse on Israel. He told Balak that the women of Moab should lure the men of Israel into sexual sin. This treachery would release a curse against Israel and weaken them militarily. When the men of Israel sinned against the commandments of God (Deuteronomy 7:3-4), the Lord God sent a plague against them. The prophet of darkness could not curse the Israelites. They had to open the door by breaking the commandment of the Lord for the curse to fall on them.

In a court of law, your family is responsible for the debts of a parent at death. A claim is placed against the estate preventing the inheritance from being received by the family until the debt is paid. Likewise, any unconfessed sins and iniquities in your bloodline can be used by the accuser in the Court of Heaven to hinder the flow of blessings to your family. Carefully consider this: Are you walking in sickness, poverty, lack, or broken relationships? Each troubled area shows where you are not walking in the fullness of your

covenantal promises. It is important that you carefully examine every area of your life and note where the covenantal promises and blessings are not seen.

Another argument is from Galatians 3:13 (ESV) *Christ redeemed us from the curse of the Law, having become a curse for us. For it is written, 'Cursed is everyone who hangs upon a tree!'* This is the absolute truth of your redemption through the finished work of the cross. However, to receive the freedom from the curse of the law, you must seize this spiritual reality for your life. Experience shows you that everything that is yours through the work of the cross must be taken by force. It is your responsibility to enforce the covenant. A good example is healing. Were you healed just because you accepted Jesus? Or did you have to fight for your healing? The enemy does not release your body without a fight and uses accusations from your bloodline to block what is legally yours through the covenant. In scripture, you are told that *the Kingdom of Heaven suffers violence, and the violent take it by force* (Matthew 11:12). You have to violently seize each promise in scripture.

No longer will you wage a futile war against the unseen enemies of your life. Now you are taking this battle to the Court of Heaven so that justice, mercy, deliverance, peace, and joy can be released into your life. Beware! Some Christian families have won great victories in previous generations. They walk with ease in some blessings of the covenant. They take pride in their blessings and fail to see the other problems in the family. You must be flinty-faced in your determination to fight for the fullness of redemption. Your heart must be humble to receive the light of God's truth.

Numbers 14:18 is used as the last argument by individuals against the necessity for generational repentance. This verse seems to prove that the effects of iniquity only last for three to four generations. Numbers 14:18 (NASB) *The LORD is slow to anger and abundant in lovingkindness, forgiving iniquity and transgression; but He will by no means clear the guilty, visiting the iniquity of the fathers on the children to the third and the fourth generations.* This scripture describes the Lord's lovingkindness and forgiveness to those who repent. Yet for those guilty of iniquity, there is a visitation of iniquity. Literally, an army of demons has been sent to tempt a person who has this tendency in the bloodline.

David is a good example of the visitation of adultery from his bloodline. If

you look over David's lineage, you will notice four weak links: Judah (failure to keep word to Tamar), Tamar (daughter-in-law of Judah who pretended to be a harlot to conceive a son), Rahab (the harlot), and Achan (troubler of Israel for the theft of the devoted thing at Ai). These generational iniquities of sexual immorality and faithlessness visited David when he chose not to go out to war. He knowingly committed adultery, broke covenant with Uriah (one of his mighty men), and manipulated Uriah's death in battle through the assistance of Joab. His actions opened the door for the ever-increasing destruction of his seed through sexual sin, violence, and treachery. This pattern begins with the planning of the rape of Tamar by her half-brother Amnon. Absalom revenges his sister's honor by killing Amnon. After a time of being banished from Israel, Absalom returns and begins to undermine his father's rule. He told the people at the gate that they would never receive justice from David. Absalom leads a rebellion against David, his own father. Solomon destroys his kingdom by the hundreds of wives from the other nations. He fills Jerusalem with temples to the gods of the nations. David's lineage followed in his footsteps with each generation falling deeper into iniquity.

From the foundations of the earth, Almighty God in His great wisdom provided a way of escape from the shackles of iniquity. In Isaiah 53:5 (AMP), we read that the suffering savior was *wounded for our transgressions; He was bruised for our guilt and iniquities*. The oft-repeated scenario in a family is that the enemy tempts an individual to participate in the family's iniquity. Since there is a tendency, the individual falls into the perfect snare set by the Council of Darkness. Now the iniquity is reinforced for another three or four generations. The cycle of devastation continues unchecked until someone decides to break the downward spiral through godly sorrow and a flinty-faced determination to cleanse every aspect of the iniquity.

One example of this cycle of the curse is in the tragic history of the Kennedy family. What caused the Kennedys to be cursed with assassinations, accidental deaths, generational alcohol and drug abuse, divorce, and womanizing? We can look at Joseph Kennedy, the patriarch, known as a womanizer and made his fortune through bootlegging liquor (selling liquor illegally during the time of Prohibition in the United States). He manipulated Wall Street after the crash in 1929 and used his money to gain position, influence, and power from politicians. He was involved in Wall Street,

politics, Hollywood, and possibly the Mafia. Who knows what skeletons are hidden in the Kennedy closet? What we can clearly see is that death and destruction are rampant in this family.

Another example is evident in the devastation caused by ministers caught in adultery or homosexuality. The Council of Darkness, having searched out the iniquities in the bloodline of adultery, broken covenants, and sexual perversion waits for the perfect time to snare the man of God destroying his family, friends, church members, and bringing reproach against God through his sin. The Body of Christ has not understood the power of the yoke of iniquity to destroy our lives and the lives of our family members.

To strengthen this reality that the curses are not for limited to three or four generations, examine Deuteronomy 23:2. *A bastard shall not enter into the congregation of the LORD; even to his tenth generation shall he not enter into the congregation of the LORD.* This curse is evident in families that have a child born out of wedlock. This person does not have a sense of belonging anywhere: family, church, or society. There is a sense of being an outcast looking into a family where one does not belong. The Western culture has embraced illegitimacy through the lifestyle of actors in Hollywood. There is no longer any shame for having a child out of wedlock. As a result, many individuals will struggle with belonging in the Body of Christ.

Another powerful example is in 2 Samuel 3:28-29 (ESV), *Afterward when David heard it, he said, "I and my kingdom are forever guiltless before the Lord for the blood of Abner, the son of Ner. May it fall on the head of Joab and on all his father's house, and may the house of Joab never be without one who has a discharge, or who is a leper, or who holds a spindle (does women's work), or who falls by the sword or who lacks bread".* David understood the blood curse that would come on his family if he did not deal with Joab's sin, the cold-blooded murder of Abner in a time of peace. Joab was avenging his brother Asahel for Abner killing his brother on the battlefield. David required Solomon to deal with this blood guiltiness. He did not have the moral authority to enforce the law because of his involvement with Joab over Uriah's death. The above curse of destruction is forever on the family of Joab until someone stands in the gap and confesses this sin.

## PREPARING FOR GENERATIONAL CLEANSING

Religion has a powerful influence on your beliefs, worldview, and ability to receive revelation from the Bible. Religion causes spiritual blindness and deafness. Every family has been polluted by religion because Satan is the author of religion. Religion causes a person to eat from the Tree of the Knowledge of Good and Evil. When a man eats from this tree, he will be self-righteousness, proud, and inflexible. There is a demand for certain works to prove one's faithfulness as a disciple of this religion. Jesus Christ came to reveal the love of the Father. He came to bring you into the family of God. The first step to freedom is to remove the influence of Satan by dismantling the strongman of religion. You need, to begin with, the prayer "Dismantling the Strongman of Religion" (p.36). This prayer can help you remove barriers to your understanding. Otherwise, you might not be able to understand the importance of the prayers or apply them to your family.

You need to spend time on Isaiah 53 concerning the finished work of the cross of Jesus Christ. By meditating on this chapter, the depth of your salvation - body, soul, and spirit- will come alive. Jesus was pierced for your transgressions and crushed, bruised for your iniquity. He became sin to free you from the power of sin. Your spirit was born again from above and became a new creation. He was crushed for the iniquities in your bloodline. This is a deep work at the very core of your nature. He suffered the punishment due for your peace of mind. He carried the torment, grief, and sorrow that rob your soul of peace. By His stripes, you were healed. The stripes provided for the healing of your body from disease and trauma. He was stripped naked so that you could be clothed in righteousness. He was oppressed but opened not his mouth. As a result, you can speak the Word of God releasing the angels to obey the Word of the Lord. His soul was made a guilt offering so that we could be free from the power of guilt and shame. He bore the punishment due so that you were spared from eternal separation from God in hell. Meditate and let the Holy Spirit enlarge your faith in the finished work of the cross.

Fast and pray! Pay attention to your dreams and visions. Consider the continual problems that are common in your family, for example, sickness, early death, poverty. Look for patterns in your family. Remember that an

iniquity is either doing the act or suffering the consequence of that act. So pay attention to the patterns of struggles. For example, if you experience robbery. There might be individuals in your bloodline that were in robbers.

You will confess the sins and the iniquities of your bloodlines with godly sorrow and identificational repentance[6]. Your bloodlines set in motion blessings and curses for their seed. The Just Judge is able to release justice, mercy and blessings by your heartfelt repentance with the proclamation of your Covenant of Life. God's precious promises can manifest when you can break the power of iniquity and curse from your bloodline. Proverbs 10:22 states: The blessing of the Lord, it makes rich, and He adds no sorrow or toil to it.

It is important that you read through the prayers so that you are in agreement with the scriptural principles. When the Holy Spirit highlights a section, allow Him to pray through you (Romans 8:26). These prayers are a springboard. Partner with the Holy Spirit as you pray aloud. The Lord knows what needs to be proclaimed over your life and family. Trust Him! These prayers are not a one-time event. It is a process of allowing the Holy Spirit to open your eyes to the accusations against you and your bloodline in the Court of Heaven. The Holy Spirit will highlight the bondages in your family. These prayers can be used again and again as the Lord opens your eyes to see the strongholds that have held your family for generations. As a couple, we have diligently sought the Lord for the wisdom to release the destiny of our families through the generational cleansing of the bloodline. One reward from these prayers is that my nephew is passionately serving the Lord in Nepal.

If you are not used to praying aloud, you will be tempted to read these prayers silently. Your voice needs to be heard in the Court of Heaven. Pray aloud in a voice of authority from your position in Christ. The Holy Spirit will anoint these prayers, as you believe the truth of His Word. Psalm 103:20 (AMP) describes an important spiritual principle. *Bless the Lord, you His angels, you mighty ones who do His commandments, hearkening to the voice of His Word.* Notice that the angels are responding to the voice of the Word of the Lord. The angels are released as you proclaim God's Word. After each prayer session, finish with the Proclamation of Covenant (p.43) with Communion and the Sealing Prayer (p.45).

You begin your court session by entering His Courts with thanksgiving and

praise. You need to focus on the one who loves you beyond measure and is waiting for the day when you can walk as a manifested son of the Most High God. He is for you and not against you. He sits on the Throne as the Just Judge. He knows every accusation that the accuser is using against your life holding you captive and denying the blessings of the Lord. Father God is anxiously waiting to release justice, mercy, and grace into your life. First, justice must be met through repentance and the application of the Blood of the Lamb and then the Father's mercy and goodness can be released into your life.

## PREPARATION FOR COURT

Before you enter the courtroom, you need to determine where you will begin your journey towards justice, freedom and blessing. Some of you will deal with personal accusations while others will deal with generational accusations. The two fundamental keys in this entire process in the court are repentance and forgiveness. These prayers are to guide you during the proceedings. You need to allow the Holy Spirit to pray through you. These prayers are meant to be dynamic and personal with the Holy Spirit guiding you to hidden areas of iniquity, trauma, and bitterness. Thoughts, images, and memories can guide you on this journey.

Each time you present a case before the court, you enter the His courts with thanksgiving and praise (Psalm 100:4). Imagine yourself in a courtroom. You are requesting the court to be in session and hear your case. Politely ask the Just Judge to be seated. You need to ask for all relevant information in the Books of Heaven and Hell to be available during the proceeding. Ask for your Advocate, the Holy Spirit, to be present with the seven spirits of God. Isaiah 11:1-2 The Spirit of the Lord will rest upon him – the Spirit of wisdom and understanding, the Spirit of counsel and might, the Spirit of knowledge and the fear of the Lord. Your Advocate is your defense attorney who will give you wisdom, understanding, counsel, and knowledge for you to receive justice. Hold the hand of the Spirit of the Fear of the Lord, which is the beginning of wisdom to stand with you in the courtroom to guide the proceedings. Ask for your intercessor, Jesus Christ, to be present with the sprinkled Blood of the Lamb that continually cries out mercy. Your mediator is the one interceding on your behalf. You should call for everyone involved in your court case by blood and friendship to be present in the great cloud of witnesses who can testify on your behalf. On a national level, you need to ask for all those saints, known and unknown, who advanced the Kingdom of God in your nation, or were harmed by your family's iniquities. Ask the scribe angels to record the proceedings, the deputy angels to keep order, and the Accuser of the Brethren to be present but silent.

As the first order of business in the court, you will need to present a testimony of your life in Christ. An example is available on page 17—The Confession of Faith in Jesus Christ. You may include in your testimony: your years of serving the Lord, faithful ministry to the people of God, feeding the poor and needy, tithing, and your faithfulness as a husband or wife, father or mother. This establishes your position as a child of God with the right to enter the court to receive justice. Then request the testimony of those in the great cloud of witnesses who would have pertinent testimony. Sit quietly in the courtroom as they testify. In my spirit, I have heard them confirm my prayers for the family.

After completing the court work for the day, thank the Just Judge, and ask the court for a continuance<sup>[7]</sup>, take Communion with the Proclamation of Covenant (p.43), and finish with the Sealing Prayer (p.45). You need to declare the Proclamation of Covenant from your heart as you meditate on the broken body of Jesus, and His Precious Blood comes alive. It is a sobering to realize that the DNA of Jesus Christ is encoded with the memory of His glory on the Mount of Transfiguration, the same transfiguration promised to His Sons.

## **PROCESS FOR DEALING WITH GENERATIONAL ACCUSATIONS OF PROFANE WORSHIP**

## CONFESSION OF FAITH IN JESUS CHRIST

### ————— P R A Y E R —————

Father, I believe in my heart and confess with my mouth that Jesus Christ is Lord. I believe He is the Son of God and that He died on the cross for all of my sins and iniquities. I was chosen by Your foreknowledge before the foundation of the earth. I was predestined to be conformed to the image of Your Son. I was called for Your divine purpose in the earth. I am justified by the blood of Jesus Christ. I am glorified by the grace and the power of the Holy Spirit. I am sanctified by the work of the Holy Spirit that I might be separated from the world unto Jesus Christ.

I decree no charge can be brought against me by the Father or the Son because of the cross. You have freely given me all things so that I can overwhelmingly conquer in this life through Him who loves me (Romans 8:29-30, 33, 37).

Bless the Lord, O my soul; and all that is within me bless His holy name. Bless the Lord, O my soul, and forget none of His benefits; who pardons all of my iniquities; who heals all my diseases; who redeems my life from the pit; who crowns me with loving kindness and compassion. For as high as the heavens are above the earth, so great is His lovingkindness toward those who fear Him. As far as the east is from the west, so far has He removed my transgressions from me! The loving kindness of the Lord is from everlasting to everlasting to those who fear Him, and His righteousness to children's children, to those who keep covenant and who remember His commandments to do them (Psalm 103:1-4, 11-2, 17-18).

Father, I stand in awe as I consider Your loving kindness toward those that fear You, keep Your covenant and walk in Your commandments. I come to You this day to proclaim that Jesus is the High Priest of my confession. I thank You for making a way for me to come boldly to Your

Throne through the righteousness of Jesus because He made a way for me to come to You.

Therefore, I come boldly before your throne with confidence as Your Son knowing that You hear my prayers and that Your heart is full of tender mercy towards me. I know that You are faithful to complete that good and perfect work You have begun in my life. I desire complete freedom from every sin that keeps me from my destiny. I desire complete deliverance from generational accusations, bitterness, bondages, curses, and strongholds.

Father, I desire to take back the ground in my life that has been controlled by the enemy of my soul. Like Jesus in John 14:30, I want to be able to proclaim that the prince of this world has no power over me I am able to walk as an overcomer in this life through the righteousness I have in Christ Jesus.

## DISMANTLING THE STRONGMAN OF RELIGION

Religion pollutes your life in deceptive ways. It does not matter what religion your family has practiced – Buddhism, Hinduism, Islam, or Christianity. You will need to overcome the ways of religion.

If you have been born into a family involved in the church for generations, you are probably dealing with a strong root of the Pharisee. Jesus warned His disciples to be aware of the leaven of the Pharisee, the Sadducee, and the Herodians. The Pharisees based their righteousness on the fulfillment of the law—legalism. The Sadducees denied the miraculous and based their beliefs in a Greek worldview rather than a Biblical worldview. The Herodians listened to the Gospel message of repentance but refused to change their lifestyle of sexual immorality. They mixed politics with religion.

The church world ignores the reality of the polluting influence of religion. Satan does not war against religion, but against your living faith in the Resurrected Christ Jesus—the Word of God. Religion is not to be confused with liturgy flowing out of love for the Lord. Every person has the ability to walk in the ways of religion, relying on outward actions as the source of righteousness. Religion is controlling, demanding of service through outward actions and unmoved by the commands of the Lord to love. Rather than wear the full armor of God, you are clothed in the armor of religion.

————— P R A Y E R —————

In the name of Jesus, I bind the strongman of religion in my life. I confess that my family has walked in self-righteousness and has judged others harshly. I repent for all judgments that I have made against other denominations in the Body of Christ. I have judged them as being deceived and walking in darkness. My ancestors have even killed other Christians in the name of Christ because of this deadly Pharisaical spirit. Just Judge, I ask that You forgive all words, deeds and actions committed by my ancestors and me that have destroyed others in the Body of Christ. Cleanse us of this blood guilt.

I confess generational hatred of the Jewish people (Israel) rooted in replacement theology taught for hundreds of years by the church, jealousy of their position as the Chosen People, and believing Satan's lies against them. We have attempted to rob them of Your precious promises. I ask that You cleanse my family lineage of anti-Semitism. I confess the grievous sins against Your people through thoughts, words, and actions. My ancestors attempted to remove them from the face of the earth through pogroms [systematic destruction of Jewish villages in Europe], the Holocaust, removal of Jewish children from their parents, and murder. Father, I ask that the blood of Jesus cleanse us of this blood guilt against Your Chosen People. I ask that all lies that I have believed be revealed through the truth of Your Word. In the name of Jesus Christ, I accept the natural branches of the olive-tree and their position before You. I bless them with peace—Shalom.

I acknowledge that there is only one righteous, Jesus Christ, and all my self-righteous deeds are like filthy rags before the Throne of God. I renounce my self-righteous identity rooted in good works, religious affiliation and the "humanistic" lies of the innate goodness of man. I renounce every attitude and belief standing in opposition to the cross, the sacrifice of Jesus and the sanctifying truth of God's Word. I recognize that my self-righteousness has destroyed true intimacy with my family, others and the Body of Christ. Father, I have embraced this false righteousness

and declared that I was good! I have been partaking of the fruit of the Knowledge of Good and Evil rather than the Tree of Life. Each time I partake of this poisoned fruit, the Pharisaical spirit is strengthened in my life. I ask for the antidote, the blood of Jesus, to be applied to my soul. Forgive me for living so far beneath my destiny in Christ. Help me to enter into Your abundant life through humility and love.

I take my stand this day against the strongman of religion in my family and my life—the Pharisaical spirit. I strip him of the armor on which he has relied (Luke 11:21-22). I strip off the helmet of inflexibility, limiting my vision and hearing of truth because of strongholds in my thinking. These strongholds stand against the truth of God's Word. My stronghold of pride in the rightness of my beliefs shuts down my mind and keeps me trapped in my distorted view of God and the world.

I remove the breastplate of self-righteousness held in place by my arrogance and pride that refuses to take responsibility or acknowledge my sinful actions against others. I consider all that I do and say as right and good because I eat from the Tree of the Knowledge of Good and Evil. Father, allow me to see that my righteousness comes only through the blood of Jesus Christ. All my self-righteous deeds are as filthy rags before You.

I strip my loins of the belt of deception and delusion that has polluted the pure flow of the Spirit in my anointing and gifts. Deception has kept me from producing godly offspring in the Lord. All that I hear and see is examined through this defiled stream. Father, cleanse me of all deception and bring forth a pure flow of Your life. Lord, teach me to compare my thoughts and actions against the Word of God, the nature of Christ and the fruit of the Spirit.

I strip off the boots of war that cause me to be so easily offended and hurt. I have used these boots to trod down, destroy and discount others' gifts, views, voices, purposes, and destiny. Father, forgive me for being self-centered. I look for offense and quickly make war with those around me. Lord, teach me to be a peacemaker!

I strip off the shield of the fool that extinguishes the truth of God's Word as it brings conviction, sound judgment, and godly wisdom to my

heart. Father, allow me to hear the truth in Your Word from leadership, others and the Spirit. Remove the ways of the fool from my path!

I strip the sword of death that destroys others with words of criticism, faultfinding, cursing, justifying, blaming, judging, accusing, lying, gossip, and flattery. Father, forgive me for every word that has brought death instead of life. I ask that every unholy word is plucked up so that it will not bear fruit. Please cover all my words of death in the blood of Jesus. Father, may I have a tongue of life. May every word that I speak be in agreement with Your heart for others!

Father, I repent for being a vessel of the enemy through my carnal prayers against the plans and purposes of the Holy Spirit in the earth. I have stood as a judge against the move of the Holy Spirit and have prayed curses against leadership, worship, unusual manifestations of Your Spirit, revivals, and new revelations from Your Word. Everything was measured against my knowledge and understanding. With my words inspired by hell, I have been used to quench revival fires in the Body of Christ. Forgive me; I did not understand the power of my tongue to release death, the demons of hell stopping Your work in the Body of Christ. Forgive me for drawing others into agreement with hell against the work of the Holy Spirit. Forgive me for standing as God in the assembly, thinking that I understood Your marvelous ways. I am but dust and You are the Creator of the Universe, filled with the wisdom of the ages. All understanding and knowledge belong to You. I ask that You sever the ungodly agreements I have made with hell.

Father, consume with fire the strongman's armor—the false armor of pharisaical religion. I will not rely on this false armor again. I ask that You uproot the pharisaical ways from my self-life. Send Your fire and completely consume this root from the ground of my life. Purify my heart from the poison of this fruit that keeps me separated from Your heart of love. I refuse to feed on the fruit of the Tree of Knowledge of Good and Evil. Keep me alert to the temptation to rely on religious ways rather than You.

Forgive me for every person that I have poisoned against You by my harsh pharisaical ways. Forgive me for presenting a false image of You to

those around me. Destroy this false image in their lives so they can serve You in truth. Forgive me for the war I have waged against those who refused to bow to my idol of religion. Lord, help me to humble myself and make peace with my perceived enemies.

Father, I ask You to destroy the yoke of religion from my life. Destroy the shackles of condemnation and frustration. I declare that I am yoked to the Lord. You promised that Your yoke is easy, and Your burden is light.

Now, I put on the full armor of God beginning with the helmet of salvation, which renews my mind by the Word of God. Everything I hear and see I judge against the Word of God. I am in agreement with Your Word, Your thoughts, and Your purposes.

I put on the breastplate of righteousness, which is the righteousness of Christ. I boldly come to Your Throne to receive mercy. You declare that I am holy, and so I am! The Lord is my righteousness. The righteousness of Jesus Christ shields my heart from all condemnation and guilt.

I have the belt of truth around my loins. I declare that nothing is hidden in darkness or covered up in my life. I stand naked and unashamed before My Father in the truth of my redemption. My spirit is born from above of incorruptible seed. My innermost being is the abiding place of the Lord. Streams of living water, pure and holy, flow from my inner self bringing life to a weary land.

My feet are shod with the preparation of the Gospel of Peace. I walk in the spirit of peace as a minister of reconciliation. I place the covering shield of faith over my life, which quenches all the flaming darts of the wicked one. Your faithfulness is my shield, and I trust in Your ability to keep me from the evil one.

I skillfully use the Sword of the Spirit—the Word of God. I will be effectual in my use of the Word of God to release the angels who obey the voice of the Word of the Lord. I will pray with my understanding and pray in the Spirit. I will be vigilant and pray at all times, in every season for the Body of Christ and the nations of the world with determination and endurance for the Kingdom of God to be manifested on earth.

Lord, I rely upon Your armor. With the complete armor of Almighty

God, I am able to stand against the enemy. I dismantle the strongman of religion's house and proclaim that I am free of his control. Thank You Lord for freeing me from the dominion of this strongman! Hallelujah! I am able to walk in my position as a son of the Most High God totally dependent upon the righteousness of Christ Jesus, His Word, His truth, and His mercy.

### PROCLAMATION OF COVENANT

In Isaiah 43:26 (AMP), we are instructed: *Put Me in remembrance [remind Me of your merits]; let us plead our case, that you may be justified (proved right)*. In Luke 22:19, 20b (AMP), we remember the Lord's words: *Then He took a loaf [of bread], and when He had given thanks, He broke [it] and gave it to them saying, This is My body which is given for you; do this in remembrance of Me.* <sup>20</sup>*And in like manner, He took the cup after supper, saying, This cup is the new testament or covenant [ratified] in My blood, which is shed (poured out) for you.*

By your covenant relationship with the Lord, you can come boldly to the Throne of God to receive mercy and grace in your time of need. It is important that you remind yourselves, the hosts of hell, the angel armies, and even Father God of Your covenant relationship. You are justified by the blood of Jesus and are in covenant relationship with a covenant keeping God.

When you have finished confessing your personal and generational sins and iniquities, it is important to seal your time of repentance through the Proclamation of Covenant with Communion.

Father, I come boldly before Your Throne putting You in remembrance of the Covenant of Life that I have with You through the broken body and shed Blood of the Lamb of God, Jesus Christ. I declare

that this Cup of the Covenant is holy. I call the great cloud of witnesses, the angel armies, and the powers of darkness to attention as I proclaim that I am covenant child of a covenant keeping God. I have been made holy through the perfect sacrifice of Jesus Christ. I am cleansed, perfected, and justified!

I declare in the Court of Heaven that I have been redeemed. I am ransomed by the blood of Jesus Christ. I have been translated out of the kingdom of darkness into the Kingdom of His Son of Love. Through the suffering of Jesus Christ, I am free from the power of sin, guilt, and the punishment due.

I have been crucified with Christ. The life that I now live; I live by faith in the Son of God. I thank You for giving me the finest wheat. I bless this bread and declare that I am receiving Your life, Your strength, Your divine virtue into my body, soul, and spirit. I am receiving the DNA of Jesus Christ encoded with the memory of glory from the Mount of Transfiguration. I have complete salvation and shalom through the life in Your flesh. You were bruised for my iniquity. This day I bring the bruising in my generation to the Body of Jesus Christ. I receive healing and wholeness in every bruised area of my DNA. I declare that the Blood cleanses me of all defilement and makes me holy, a sign of my covenant with You. I am a son of the Most High God, righteous in Your sight. I live in the Shalom of God

## SEALING PRAYER

Whenever you are involved in prayer, it is important to seal the work to prevent backlash from the enemy. We learned this prayer from intercessors in California. As we applied this prayer when we finished interceding, we found that we were not having backlash from the enemy.

---

### P R A Y E R

---

Father, I ask that every word that was spoken today be sealed for time and eternity. I ask that these words be recorded in the Books of Heaven. I ask that the angel armies be released on our behalf so that we see the blessings of the Lord that make us rich with every spiritual gift in heavenly places that is legally ours by right of our eternal covenant with Almighty God. I seal this work in the Blood of the Lamb, by the power of the Holy Spirit and by the Word of God. I declare, according to Isaiah 55:11 that every word in agreement with the will of the Father shall not return empty without accomplishing what He desires and without succeeding in the matter for which it was sent. I declare that the Holy Spirit's breath—*zoe* life - is upon these prayers. I declare that the enemy shall not release against my life or my family any curses, counter-curses, strategies, or retaliations against our health, marriages, children, grandchildren, finances, ministry, destiny, or well-being in Jesus' name.

## COMMAND THE MORNING

As you begin your day, this prayer releases the blessings of the Lord and stops the hidden schemes of the enemy against your life.

### P R A Y E R

(Original by Grant Mahoney with major revisions by Jacquelin Hanselman)

*And have you ever ordered Morning, 'Get up!' told Dawn, 'Get to work!' So you could seize Earth like a blanket and shake out the wicked like cockroaches? As the sun brings everything to light, brings out all the colors and shapes, the cover of darkness is snatched from the wicked—they're caught in the very act! From the wicked, their light is withheld, and their uplifted arm is broken. (Job 38:12-15 The Message and AMP)*

Just Judge of the Universe, Ancient of Days, Creator of the heavens and the earth and all it contains, I thank You that I am able to enter into Your Court this day by the Blood of the Lamb. I thank You for Your mercy and loving kindness that is new every morning. I thank You for the wisdom and counsel that comes from Your Word; that is a lamp unto my feet and a light unto my path. I thank You that You direct my path today and that You make my thoughts to be in agreement with Your will and so shall I prosper and succeed. I thank You that You surround me with favor as a shield, for the shields of the earth belong to my God. I thank You for Your great grace that enables me to walk in faith and to continue to press towards the prize of being conformed to the image of Jesus Christ, going from glory to glory as a manifested Son of God.

I petition the Court of Mercy to dismantle every Council of Darkness that is releasing judgments and accusations against my family this day (Psalm 64:6). By their search through the books of hell, they have presented a court case that demands our punishment for the iniquity of our bloodlines. I ask for their judgments of death and destruction to be overturned by my heartfelt brokenness, tears of repentance, and prayers for the forgiveness of all ancestral bloodline wickedness. Until these iniquities can be addressed in the Mercy Court, I ask for a continuance until these accusations can be examined through the light of truth and revelation. I ask for the angelic execution of the Order of Assistance on the authority of the Divorce Decrees against these demonic forces

recorded in the Books of Heaven on \_\_\_\_\_  
(Enter the date you completed the Petition of Divorce from the  
Bloodline (p.83). Be certain to complete the Court Order for Assistance  
to the Bloodlines (p.91)).

I thank You for the honor of Sonship and the authority that You have given to me over all the power of the enemy; so what I proclaim in Heaven, is recorded, and manifests in the earth today. I thank You that in all these matters, *I am more than a conqueror through Him who loves me* (Romans 8:37) and *an Overcomer by the Blood of the Lamb* (Revelation 12:11). I walk in constant victory because You are the defender of my life (Psalm 18). I thank You, Father, *that I am not dismayed by the vast multitude that stands against me because the battle is Yours, and the victory is mine* (2 Chronicles 20:15).

Your Word says that *Jehovah marches out like a champion, like a warrior He stirs up His zeal; with a shout, He raises the battle cry and triumphs over His enemies* (Isaiah 42:13). For Jehovah consumes with fire every wicked power operating in the night season against my life, family, region, and the Body of Christ (Isaiah 26:11). The Lord of Hosts draws out for destruction the great horde of wickedness that has been warring to destroy our destiny as shining stars in the universe (Philippians 2:15b, Daniel 12:3).

You are Jehovah, my Champion in war. I shout “*Yod Hey Vav Hey,*” the sacred name of God over my life! I thank You for Your love, mercy, and faithfulness defending me against the attack of my enemies. For You are Jehovah Sabaoth, the Commander and Chief of the Angel Armies, my Champion of War. I thank You that it gives You pleasure to fight these battles. I thank You that I can just rest in Christ Jesus and receive the victory.

I am encouraged by Your faithfulness to Your promises. *Fear not for I am with you; Be not dismayed, for I am your God; I will strengthen you; I will help you; I will uphold you with My righteousness right hand. Behold, all who are incensed against you shall be put to shame and confounded; those who strive against you shall be as nothing and shall perish. You will seek those who contend with you, but you shall*

*not find them; those who war against you shall be as nothing at all. For I, the Lord your God, hold your right hand; it is I who say to you, "Fear not, I am the one who helps you!"* (Isaiah 41:10-13 ESV). My heart safely trusts in You and Your ability to keep me against all the power of the enemy.

I ask that these decrees released against the fallen sons of God, their armies, and the human agents of darkness be recorded in Heaven, be in agreement with Your will, and result in Your judgment against my spiritual enemies. Judge every enemy in the heavenlies, on the earth, under the earth, in the seas, under the seas, in the high places, under the high places, in the mountains and under the mountains. I request the commissioning of the angel armies to enforce these decrees on behalf of my mountains of influence, my family by blood and marriage, my seed, the destiny of my bloodline, my portion and lot, and my birthright.

According to Job 22:28 (NASB), *You will also decree a thing, and it will be established for you; And light will shine on your ways.*

I decree the following over all that concerns me:

I decree blessings into the heavens for everyone and everything that concerns me. I walk in victory today and every day of my life.

I take authority over this day and draw upon the resources of the Kingdom of God for all of my physical, emotional, financial, and spiritual needs. For the Lord has promised to meet all of my needs according to the riches of glory in Christ Jesus. I bring my needs before You now (*list specific needs for the day*):

This is the day that the Lord has made, and I will rejoice and be glad in it.

I decree that all the elements of this day will cooperate with me. I seize this day out of the hands of the enemy. I shake off all frustration and futility.

So I speak to you—sun, moon, and stars, and all the elements of the earth—you will release favor to my family today. Elemental forces of the earth—air, water, fire, weather, wind, rain, snow, and temperature cooperate with Almighty God to bless and prosper the Sons of God. I

decree that our water is sweet, the weather is temperate, and the rain falls as needed for the crops on the earth.

By my God-ordained authority over my mountains of influence, I decree that:

Confusion and chaos engulf the Council of Darkness working to establish the government of Hell on the earth and destroy the Body of Christ. The blood of the Jesus Christ obliterates every evil strategy, every prophecy of darkness and the timetable of hell programmed into the seasonal cycle of the sun, moon, and stars. For the gates of hell, the Council of Darkness, shall not prevail against my life, my family, and the Body of Christ today.

I decree that all unjust laws and judgments released by the Council of Darkness are overturned by the just laws and judgments of the Superior Court of Heaven.

For the mighty, stubborn, unrelenting, ancient sword of the Lord with the victorious angel armies severs, disrupts, and overthrows all trading floors of darkness, and dissolves the covenants of death between the human agents of darkness and the fallen sons of God. Expose the wicked trading floors in our nation.

I decree that all human agents of darkness be silenced like the Queen of Heaven<sup>[8]</sup> in Isaiah 47. The blood of Jesus Christ covers all satanic prayers, incantations, chants, spells, fetishes, prophetic acts, and prophecies of darkness. You are forbidden to hinder the destiny of the Sons of God.

I decree that the human agents of darkness and the fallen sons of God turn their hatred on one another like the enemies of Israel in the Old Testament! Let all human agents be confronted with the truth of their bondage to darkness. Repent for your sins or die in your iniquity!

Every evil word, blood sacrifice, entanglement of iniquity, engraving, laws of darkness, and assignments of death, destruction, and futility programmed by human agents of darkness in the heavenlies this day and in the past is abolished and of no effect by the blood of Jesus Christ. All wicked schemes are thwarted and must fall to the earth as dust. All

demonic hordes released must cease and desist in their assignment.

Every demonic seed planted in the heavens, on the earth, under the earth, and in the seas, under the seas, in the high places, and under the high places, in the mountains, and under the mountains be uprooted, wither, and die today. Every tree of darkness planted in this region, this state, this nation, and the nations of the earth is destroyed by the lightning of God. Not one tendril remains!

The blood of Jesus destroys the grid of darkness, the veil of hell, constructed over everyone that concerns me. Release the captives in my family, the region, the nation, and the Body of Christ from the black light of self-righteousness. Break off every shackle!

May the lightnings and thundering of the Lord be manifested in the heavens as this war wages on behalf of the Body of Christ in \_\_\_\_\_ (*list your region and church*).

Destroy every satanic blockade in the heavenlies hindering the access of the Body of Christ to the heavenly realms.

I decree that the blood of Jesus Christ cleanses the portals in my region. Access is denied to the human agents of darkness who have controlled the spiritual atmosphere! Angel armies set up checkpoints and restrict access to only those whose names are written in the Lamb's Book of Life. Protect this region according to Psalm 91. Alert the Body of Christ to any invasion by the enemy.

Because the Blood of the Lamb is applied to the doorposts and lintels of our lives, the angel of death and destruction must pass over, and all the plagues of Egypt cannot penetrate our secret place in God.

I decree that the Body and blood of Jesus Christ restores and heals the DNA in my family, making of no effect every hidden equation programmed by hell into our DNA through inner vows, bitterness, iniquity, and trauma.

Let every battle in the heavenlies be in favor of the angels assigned to convey our blessings.

Let the heavens declare the glory of God over our lives!

I walk in victory in every area of my life.

Walk with me Spirit of the Lord with the spirits of wisdom and understanding, counsel and might, knowledge and the fear of the Lord. I exalt wisdom as my sister and embrace understanding as my kin. I do receive the promises of long life and prosperity. I excel this year, and nothing shall hinder the race that I have chosen to complete for the Lord. The Holy Spirit anoints me with the oil of gladness and the mantle of praise. My ears shall hear good news and be sensitive to the Spirit of God as His wisdom is released into my life. My life is secure in Christ in God. My entire household is saved and serving the Lord God Almighty.

Father, give me the ability that is equal to my opportunity. Empower me to pluck the seed of success. Empower me to reach my goal—my destiny. Give me sufficient days to fulfill all that is written in my book of destiny for my time on the earth. Guide my words and actions to bear eternal fruit. Father, give me divine alertness to recognize divine opportunities. Give me divine discernment to recognize every counterfeit door of the enemy.

I walk in the kairos time of God! I disengage from the limited time of this earth and engage with the rich eternal time of Heaven. Today I refuse to be at the right place at the wrong time.

Just Judge of the Universe, Ancient of Days, Creator of the heavens and the earth and all it contains, I thank You that You have heard my prayers and decrees. I ask for these decrees to be recorded in Heaven, be in agreement with Your will, and all judgments be released in our favor by the courts. I ask the angel armies to enforce these decrees today on behalf of all that concerns me: my family, ministry, destiny, portion, lot, birthright, and bloodline. I thank You for enforcing these decrees in the heavens for Kingdom purposes on the earth today. I thank You that I walk in constant victory. I thank You, Father that Your Word says that the battle is Yours and victory is mine. I thank You that I can just rest in Christ Jesus and simply receive the victory.

# THE GENERATIONAL ACCUSATIONS OF PROFANE WORSHIP

## THE FOUNDATION OF PROFANE WORSHIP

Many clues regarding the nature of Satan can be discovered in Ezekiel 28:12-18a (NASV). This scripture describes the origin and fall of Lucifer along with many other mysteries. Some of the mysteries: How was iniquity found in him? What was his unrighteous trade? What sanctuaries were profaned? The Hebrew word for trade or merchandise – *rekullah*- is only found in this chapter in scripture.

*Thus says the Lord GOD, “You had the seal of perfection, Full of wisdom, and perfect in beauty.*

*You were in Eden, the garden of God. Every precious stone was your covering: the ruby, the topaz, and the diamond, the beryl, the onyx, and the jasper, the lapis lazuli, the turquoise and the emerald. And the gold, the workmanship of your settings and sockets was in you. On the day that you were created, they were prepared.*

*You were the anointed cherub who covers, and I placed you there. You were on the holy mountain of God; you walked in the midst of the stones of fire.*

*You were blameless in your ways from the day you were created, until unrighteousness was found in you.*

*By the abundance of your trade, you were internally filled with violence, and you sinned. Therefore, I have cast you as profane from the mountain of God; and I have destroyed you; O covering cherub, from the midst of the stones of fire.*

*Your heart was lifted up because of your beauty; you corrupted your wisdom because of your splendor. I have cast you to the ground; I put you before kings, that they may see you.*

*By the multitude of your iniquities, in the unrighteousness of your trade,*

*you profaned your sanctuaries;*

These verses describe Lucifer as full of wisdom and perfect in beauty. He walked in the Garden of Eden covered in glorious gemstones set in golden engraved sockets. [India understands the beauty of gems.] He was the anointed cherub that covered with overshadowing wings. He walked on the mountain of God in the midst of the fiery stones. He was described as blameless in all his ways from the day he was created until iniquity and guilt were found in him.

Through the abundance of Satan's trade - commerce- he was filled with lawlessness and violence, and he sinned. God cast him out as a profane thing from the mountain of God. Because his heart was proud and lifted up; because of his beauty, he corrupted his wisdom for the sake of his splendor. He profaned his sanctuaries by the multitude of his iniquities, the enormity of his guilt, and by the unrighteousness of his trade.

What caused Lucifer to fall? It is my belief that Lucifer became captivated by the splendor of his appearance as he walked among the fiery stones - the glorious gemstones of heaven in settings of gold. He forgot that he was created by Almighty God with no glory in himself. He was an anointed cherub and began to covet the worship that was due to God alone. Surely, he thought, "I am worthy! Just gaze on my beauty!"

What was the abundance of his trade? He was a son of God, full of the wisdom of heaven, one of the Archangels like Michael and Gabriel. In his pride, he deceived the other fallen sons of God into a rebellion against the authority of heaven. He profaned the sanctuaries with his unrighteous trade. "If you worship me as the Supreme God, I will reveal the wisdom, understanding, and knowledge of the realms of heavens. I will open up the hidden mysteries of the heavenly realms." He continues to demand profane worship today and promises his corrupted wisdom for their worship.

To understand how profane worship developed in the nations, you need, to begin with the treachery of Lucifer and the heavenly hosts. When Lucifer rebelled against the Most High God, he proclaimed five "I wills" which are found in Isaiah 14:13-15.

*"I will sit on the throne of God,"* usurping the ultimate authority of Almighty God.

*“I will raise my throne above the stars of God,”* meaning “I will rule the angels as the ultimate authority in Heaven.” Sons of God are referred to as stars in Job 38:7.

*“I will sit in the assembly in the recesses of the north,”* refers to sitting on the mountain of the Lord in the center of God’s government in the universe.

*“I will ascend above the heights of the clouds,”* refers to Lucifer’s glory being above God’s glory. “I will receive the glory and worship that is due my exalted position.”

*“I will make myself like the Most High God,”* meaning “I will become the possessor of the universe.”

Each of Lucifer’s ‘I wills’ established a demand to be worshiped in the heavens and on the earth. Apparently, one-third of the heavenly hosts believed that Lucifer was able to accomplish his will. As a result, Lucifer, with one-third of the heavenly hosts, chose rebellion over faithfulness to the Most High (Revelation 12:4). Since these heavenly beings had been expelled from the holy temple in Heaven, they set up a counterfeit system of government and worship in direct opposition to the supreme authority of God. Unable to overthrow the government of heaven, he established his government on the earth.

This reality of Satan’s ownership of the world is clearly demonstrated in the temptation of Jesus Christ. *Again, the devil took Him up on a very high mountain showed Him all the kingdoms of the world and the glory (the splendor, magnificence, preeminence, and excellence) of them. And he said to Him, “These things, all taken together, I will give to you if you will prostrate before me and do homage and worship me”* Matthew 4:8-9 (AMP) Take notice that Jesus did not correct Satan and tell him that these kingdoms belonged to Almighty God. Satan legitimately rules these kingdoms. This is confirmed in 1 John 5:19, which states, *“We know that we are of God and that the whole world lies in the power of the evil one.”*

## WHO ARE THE FALLEN SONS OF GOD?

The Hebrew word for sons of God, “*ben Elohim*” occurs four times in the Septuagint version of the Old Testament (Genesis 6:2, Genesis 6:4, Job 2:1, and Job 38:7). You need to understand that the term ‘angels’ refers to function such as Gabriel as a messenger. The Law of First Mention<sup>[9]</sup> in Scripture gives us a fundamental understanding of how a word or phrase is to be interpreted. The first mention of ben Elohim is in Genesis 6:2 and Genesis 6:4 (NASB) which describes when: *The sons of God (ben Elohim) saw the daughters of men that they were fair, and took wives of all they desired and chose.* In verse 4, the story of the ben Elohim continues with the fruit of their mating with the daughters of men. *There were giants (Nephilim<sup>[10]</sup>) on the earth in those days and also afterward when the sons of God (ben Elohim) lived with the daughters of man (Adam) and they bore children to them. These were the mighty (mightiest, strongest, powerful; can be a tyrant) men who were of old (antiquity), men of renown (a definite and conspicuous position of fame and reputation)”* (inserts mine). Take note of the words also afterward which would refer to the world post-flood.

Most scholars believe this scriptural event describes the union between the fallen sons of God and human females. By combining two different species, Satan corrupted the DNA of mankind. Their offspring are referred to as ‘giants’ in King James and New King James Versions and ‘Nephilim’ in the New American Standard Version. Could there be truth in the myths of cultures throughout the world describing the exploits of the Nephilim? In contrast, Noah is described as righteous in his generations. His DNA had not been polluted which was why his family was spared from destruction.

According to scripture, Noah was righteous in his generations. Yet afterward, there still were giants in the earth. According to scripture Jude 1:6, *the angels (fallen sons of God) who did not keep their positions of authority but abandoned their habitation (possibly in the heavenly, by taking the daughters of Eve) were bound with everlasting chains for judgment.* Goliath and his brothers are examples of the Nephilim afterward. How could the Nephilim continue afterward? Maybe the pollution came through the wives of the sons of Noah. Could Ham’s wife have carried the Nephilim DNA?

Consider that their son, Canaan, is cursed by Noah and that Nimrod, the founder of Babylon and the Egyptians, are from this lineage.

To support this concept that angels could function as men, we find in scripture where angels appeared as men even though they are spirit beings. They performed numerous human functions such as eating food as described in their encounter with Abraham in Genesis 18. Furthermore, Genesis 19 describes the angels that came to warn Lot of the destruction of Sodom: they talked, washed feet, ate a feast, and slept. The men of the city even wanted to molest them. So we have scriptural proof that angels can walk and talk in such a way that we may not be aware of them unless they reveal themselves.

Another mention of the sons of God is in Job 2:1, *Again there was a day when the sons of God came to present themselves before the Lord, and Satan also came among them to present himself before the Lord.* This verse shows that the fallen son of God, Satan, presented himself with the faithful sons of God in Heaven. This scripture also lays the foundation for Satan as the accuser of the brethren.

The last scripture is Job 38:7, which describes *when the morning stars sang together and all the sons of God shouted for joy.* This scripture described a time in eternity past when the sons of God shouted for joy. The term ‘sons of God’ is used consistently for the angels in their original condition of perfection. They are referred to as sons of God because they were directly created by Him. So when the sons of God chose to rebel with Lucifer, they became the fallen sons of God.

In the Dead Sea Scrolls, there is an interesting translation of Deuteronomy 32:8 (ESV): *When the Most High gave to the nations their inheritance, when he divided mankind; he fixed the borders of the peoples according to the number of the sons of God.* This concept is demonstrated in Daniel 10:13 (AMP) when presumably Gabriel tells Daniel “...*the prince of the kingdom of Persia withstood me twenty-one days. Then Michael, one of the chief (of the celestial) princes, came to help me for I remained there with the kings of Persia.*” vs 20b “*And now I will return to fight with the (hostile) prince of Persia: and when I have gone, behold, the (hostile) prince of Greece will come.*” These scriptures establish the existence of hostile princes (fallen sons of God) ruling over the boundaries of nations. Furthermore, Ephesians 6:12

describes the hierarchy of the kingdom of Darkness.

## PROFANE WORSHIP AMONG THE NATIONS OF THE EARTH

Every tribe, tongue, and nation have participated in profane worship to the fallen sons of God that have ruled over their land. 'Profane' in the original Latin means 'one who was not admitted into the temple.' In the context of this book, this temple is the holy temple in Heaven. When Lucifer rebelled against Almighty God, one-third of the heavenly host followed him into rebellion against the government of God to establish the government of darkness on the earth. Access was denied to the holy worship in heaven. So they established defiled worship on the earth to hold mankind in captivity to their deception. Fallen sons of God with corrupt demon armies have deceived the people into worshipping and serving them throughout the earth.

Through profane worship to the fallen sons of God, our bloodlines made covenants, vows of bond service and oaths of family dedications to darkness. Our bloodlines participated in this worship by the making covenant for protection, fertility, victory in battle, and power. The fallen sons of God received the family lineage as their inheritance. Because our DNA is a composite of the tribes in our ancestry, all of these covenants of death have been recorded in the books of hell and are used by the Accuser of the Brethren to hinder the flow of blessings in our lives. This defilement has polluted mankind's DNA. It continues to hinder our ability to enter into the highest Heaven.

If we consider that our life was in Adam when he committed treachery against Almighty God, then when he sinned, all mankind sinned. Romans 5:12 (AMP) states, "*Therefore, as sin came into the world through one man, and death as the result of sin, so death spread to all men (no one being able to stop it or escape its power) because all men sinned.*" By inference, therefore, our life was in each of our bloodlines when they made covenants with darkness, committed iniquity, and experience trauma.

Man's moral code developed not based on right and wrong but on the observations of what pleased the gods. For example, a tribal god would require a human sacrifice for victory in war. A human sacrifice was considered the highest offering. As a result, mankind was corrupted by the

demands of the fallen sons of God for profane worship: blood sacrifices (humans, infants, and animals), temple prostitution, sexual orgies in fertility rites, and the use of potions with drums and music to enter the spirit realm. All the tribes of the earth including the Israelites participated in these rituals of darkness.

Our bloodlines did not access the heavenly realms through the Sheep Gate, Jesus Christ. Jesus said in John 10:1, 8 (NASB) *He who does not enter by the door into the fold of the sheep, but climbs in some other way, he is a thief and a robber...All who came before me were thieves and robbers.* They entered through the dark wisdom of the fallen sons of God. They entered as thieves over the wall.

In every tribe and family, our forefathers were involved in profane worship, which made the family the possession (the inheritance) of the ben Elohim, the fallen sons of God. These fallen sons of God continue to hold the bloodline legally through the records of the family's dedications in the books of hell. When we are born again, we are ransomed out of the darkness and translated into the Kingdom of Light. Our salvation does not stop the powers of darkness from waging war against our bloodline to regain control by oppression, troubles, sorrow, and deception. We have been redeemed. What about our children? Just as you are the inheritance/possession of the Lord God Almighty, these entities of darkness claim the bloodline as their own and require the same worship today. The ignorant continuation of this worship today may be the untimely death, drug addiction, and sexual immorality in different cultures.

These family dedications to the ben Elohim, the fallen sons of God, are recorded in the books of hell and used by the ecclesia of hell to hold families in captivity. It is only by sincere repentance and renunciation of these dedications that we are able to clear our bloodline from the accusations of hell. "This family belongs to us!" Fast, pray, and allow the Holy Spirit to direct your footsteps on this journey of intercession. You are God's instrument to bring deliverance and healing to all those connected to you by DNA. Pray big prayers that only a big God can answer. Your declaration of repentance and faith echoes through your bloodline, bringing freedom to individuals beyond your knowing.

African intercessors had reported the deliverance of entire villages from the curse of death when the believers repented for the offering of human sacrifices to the village gods. Could these generational covenants sealed with blood to the village gods be the root cause of the large number of black men and women dying on the streets of the United States? Throughout the world, Satan has demanded the ultimate sacrifice of human blood to satisfy his desire for revenge against mankind. He is a legalist and knows that a blood curse that will stand against the people in that village until the blood of Jesus covers this great iniquity.

Another example of iniquity comes from the Aztecs, a powerful civilization from central Mexico, who worshiped the sun god through daily blood sacrifices of men and women (the best athletes, the most beautiful women, and handsome young men), drugs and potions, and temple prostitution. Whenever there is much bloodshed, Baal, the god of a thousand faces, is responsible. The sun god required blood for the sun to rise every day. Today, Mexicans are plagued by drive-by shootings that kill the innocent, drugs and alcohol, and prostitution. Individuals continue to worship the gods of their forefathers ignorantly through their sinful deeds.

A final example is the Druids who used mead, an alcoholic beverage for worship, participated in human sacrifices and homosexuality. Look at rampant alcoholism and homosexuality in the British Isles! Consider the bloodshed in Ireland and Scotland!

## **WHY DO WE NEED TO DIVORCE THE FALLEN SONS OF GOD?**

In Strong's Concordance, Baal has many meanings: "to be master, to marry, to lord, master, possessor, owner, and husband."[\[11\]](#) Baal has many surnames: master—of the house, of the field, of money, of a family, of grace, as the Lord of a city (all the men and women in the city)". The Brown, Driver, Briggs, Gesenius Lexicon[\[12\]](#) describes Baal as "to marry, rule over, own, and possess as a wife or concubine, to have dominion over." One of the terms for Baal is Baal-Berith, the lord of the covenant. When our bloodlines entered into a covenant with Baal or any other fallen son of God, your family literally became their possession or wife. This would be a counterfeit marriage similar to the marriage of Israel to Jehovah. So, you need to divorce these entities of darkness to break the legal hold of marriage to the fallen sons of God.

In my opinion, there is an unholy trinity that is the complete opposite of the Holy Trinity in Heaven. The three fallen sons of God in this unholy trinity are Baal (Lucifer), the Queen of Heaven and Leviathan. Each is a supreme ruler in the hierarchy of darkness with an army of darkness obeying their commands. Each member of the Holy Trinity is a complete opposite of his counterpart in darkness.

First, consider Father God's love of mankind in contrast to Baal's vicious hatred of mankind. The fruit of Baal can be clearly seen in the authoritarian rule of communism and fascism with oppression, enslavement, and bloodshed. Whenever you see nations that have a history of extraordinary bloodshed and terror, Baal is ruling the people. Clear examples are Germany's Holocaust, Armenia's Holocaust, the Soviet Union's Gulags, Rwanda's tribal slaughter, Cambodia's Killing Fields, Syria's horrific execution of Christians and other ethnic groups, and the incredible destruction of lives through abortions throughout the world.

The Holy Spirit is the antithesis of the Queen of Heaven who requires a perversion of everything pure and holy. Wherever the Queen of Heaven reigns, you will see rampant sexual perversion, homosexuality, adultery, incest, and witchcraft. The Holy Spirit opens the way to hear the Father's voice with

clarity and truth. In contrast, the Queen of Heaven opens the way into the realms of the Kingdom of Darkness and the voice of hell.

Finally, Jesus Christ is the opposite of Leviathan. Jesus is the Word of God, absolute truth, and the Tree of Life. Leviathan is the twister of all truth, which is evident in the enlightened philosophies of man, the media, and secular universities. This entity is the master of the Tree of the Knowledge of Good and Evil and tempts people to eat of its deadly fruit. Throughout the tribes, tongues, and nations of the world, you will find the unholy trinity in operation under many different names. The consequence of their rulership is clearly seen in the darkness and oppression of the people. That is why you divorce each of these entities in the Divorce Decrees document.

The purpose of these prayers is to nullify any claims of ownership so that you can walk unhindered by demonic bondages. After repenting for the profane worship and the renunciation of the family dedications to darkness, you will be ready to enact the Divorce Decrees for the Bloodline, Order of Assistance, and Betrothal to the Lamb of God. These are foundational documents that establish a legal divorce by severing the covenants of darkness in the Courts of Heaven. It is important to call upon angelic assistance based on the Order of Assistance when you know the enemy is assaulting your family. By dealing with the profane worship, you are laying a firm foundation on the Rock so you can stand in the midst of the storms.

These legal documents were the missing elements in our generational work in the desert. To begin the legal process, you go to the Courts of Heaven to petition for Divorce Decrees from Baal, the 'god of a thousand faces,' Queen of Heaven, Leviathan, and a myriad of other powers and principalities that ruled over the land where your tribes lived. It is my recommendation that you have one person to act as your advocate proclaiming the decrees while you stand in agreement with the points. While writing this book, I wrestled with the inclusion of multiple entities in the Divorce Decree from Baal (the HAPN.us version). How could we have multiple marriages (covenants) to numerous fallen sons of God? I began to look into the depths of the generations and realized that our bloodlines originated from many regions. Our bloodlines worshiped the gods in each region making covenants through blood sacrifice, offerings, and family dedication. Multiple covenants require multiple divorces. To simplify the process, many different entities have been included in this legal

document.

The request to be divorced from the Astrological Kingdom of Darkness is to sever any connection in your bloodline to astrological prophecies, control, or ownership by these fallen sons of God operating in the stars. Egypt, Africa, Mesopotamia, South American, Indo-European, Roman, Greek, Aztec, Mayan, Pre-Islamic Arabia, Buddhism, Chinese, Baltic, Celtic, Hindu, and Indonesian are just some of the cultures that have sun, moon, and star worship in their earliest history. Two examples are the Konark Sun Temple in the Indian state of Odisha that is dedicated to sun worship and the Aztec monuments in Central America, structures aligned to the movement of the sun. Festivals, hymns, and mythology throughout the world support the worship of the heavenly realms of sun, moon, and stars. The movement of the sun at the solstices and the equinoxes in the spring and the fall are still celebrated as sacred by the cults of darkness.

The trading floors with darkness reflect the different kinds of covenants or trades made by your bloodlines with the fallen sons of God. For example, “I will give you my seed if you will give me power.” This is a war between the seed of the woman and the seed of the serpent. You do not want the trading floors of the past to control your future. Christian believers have suffered because of their bloodlines’ dedications to Freemasonry and other idols of darkness. Most people are ignorant of the power and authority that their bloodlines’ profane worship has on the current generation. I have known several individuals who suffered complete mental breakdowns after receiving Christ. Their bloodlines’ covenants with darkness released curses on future generations if they did not remain faithful to these covenants with darkness. By renouncing these oaths and breaking the curses of Freemasonry, they experienced the restoration of a sound mind. Ezekiel 28 describes the trading floor of Tyre where Lucifer profaned the sanctuaries through his unrighteous trade.

You know the three temptations of Jesus Christ in the wilderness. The third temptation is an example of a trading floor with darkness. Again the devil took him to a very high mountain and showed him all the kingdoms of this world and their glory. And he said to him, “All these I will give you if you will fall down and worship me.” Then Jesus said to him, “Be gone Satan! For it is written, You shall worship the Lord your God and only Him shall you serve.” Matthew

4:8-10 (ESV) When Satan offered Jesus the kingdoms of this world and all their glory, he refused to be unfaithful to the Father. The fallen sons of God continue to offer men riches, power, and dominion for worship. Jesus Christ won our victory over the trading floor of darkness when he refused to bow down and worship Satan.

The divorce from the Nephilim refers to any pollution of your DNA by the fallen sons of God mating with the daughters of men, their offspring being Nephilim (Genesis 6). We know that the giants continued to be present after the flood. A striking example is in the reports of the ten spies to the Israelites in Numbers 13:32b-33 (AMP) which states, “The Land through which we went to spy it out is a land that devours its inhabitants. And all the people that we saw in it are men of great stature. There we saw the Nephilim (or giants), the sons of Anak, who come from the giants, and we were in our own sight as grasshoppers, and so we were in their sight.” The Israelites were terrified of the seed of the Nephilim. All of Jehovah’s great and wondrous works in Egypt and the wilderness seemed insignificant in the face of these giants. Jehovah told them to utterly destroy all the tribes in the land and not pollute their DNA through inter-marriage. Despite the warning, the Israelites took wives from the polluted tribes in the land and began to make covenants with the fallen sons of God ruling over that tribe. So you ask for a divorce (to be utterly separated and removed from) of any pollution of your DNA by the Nephilim.

The divorce from the Tree of Knowledge of Good and Evil cleanses your DNA from the occult based knowledge, wisdom, and understanding obtained by your bloodlines on the trading floors of hell. The influence of the Tree of the Knowledge of Good and Evil can be seen in stubbornness, self-righteousness, and stiff-necked dedication to the religions of this world founded by the fallen sons of God. The western world has embraced the philosophies of men rather than the Word of God. Christianity has been judged as archaic and bigoted.

## CONFESSION OF PROFANE WORSHIP

## PRAYER

I come to the Throne of Almighty God to present my case as a representative of my father's and mother's families (*full names*), for of all the living in my bloodline, and all future generations. I stand humbly before the Just Judge of the Universe, the Ancient of Days for the redemption of the living and future members of my bloodline. I do this based on the eternal sacrifice of the Lamb of God, the High Priest of Heaven according to the Order of Melchizedek.

I acknowledge that the eternal sacrifice of Jesus Christ is the highest and most holy offering on the mercy seat of Heaven, the holy altar of God. The Precious Blood of the Lamb continually cries out mercy, forgiveness, and redemption on behalf of all men. His sacrifice is above every profane sacrifice ever committed on the earth by man. There is none higher. There is none more powerful. There is nothing that can stand above or withstand the perfection of His finished work.

I come before the Court of Heaven and the Just Judge of the Universe, the great cloud of witnesses, the angelic host, and the Accuser of the Brethren to confess and renounce the profane worship of my family from the beginning of time to the present. I confess that my forefathers were deceived through ignorance, fear and desperation into worshipping the principality[13] of Baal, the Queen of Heaven, and Leviathan, however, named, the fallen Sons of God of their tribes, and the Astrological Kingdom of Darkness. My forefathers worshiped these fallen sons of God because of false promises of fertility, protection, wealth, and power.

I renounce all idol worship, family idols, familiar spirits[14], ungodly blood covenants, and trading floor agreements with dedications sealed with blood sacrifices. I renounce all vows of service to the fallen sons of God. I renounce every oath of servitude to secret organizations dedicated to the preservation of the secret knowledge of darkness. (Knights Templar, Freemasonry, Illuminati, Rosicrucian, Ku Klux Klan in the western world, the Nine Unknown Men of Ashoka, Triad Tongs in China, and any other secret order to whom my family swore allegiance).

I acknowledge my sin and my bloodlines' iniquity and guilt before the Court of Heaven that my forefathers worshiped the fallen sons of Gods

rather than the Creator. Through these rituals, we became the bondservants of the powers of darkness that ruled over the region where we lived (*name the nations that are a part of your bloodline*).

I confess that my forefather has participated in human and animal sacrifices to the fallen sons of God. We passed our children through the fire and offered blood because of our fear of the wrath of the fallen sons of God. We participated in every vile form of degrading worship using mind-altering alcohol, potions, drugs, incense, dance, and music to enter the spirit realm. In this altered state, we defiled ourselves with demons through temple prostitution and sexual orgies. I confess that my forefathers offered their virginal youth to cultic prostitution. I confess that we have continued to sacrifice our children to these fallen sons of God through abortion, incest, sexual immorality and abandonment. We are guilty! O Father, the blood of the innocent still calls out for justice from the earth. Remember mercy in the midst of judgment.

O Most Holy God, such worship never entered into Your mind because You are all holy, just, and full of loving compassion. By such worship, my bloodlines participated in the worship of Lucifer. O Father, forgive my bloodlines for You alone are worthy of all worship!

Father, since the creation of the world, Your invisible attributes, Your eternal power, and Your divine nature have been clearly seen and understood through creation. So we were without excuse. Even though my bloodlines knew You – God, we did not honor You as God or give You thanks. We exchanged the truth of the Eternal God, Creator of the Universe, for a lie and worshiped the creation rather than the Creator. For this reason, You gave us over to degrading passions and a depraved mind. Father, we are without excuse, for You placed Your law within our hearts.

Our profane worship is an abomination to You, Almighty God, Creator of the Universe. Before Heaven and Earth, on behalf of my family, I acknowledge our iniquities and the terrible consequences of death and destruction brought on by our futile worship. Being vain in our thinking, we worshiped the celestial bodies (sun, moon, and stars), the image of a corruptible man, birds of the air, animals, creatures of the

deep, and the crawling creatures of the earth. We have bowed before these idols made by human hands and cried out, "Save us!" There is only one Savior, Jesus Christ. Forgive us for creating idols out of men and women in our society.

As a result, You turned us over to immorality and every form of impurity because of the lusts of our hearts (Romans 1:20-26). Like our father, the devil, we found ourselves consumed with lusts that degraded and destroyed my family and me. (*List the lusts that have overwhelmed your family.*) When we did try to serve You, we found that we had a double heart. The heart of lust would rise up and overwhelm our desire to love and obey You.

I confess that my bloodlines and I have practiced divination, using signs and omens because we wanted to know the future. We have continued to want to know the future that You have hidden from our eyes by seeking out fortunetellers, palm readers, psychics, Tarot cards, tea leaves, Ouija boards, crystal balls and through an inordinate lust after the prophetic word. As a result, false prophets have tickled our ears and distorted our destiny. My bloodlines and I were observers of the times, as we looked to astrology to determine our lives. Forgive my bloodlines for destroying the destiny of their seed by believing the prophecies of the Astrological Kingdom of Darkness. Forgive us for every time we came into agreement with an astrological chart or identified ourselves by an astrological sign.

I confess that my bloodlines and I have sinned by practicing enchantment in an attempt to control the world around us by casting evil spells and curses on others. I confess that my bloodlines, by fasting and meditation, engaged with spirit guides who directed their actions and gave them abilities beyond the natural. Forgive us every time we entered into witchcraft when we tried to control the will of another through spiritual, emotional and intellectual manipulation, flattery, and beguiling.

I confess that my ancestor and I have sinned by consulting magicians, enlightened masters, witches, charmers, sorcerers, familiar spirits, angels of light, and even the spirits of the dead. We have participated in séances. We have sought out knowing ones for the power they could give us rather

than seeking You, the source of all. We have participated in all the practices of the heathens who rejected You. We are guilty! Forgive us of this defilement of our body, soul, and spirit and cleanse us by the blood of Jesus Christ. Purify us and make us holy through the cleansing power of the Blood.

## DISSOLVING THE COVENANTS OF HELL

### — P R A Y E R —

By an act of my will and by the words of my mouth, I renounce all dedications, ungodly blood sacrifices, ungodly trading floor agreements, blood oaths, and vows of bond-service and allegiance to the fallen sons of God made by my bloodlines. I do this by the power of the cross and the sacrificial blood of Jesus Christ. I do this on behalf of the members of my family and all future generations. I declare that Jesus Christ is the perfect Lamb of God. Jesus Christ is the perfect sacrificial offering for the sins and iniquities of mankind. God made us alive together with Him, having forgiven all of our trespasses. Jesus Christ has utterly nullified and obliterated all the records of debt, legal contracts, demands for service, and covenants of death made by my bloodline (Colossians 2:14) by nailing them to the cross. I proclaim that these covenants are erased from the books of hell. Through faith in Jesus Christ, my name is written in the Lamb's Book of Life! Hallelujah!

I renounce all claims of ownership, possession, and enslavement by any fallen sons of God that my forefathers worshiped. All covenants with death are dissolved through the blood of Jesus Christ! I stand before the Just Judge of the Universe appealing for complete redemption. I decree that I am free to be full partakers of the covenant of life through the cross. I decree that my family can now choose to follow Jesus Christ.

I forgive my bloodlines for dedicating their seed to the fallen sons of God. I forgive them for the oppression, depression, hopelessness, torment, death, suicide, and destruction. I forgive my bloodlines for making profane covenants and releasing curses of darkness on their seed for they did not know what they were doing.

Release everyone in my bloodline from the prisons of darkness that hold them in captivity.

I appropriate the fullness of my redemption at the cross and declare

that Jesus Christ has eternally nullified all covenants and ungodly trading floor agreements by my forefathers with darkness. By the blood of Jesus Christ, I have been reconciled back to the Father and have been translated out of the control and dominion of the Kingdom of Darkness into the Kingdom of Son of Love (Colossians 1:13). You have paid my ransom, and I am free! You are my refuge, my stronghold, and my keeper. I am no longer a child of darkness, but a child of the light (Ephesians 5:8).

## RENOUNCING THE ANOINTINGS OF DARKNESS

When the generations in a family have been involved in shamanism[15] or black magic, the familiar spirit upon that family will anoint an unsuspecting, but a susceptible member of the current generation. This person uses the dark powers of mind control, manipulation, and cursing. The person relies upon the anointings of darkness, unaware of the source of his power. We must recognize that our actions, words, and attitudes must reflect the grace and mercy of our Savior. We must forgive and bless our enemies. We must be aware of any action or words that are in direct opposition to the ways of righteousness.

### ————— P R A Y E R —————

Father, I recognize that I have been polluted by the sorcery and shamanism of my forefathers. I desire to be totally cleansed for Your glory. My bloodlines did not enter by the Sheep Gate into the heavenly realms but through trading floor agreements with the fallen sons of God. I renounce all demonically empowered anointings that have deceived others, the Body of Christ and even myself as I controlled my world—family, friends, church, or workplace. I renounce the use of demonic powers to control and curse others through words and prophetic actions. Father, I refuse to rely on any familiar spirit, or animal spirit[16] to operate in the spirit realm. Remove these familiar spirits, gifts, and powers that the Body of Christ has failed to accurately discern.

I confess that I have delighted in my power and have been full of spiritual pride in my anointing, authority, and power in the spirit. I had walked in a cold fury when anyone discerned or exposed the source of my anointing. Forgive my denials and accusations of others. Forgive me for sowing lies and discord among the brethren to cover my ways. Father, forgive my pride in the anointing on my demonically empowered prayers. Father, forgive me for every way that I used this demonic influence to make a way where there was no way. Close every door that I opened

through this demonic power. Cleanse my prayers and cast down the wicked imaginations of my heart that have given me license to judge and curse my enemies and perceived enemies. Cover with the blood of Jesus all ungodly incantations, fetishes, prayers, curses, and prophetic actions released by my bloodlines and myself. I ask that the hordes of hell loosed by our words and actions cease and desist in their assignment. Free those whom I have cursed from the forces loosed against their lives, families, and ministries. Father, forgive me for cursing others rather than blessing them with Your Word.

Create in me a clean heart and restore a right spirit within me. Sever any cords that hold me captive to these forces. Cleanse my body, soul, and spirit! Dismantle the ways of darkness! Keep me from the temptation of being an instrument of unrighteousness in the hands of evil. Release Your great grace so that I can walk in humility and peace with You and others.

Father, humbly I receive the gifts that You have planned for my life. I recognize that You know exactly what I need to walk as an overcomer and as a servant in Your Kingdom.

## NULLIFYING THE PROPHECIES OF DARKNESS

Over the centuries, your family was under the curse of demonic proclamations of death and destruction. These proclamations had been released by the priests of darkness, enemies in war, tribal leaders, and even bloodlines. One example is the curse of destruction and wandering released by Buddhist priests in Vietnam against the United States military. Our men committed atrocities, and the curse had cause. Entire generations of men have suffered the fruit of these curses wandering without peace or family. Some time ago, I worked with a young man whose father was a soldier in Vietnam. Even though his father never raised him, he was struggling with an inability to complete anything, wandering from one job and college degree to another. After diligent work on generational issues, this man was able to find satisfying work.

### ————— P R A Y E R —————

Father, I thank You for Your precious promises over my life. I stand in agreement with You. In the authority and the power of the name of Jesus Christ, I repent for every action and word by my bloodlines and myself that gave the enemy ground to take us captive. I declare that all demonic prophecies, incantations, fetishes, divinations of darkness, and prophetic actions against my bloodlines are nullified by the blood of Jesus Christ. Every word and action fall as dust to the earth without the power to fulfill its purpose. There is no word that can stand against the Word of God. By accepting Jesus Christ as my Savior and through repentance for the profane worship of my bloodlines, the enemy has lost his legal right to my body, soul, and spirit. All entities of darkness assigned to fulfill these words and actions are commanded to cease and desist. My destiny, will, and purpose in the Kingdom of God are loosed!

*(Speak aloud the prophetic words that have been spoken over your life. Continue to praise the Lord for the fulfillment of His words and*

*precious promises.)*

## **DECREES OF DIVORCE**

This matter comes on (*date*) \_\_\_\_\_ for hearing before the Supreme Judge of the Mercy Court in the Kingdom of God on the petition of the above listed Bloodlines seeking Decrees of Divorce from the Demonic Entities in this divorce.

The Court finds the Bloodlines' assertions are fully established:

- These covenants of marriage were entered into by the Bloodlines based on lies and deceit by the Demonic Entities.
- The Bloodlines relied on the false promises and enticements for gain presented by the Demonic Entities which the Demonic Entities had neither the intention nor ability to deliver.
- The Bloodlines renounce any and all right, claim or interest in any possession jointly acquired with the Demonic Entities during these covenants of marriage.
- The Bloodlines relinquish any and all joint claims with the Demonic Entities, and request this court to sever all relationships with the Demonic Entities of any nature, however, and whenever such occurred.
- The Bloodlines are entitled to have the sole right, claim, and interest, in and to all the gifts, possessions, and inheritance from the Bloodlines' Father.
- The Demonic Entities are now and forever banned from the title, control, or use of any such gifts, possessions or inheritance.
- The Demonic Entities are purged from the body, soul, and spirit of the Bloodlines, which had been contaminated by these covenants of marriage. All corruption of the DNA from these covenants of marriage are removed—replaced with the perfection of the Father's original plan. All resulting captivity, oppression, curse, depression, mental illness, disease,

and birth defects are reversed to the original plan of creation. The Bloodlines are now able to be children of Father God.

- The Bloodlines seek enforcement by this Court of the Bloodlines' desire to be known by no other name than that given by the Bloodlines' Father.
- The Bloodlines also seek an everlasting restraining order against the Demonic Entities to keep the Defendant away from all persons or property belonging to the Bloodlines.

### **THE JUDGMENT**

**WHEREFORE**, this Court being fully advised in the evidence does find for the Bloodlines and against the Demonic Entities in all matters material to the Bloodlines' Petitions of Divorce, and does by these decrees grant the Bloodlines a Divorce from every entity listed and grants all requests set forth above. That being the Order of this Court, from and after this date \_\_\_\_\_, so shall it be.

THE SUPREME JUDGE

## BLOODLINES' DECREE

Through the finding of the Court for the Bloodlines of \_\_\_\_\_, I now make the following decree for my bloodline and all future generations.

I decree that:

1. We no longer have any ties with Baal. We are for the next generation. We will pray and support the next generation to see God's covenantal purposes fulfilled.
2. We no longer have any ties with Baal-Berith. We are free to choose to be in an everlasting covenant with Jehovah.
3. We no longer have any ties with Baal-Hamon. We are tithers and givers and therefore we are rightful heirs to the great transfer of wealth to the church.
4. We no longer have any ties with the Queen of Heaven. We reclaim our sexual innocence and purity and reject every form of sexual perversion and sexual immorality.
5. We no longer have any ties with the Queen of Heaven through any form of witchcraft and the occult. We are now free to hear, obey, and follow the Holy Spirit of God.
6. We no longer have any ties with Leviathan and the Tree of the Knowledge of Good and Evil. We surrender our lives to Jesus Christ. We partake of the Tree of Life. We proclaim that our righteousness is in Christ Jesus. We walk in the light of the Word of God.

## DESTRUCTION OF THE INHERITANCE OF DARKNESS

There is a physical and spiritual inheritance from our bloodlines. Ask the Lord to show you any markings, garments, jewelry, chains, weapons, or false armor that you have inherited. The Holy Spirit may give you a vision or an impression as you pray. Be active in going through the prophetic action of stripping off and destroying the enemy's inheritance.

### ————— P R A Y E R —————

Father, I am requesting the destruction of everything inherited from darkness and received through my own choices. I willingly comply with the terms of the Decrees of Divorce. I ask that the blood of Jesus Christ erase every seal, tattoo, branding, and marking that the enemy has placed upon my bloodlines. I strip off all garments, rags, jewelry (rings, crowns, scepters) cloaks of cursing and mantles of demonic power and authority from my spirit, soul, and body. I remove all false armor and weapons of darkness. I ask that the power of Jesus Christ shatter every shackle of the strongmen, chain of bondage and yoke of iniquities. Father, consume with fire all the inheritance of darkness that I have unknowingly been wearing and using. Throw the ashes into the abyss never to be restored. Father, make me aware of any objects of darkness in my home. I am determined to cleanse my home and make it a sanctuary of peace.

I declare that I am sealed with the Holy Spirit, clothed with the garment of salvation, the robes of righteousness, and the mantle of praise. I have put on the full armor of God, which You have given to me. I am able to stand successfully against all the deceits of the enemy.

*(Seek the Lord for assistance in taking back what the enemy has stolen from you due to generational dedication to darkness. Sometimes the Lord might give you a vision of what the enemy is holding in a trophy display case. With an angelic escort, go into the trophy room of*

*hell[18] and take back every gifting, mantle and book of destiny that is legally yours and had been traded by your bloodlines for giftings, mantles and the destiny of darkness.)*

COURT ORDER FOR ASSISTANCE TO THE BLOODLINES [\[19\]](#)

MERCY COURT OF HEAVEN

Surnames in Bloodlines:

---

**Plaintiffs** (hereafter referred to as Bloodlines,

vs.

The Principality of Baal, et al.;

The Principality of Queen of Heaven, et al.;

The Principality of Leviathan, et al.;

The fallen sons of God ruling the tribes in the bloodlines;

The Celestial Astrological Kingdoms of Darkness: sun, moon; the Twelve Houses in the heavenly realm, and any other celestial entities known or unknown;

Covenants made on the Trading Floors of Darkness;

The principalities, powers, world rulers, spiritual hosts of wickedness, and any spiritual entities known or unknown;

Nephilim pollution of the bloodlines;

All wisdom, understanding, and knowledge attained by the bloodlines from the Tree of Knowledge of Good and Evil,

**Defendants** (hereafter referred to as Demonic Entities).

This matter comes before this Court seeking enforcement of its prior decrees of divorce in favor of the Bloodlines.

The Bloodlines seek to employ an ancient order used to assist the subjects of the king in fulfilling the duties of their king. In more recent time, it is “a

mandatory injunction” to bring about a change in the possession of real estate—it removes the current occupant and gives possession to the one ruled entitled to it by the Court.” (63 P2d 756,759)

The Order of Assistance is a ruling issued by the Mercy Court to transfer the possession of lands, title or possession to which the Court has previously ruled. It is a means of enforcing its decree. (110 P2d 554,556)

Accordingly, the Court finds:

1. The Bloodlines have sought and obtained from the Court Decrees of Divorce. The Bloodlines were found to be entitled to sole right, claim, and interest, in and to all gifts, possessions, and inheritance from the Bloodlines’ Father. The Demonic Entities were forever banned from the title, control or use of such gifts, possessions or inheritance (Psalm 24:1, Psalm 115:16).
2. The Bloodlines have committed and do continue to affirm their commitment, to avoid any contact or participation with the Demonic Entities listed above or with any entity in their vast network. The Bloodlines commit to being trustworthy in the use of the gifts, possessions, and inheritance to which they are legally entitled.
3. The Bloodlines are entitled to the blessings of Abraham, (Galatians 3:13-14) and are entrusted with those blessings to be a blessing in the earth (Genesis 12:2-3). This Court holds that the blessings of the Bloodlines’ Father are to make the Bloodlines truly rich, and He intends no sorrow or toiling to be added to it (Proverbs 10:22). Additionally, this Court finds the wealth accumulated by those following the Demonic Entities’ practices lawfully belong to the Bloodlines remaining in right standing with this Court (Proverbs 13:22, 1 John 3:8).

In addition to this Court’s Decrees of Divorce entered on *(date)* \_\_\_\_\_ against the Demonic Entities in favor of the Bloodlines, this Court finds that previous proclamations of this Court support the issuance of this Order of Assistance, including the following:

- The thief must repay sevenfold, and must give all the substance of his house (Proverbs 6:30-31). He must restore seven times what he has taken.

- The wicked man, though he piles up silver and has plentiful garments, the just will wear them and the innocent will divide the silver (See Job 27:13-17).
- The Bloodlines' inheritance is from the Father who purposed that only His House be filled with splendor because the silver is His, and the gold is His. It is to His House that He grants peace and prosperity (See Haggai 2:7-9).
- It is the will of the Father that the Bloodlines alone receive the "treasures of darkness and the hidden wealth of secret places" (Isaiah 45:2-3).

While the Demonic Entities claim as their own vast possessions, this Court has ruled, and does here again rule that "He who by charging excessive interest and who by unjust efforts gets gain and increases his material possessions gathers it for those who are kind and generous to the poor," the Bloodlines here (Proverbs 28:8). While the Demonic Entities have gathered it, this Court rules, "they must give it" to the Bloodlines who are "good in God's sight" (Ecclesiastes 2:26).

The Highest Court having fully considered the Bloodlines' plea for an Order of Assistance to enforce its prior rulings and proclamations and finding this request timely made, does this day issue this Order of Assistance on behalf of the Bloodlines:

- Giving the Bloodlines this day power to gain wealth to confirm this Court's covenant with their fathers (Deuteronomy 8:18).
- Ordering that all those empowered by this Court to enforce its rulings and proclamations immediately.
- Granting full assistance in the transfer of all wealth, possessions, properties, and gifts belonging to the Bloodlines.
- Employing the power and might of this Highest Court to perform this Word.
- Calling into obedience all enforcement authorities (angel armies) to continue in this transfer until it is fully completed and the Bloodlines are in unchallenged possession (Psalm 103:19-21).

This Order extends to all extensions and manifestations of the Kingdom of

Darkness, however, named or designated, known or hidden, and however related to the Prince of Demons (Matthew 12:24).

It is the unlimited authorization of this Order to bind every strongman operating against the Bloodlines:

- To take possession of every house of captivity over which the Kingdom of Darkness has ruled.
- To authorize the enforcement authorities to remove all property belonging to the Bloodlines in the possession of the Kingdom of Darkness,
- To plunder the strongman's house (Matthew 12:29).

Therefore on *(date)* \_\_\_\_\_, let the Order be issued and from this ruling there shall be no appeal.

THE SUPREME JUDGE

### RULING OF THE JUST JUDGE FOR YOUR BLOODLINES

*(Have a leader proclaim this over your life.)*

### ————— P R O C L A M A T I O N —————

The Just Judge of the Universe releases this verdict on your behalf. The fallen sons of God are absolutely forbidden to hold you or your bloodlines. The blood of Jesus Christ has nullified all legal binding covenants with darkness and grants the complete deliverance of your bloodlines from the control of darkness. What has been forbidden in Heaven is forbidden on the earth. These contracts are legally dissolved. Your bloodlines' covenants with darkness have been erased without a trace from the books of hell by the blood of Jesus Christ. Your name (say full name) is written in the Lamb's Book of Life because you have chosen to be in a covenant relationship with Almighty God through the Blood of the Lamb.

I declare that you and your bloodlines are loosed from the enemy's

control. The enemy is forbidden to attack the weak to regain their lost possession and inheritance. You are God's possession. You are Jesus Christ's inheritance. Your household will be saved! All covenants with death are nullified! The Just Judge decrees that all the legal rights of demonic powers to hinder your bloodlines' spiritual growth in the Lord are nullified. They are forbidden to harass your bloodlines through torment and fear. They are forbidden to pursue the members of your bloodlines for the purpose of regaining possession. Their power over your bloodlines was stripped when Jesus Christ made His triumphant public display over them at Calvary and through His glorious resurrection in the power of the life of God.

# SILENCING GENERATIONAL ACCUSATIONS

## UNDERSTANDING INIQUITY AND CURSE

Most Christians do not understand the power of iniquity in their lives. They consider iniquity and sin to be the same. The difference is that sin means to miss the mark. When you sin, your conscience is pricked. According to Isaiah 53:5a, *Jesus was pierced for our transgressions (sins); He was bruised/crushed for our iniquities.* Iniquity (*avon*) is defined in Strong's Concordance as perversity, depravity, sin and moral evil. In Gesenius's Hebrew-Chaldee Lexicon, iniquity is described as a crime or depraved action punished by the judges or by the sword. There is often guilt bound to the moral evil as in 'the guilt of the fathers' or 'the guilt of my sin. Sometimes it is described as the penalty of sin or suffering the punishment for the sin. As you can see, it is very different from missing the mark – sin.

The word *avon* is first used in Genesis 4:10-13 (AMP) *And the Lord said, What have you done? The voice of your brother's blood is crying to Me from the ground. And now you are cursed by reason of the earth, which has opened its mouth to receive your brother's [shed] blood from your hand. When you till the ground, it shall no longer yield to you its strength; you shall be a fugitive and a vagabond on the earth [in perpetual exile, a degraded outcast]. Then Cain said to the Lord, "My punishment, (avon), is more than I can bear. Behold you have driven me out this day from the face of the land, and from Your face I will be hidden, and I will be a fugitive and a vagabond and a wanderer on the earth, and whoever finds me will kill me". And the Lord said to him, "Therefore if anyone kills Cain, vengeance shall be taken on him sevenfold."*

There are three important points to notice in this scripture.

Cain did not seek the forgiveness from the Lord for defiling the earth with the innocent blood of his brother Abel.

The Lord releases the second curse on the earth and Cain for the first depraved act, murdering his brother. There was a twofold curse: against the fruitfulness of the fields and on Cain himself as a wanderer on the earth.

There is a sevenfold multiplication of the punishment or curse on anyone who murders Cain.

When you examine the lineage of Cain, you will notice the boasting of Lamech in Genesis 4:22-24. Lamech said to his wives, Adah and Zillah, *“Hear my voice; you wives of Lamech, Listen to what I say; for I have slain a man for wounding me and a young man for bruising me. If Cain is avenged sevenfold, truly Lamech will be avenged seventy-seven fold”*. The punishment for murdering Lamech is described as a seventy-sevenfold vengeance or curse. Just as sin abounds, curse now abounds in the earth. Murder is commonplace and has become an iniquitous pattern in Cain’s bloodline. When there is no repentance, there can be no forgiveness of sin. By the time of Noah, the earth is filled with violence.

Proverb 26:2 (NASB) says that *as the sparrow in her wandering, as the swallow in her flying, So the curse that without cause does not alight*. The problem is that the iniquity in your bloodline has given the curse grounds to bring destruction to your life. A good example of breaking the curse is described in the story of Elisha in 2 Kings 2:19-21. *Now the men of the city, Jericho asked Elisha to heal the bad water and the unfruitful land. He threw salt in the spring of water. He said, “ I have purified these waters. There shall not be from there death or unfruitfulness any longer.”*

To understand the curse of death especially against the young that was on Jericho, you must look at Joshua 6:26. *Joshua laid an oath at that time, saying, “Cursed before the Lord is the man who rises up and builds this city Jericho with the loss of his firstborn he shall lay its foundation, and with the loss of his youngest he shall set the gates.”* This was fulfilled in 1 Kings 16:34 (ESV). *In his days Hiel of Bethel built Jericho. He laid the foundation at the cost of Abiram his firstborn and set the gates at the cost of his youngest son, Segub according to the word of the Lord, which He spoke by Joshua, the son of Nun.* Yet 600 years later, the people of Jericho were still struggling with death and unfruitfulness. A curse continues until someone repents for the iniquity that has given the curse grounds for destruction. This can be a family, a city, a nation. As a son of God, you are able to go to court and change the future from curses to blessings.

Iniquitous family patterns are attitudes toward serious sins that are

considered normal and even applauded by those who participate in such acts. In one generation, the person experiences the conviction of sin. Without repentance and turning from this sin, the person develops a seared conscience, which leads to an iniquity. Jesus was pierced for our transgression, bruised for our iniquities. An iniquity changes the family's DNA. In the succeeding generations, this wicked behavior becomes the family's norm without any sense of wrongdoing.

In every family, there are patterns of sins, iniquity, and trauma that plague each generation. Usually, these iniquities are like cancer spiraling into an ever-deepening prison of destruction leaving no one unscathed. Some families have widespread divorce revealing that an important covenant had been broken. As a result, each generation suffers from betrayal and treachery further bruising heart of the family. This family is unable to keep covenant with God or man. Their heart is so bruised that they have difficulty receiving and giving love. This really affects their ability to receive the Father's love.

Another family has the iniquity of incest, which is the generational robbery of innocence through sexual abuse by family members and friends. The children of these families are marked for generations, suffering the loss of innocence, identity and trust.

Psalm 90:8 (AMP) states: *Our iniquities, our secret heart and its sins [which we would so like to conceal even from ourselves], You have set in the [revealing] light of Your countenance.* Be aware that you are blinded by iniquity and need the Holy Spirit to illuminate your darkness. Iniquity means you commit either the sin or suffering the consequences of the sin. For example, either you will be the thief or you will be robbed by others. In my family, there is a history of robbery. The family stories told of distant relatives being both the victim of a robbery and the thief. After dealing with this iniquity through repentance, the Lord told me that I was not to tolerate robbery in my life anymore. This took courage because I was afraid of standing up to those individuals that were robbing me through intimidation. They were powerful and wealthy.

## SCRIPTURAL PATTERN FOR FREEDOM FROM INIQUITY

Leviticus 26:40-42 (AMP) describes the Lord's pattern for deliverance from your iniquity and the iniquity of your bloodline. This important strategy follows thirty-eight (38) verses of curses on the families and the nation who forsake the Lord.

*But if they confess their own and their fathers' iniquity in their treachery which they committed against Me – and also because they walked contrary to me, I also walked contrary to them into the land of their enemies. If then their uncircumcised hearts are humbled and they then accept the punishment for their iniquity...then will I [earnestly] remember My covenant with Jacob, My covenant with Isaac, and My covenant with Abraham and [earnestly] remember the land.*

The pattern has several important points:

- Confess your own and your fathers' iniquity.
- Acknowledge that you walked away from the Lord and ended in the land of your enemy.
- Humble your heart.
- Accept the punishment or consequences for your iniquity. You cannot justify your iniquity or blame anyone else for the punishment that has been on your family. This takes grace to see that your family is responsible for the hardship that has happened to the family.
- Put the Lord in remembrance of your covenant with Him through the broken Body and blood of Jesus Christ.

The enemy knows every iniquity that is holding your destiny in bondage. This journey of deliverance begins, as you are willing to go higher for Heaven's perspective and deeper into the iniquitous generational patterns. Your identificational repentance for iniquity will set in motion deliverance for all those related to you by DNA. You can bring freedom to yourself and everyone in your bloodline that is being held captive.

One vision I received from a prophet concerned a large tree completely

flooded in light. As I went deeper into the roots of that tree, every person related by DNA was being affected by my prayers. The prophet said that I would teach in Ireland, and there would be people in the audience saved because of my identificational repentance. You do not need to know anything in the natural. The Spirit of the Lord can reveal what needs to be prayed through dreams, visions, and a quickening when you begin to pray.

After attending teachings on *Silencing the Accuser*, a man was astounded when he finally understood a dream he had as a new believer. In the dream, he was walking through his home. In each room, there were individuals involved in vile behavior. The Pope (a symbol for Christ) walked into his home filling his home with glory. When he received Jesus, he was instantly delivered from many addictions. As the years passed, he found himself trapped in those behaviors again. While listening to the teachings, he realized that he had never evicted the iniquity of his generations from his life. He testified about the freedom he was experiencing as he dealt with the iniquity in his bloodline. He was filled with hope as he saw that the Word of God was true. He would fulfill his destiny, and his family would walk in freedom.

So I encourage you to go through the rooms in the house of your family and uncover the iniquities, the accusations, which are hindering the restoration of your birthright as a son of God. Don't forget the basement and the attic! Remember that only unconfessed sin in the generations will allow the enemy to hold accusations against you and your seed. Allow the Holy Spirit to work the work in your life. This work cannot be done in the flesh but is a grace released by the Spirit of God. In the Court of Heaven, Jesus Christ, our Mediator is interceding and applying the Blood so that the Just Judge can declare that you are acquitted and justified.

We are so honored to have a covenant with Almighty God who has allowed His Son, Jesus Christ, to exchange His life for yours. All that He is belongs to you and all that you are goes to the depths of hell where He drank the cup of wrath on our behalf. Allow the love of the Father with His great fierce mercy and glory to fill you to the fullness of life! May the hope of your calling bring faith to your soul! *Now faith is the substance of things hoped for, the conviction of things not seen* (Hebrews 11:1 ESV).

## INIQUITY OF THE NATIONS

Not only families but also nations walk in iniquity. You can discover the iniquity of a nation by examining the common character weaknesses in the people. Why are bribery and lying common in certain nations? Why do certain nations consider their culture superior to other cultures? Why is adultery common in other nations? An example of an iniquitous structure is the prevalence of bribery in nations corrupting every aspect of business, government, and the judicial system. It is simply how that people do business. In that nation, the person who refuses to give bribes is seen as strange.

Psalm 26:9-10 *Do not take my life along with sinners. Nor my life with men of bloodshed, in whose hands is a wicked scheme, and whose right hand is full of bribes.* Notice bloodshed, wicked schemes, and bribes are all linked.

You need to understand that dealing with the iniquitous structures of a nation is an important part of the Great Commission. Jesus commissioned His church in Mark 16:19 (make disciples of all men) and in Matthew 28:19 (AMP) to disciple nations. *Therefore go and make disciples of all nations (teach them to follow the precepts and instructions of the Bible), baptizing them in the name of the Father, the Son, and the Holy Spirit.* This command to the Body of Christ is twofold: make disciples of individuals and nations. How can you disciple a nation unless you deal with the iniquity of that nation? How can you deal with that iniquity if you have that same iniquity hidden in your own heart? You must complete the deep work of repentance to destroy the structures of the flesh that bind you to this sin. Only then can you disciple the nation. You have no authority in any situation where the enemy has ground in your life. Remember you are a citizen of heaven and can be free of the iniquity of your family and the nation. You are to conduct your life as an ambassador of the Kingdom of God walking in righteousness.

In the United States, there is the cultural iniquity woven into the character of the people: self-sufficiency, independence, and pride. A consequence of this iniquitous structure is selfishness, loss of concern for others, loss of community and a disregard for God. These attitudes have infected the nation's character as the people choose a selfish and godless lifestyle. In Britain, there is arrogance and a sense of superiority over other cultures. These attitudes

stand in opposition to the Word of God that instructs a man to walk humbly before his God.

God Almighty has given gifts to nations, but the Kingdom of Darkness has corrupted these gifts, The DNA of the people in these nations has been corrupted. The enemy is able to destroy the destiny and purposes of God for that nation until leadership recognizes the iniquity, repents, and teaches the Body of Christ how to defeat this structure of the flesh. India has the gift of worship! Idol worship has perverted the destiny of the people. Instead of a nation blessed by Almighty God walking in destiny, it is a nation under the curse of poverty, corruption, and filth.

The nations that worship idols are held captive by the iniquity of profane generational worship. It impacts every aspect of their culture. Scripture tells us that idols are lying vanities, and a person becomes like what they worship. Jonah 2:8 (NASB) says that *those who regard vain idols forsake their own faithfulness*. Could this result in a national iniquity of lying – being unfaithful? Lying is a reflection of the character of the father of lies, not Jesus Christ, the way, the truth, and the life.

Consider Psalm 115: 4-7: *The idols of the nations are silver and gold, the work of men's hands. They have mouths, but they speak not. Eyes have they but they see not. They have ears, but they hear not; noses have they, but they smell not; they have hands, but they handle not; feet have they, but walk not; neither can they make a sound with their throat. Those who make idols are like them; so are all who trust and rely on them.*

One needs to consider carefully the impact on the people in a nation engaged in idol worship. Since the people become like their idols, they will not be able to speak, see, hear, smell, handles, walk or make a sound. How does idolatry affect the relationships in the nation, in government, in the courts, in business, in education, in the church, and in the family? The people have been robbed of their voice, the ability to see and hear the truth, the ability to smell the sweet fragrance of heaven, the ability to touch one another with loving hands and the ability to walk in righteousness.

Then consider what happens when a person brings an offering to an idol. It is a form of bribery. “I bring this offering in the hope that you will give me protection, wealth, healing, power, or favor. The reasons people give offerings

are endless. In reality, this is a form of bribery – a trading floor of darkness. Bribery is established as an iniquitous pattern in the culture. It is how business is accomplished.

When you use the prayers in this book, you can stand in identificational repentance for the iniquity and trauma of your nation. Remember you were given the command to disciple nations as well as individuals. The transformation of a nation begins with you as you dismantle the structures in your own life that continue to reflect the iniquity of your nation rather than the character of Jesus Christ. You are called to be conformed to the image of Christ. You must repent and reject every action, attitude, or mindset that stands in opposition to the nature of Christ. You are able to overcome because of the work of the cross.

## GENERATIONAL TRAUMA

When you look at the problems in your family, it is important to separate the fruit of the iniquity from generational trauma. For example, alcoholism and drug abuse may be the attempt of a family to forget a devastating trauma that the family suffered. The bruised heart of this family needs to be healed from the crippling trauma that changed the DNA. If you only repent for the alcoholism, you will never deal with the root issue usually connected to hatred of a generational enemy.

A good example of generational trauma is the Irish Potato Famine (1845-1852). According to Wikipedia.org, it was a period of mass starvation, disease, and emigration devastating Ireland. Blight devastated the potato crop for several years causing approximately one million deaths due to starvation and another million immigrated to the United States to survive. The British government was indifferent to the suffering of the people. As I was growing up, I never heard any prejudice against any group of people except the upper-class British accent. My mother could not tolerate that sound in her home.

If you are of Irish descent, you can begin the process of healing the generational trauma by forgiving the grievous sins of the British, repenting for all curses against them, and asking forgiveness for your root of bitterness. Your heartfelt repentance sets in motion healing for your family and this nation. Your prayers unite with the prayers of the great cloud of witnesses in heaven. Great grace is released to all those in Ireland and of Irish descent to believe in the goodness of the Lord, to be delivered from the captivity of hopelessness, and to walk in generational blessings.

Deep bruising or contusion causes a calcification (hardening) of the heart of the family, limiting your ability to love or receive love. Jesus was bruised for our iniquities. When a family suffers from the iniquities of abandonment, divorce, incest, rape, adultery, murder, there is an ever-increasing bruise on every family member related by blood and marriage through the generations. Consider the consequence of divorce: the husband and wife bruise each other, bruise their children, brothers and sisters, grandparents, aunts and uncles, cousins by the separation, shame, and pain of divorce. Relationships are severed, and the bruise flows into the next generation with an ever-increasing

number of families involved in the shame, pain, and broken covenant.

Consider the bruising caused by slavery in the African American community. Time has not healed this pain! There is a type of bruising that is so severe that it calcified becoming as hard as bone. As a result, the generational pain, anger, and frustration over injustice have hardened into hatred and violence. There is no remedy for these dear brothers and sisters except through their heartfelt repentance for generational hatred and cursing of their oppressors. Only the bruises of Jesus Christ on the cross can heal the heart of the people. Through identificational repentance, healing and restoration can begin through the exchange of generational bruising and anguish for His wholeness. Praise God that Jesus took your bruises on His body so you can walk in wholeness. You need to appropriate the healing of generational bruising through the Proclamation of Covenant. Place your bruises on Jesus' body for your family's and nation's healing and restoration!

This is a time to confess any atrocities of your tribe or nation against other groups in your history. It is important to study the history of the lands of your bloodlines. You are suffering the consequences of the tribal and national sins, iniquities, and curses of the regions where your family originated. By taking responsibility in prayer and confessing the besetting sins/iniquities of the nations in your ancestry, you are releasing grace to everyone related by DNA from that nation. At one restoration, a woman described the terror she felt when her husband was angry. She would fight back as if her life depended on defeating him. He was not a violent man, and it did not make sense in the natural. However, she was Irish, and he was Norwegian. In times past, the Vikings periodically invaded Ireland. While in prayer, she had a vision of an Irish village being destroyed by the Vikings. She repented for generational hatred of the Vikings and forgave them for murdering her family. Because light is given by the Holy Spirit, the war ceased between this husband and wife.

You can study the history of these nations. Watching historical movies will help you understand the iniquities of the countries of your origin. You also have to look at the iniquities of the region where you live. These curses can influence your family. In the United States, you have to consider how the curses of the slaves in the south have afflicted the women in that region. Also, how has Native American curses against the pioneer families and the land afflicted the region? Remember only a curse with a cause can hold a family, region, and

nation in captivity.

## LIST OF GENERATIONAL INIQUITIES

Consider iniquities as major crimes that would result in death according to the Laws of Moses in Leviticus. Highlight those iniquities that the Holy Spirit brings to your attention. Remember you do not have to have any knowledge of these events.

revenge, cursing others by thoughts, words, or actions, delighting in the destruction of another, purposeful lying to destroy another's life, human trafficking, slavery.

**Idolatry:** worshipping idols and expecting them to save you, stubbornly clinging to opinions and viewpoint, walking in self-sufficient independence; resisting man's and God's authority; withholding tithes and offerings; being lawless; coveting another's goods, life or spouse; idolizing works of one's hands, self, money, power, position, church/ denomination, intellect, career, accomplishments; hiding envy behind the cloak of insecurity and failure; needing the worship of others.

**Sexual Perversion:** resulting in bastard<sup>[21]</sup> children born outside the protection of marriage, being polluted by the leaven of the Herodian; participating in fornication, molestation, incest, orgies, masturbation, bestiality, homosexuality, lesbianism, gender confusion, pornography; using woman, children, and men as objects of lust, impurity, and lewdness in thoughts, words, and actions; using filthy language, participating in masochism, sadism, and wicked imaginations.

**Rebellion:** participating in witchcraft through the control and manipulation of another's will; being stubborn (another form of idolatry); emasculation of men through female domination, hating men, hating females, hating one's sexual role and function, rebelling against the natural law through homosexuality; abdicating responsibility of leadership, abandoning of the family by the father or mother; being above the law of God and the government, resisting and opposing authority, and encouraging others to oppose lawful authority.

## CONFESSION OF FAMILY SINS AND INIQUITIES

### PRAYER

Almighty God, by an act of my will, I take back the ground in my family that my forefathers turned over to darkness. We did not fear You. We did not enter into covenant with You. We did not walk in Your commandments. I ask that my prayers for my family be in agreement with the prayers of my bloodlines in the great cloud of witnesses. I know that *if I confess my sins, You are faithful and just to forgive me of my sins and cleanse me from all unrighteousness* (1 John 1:9). I come to confess my bloodlines' and my sins, iniquities, and treachery against God and man. Before the Just Judge of the Universe, I plead my case for the removal of the legal grounds, which Satan has used to hinder the fullness of my covenant with You. I confess the sins, iniquities, and treachery of my family now.

*(Using the list on previous pages, begin confessing those besetting sins, iniquities, and treacheries that the Lord has shown you about your family.)*

Father, I thank You for forgiving my forefathers' and my own sins and iniquities by the blood of Jesus Christ. I am so grateful that I can come with boldness to present my petitions before You. I am so grateful that Jesus ever lives to make intercession for me. Jesus became sin so that I

could become the righteousness of God in Christ Jesus. On the cross, He destroyed every barrier that separated me from You. He put to death all the defilement in my body, soul, and spirit that made me Your enemy. Now I am Your friend. I know that You hear me and that You are faithful and just to remove the legal barriers that have separated me from Your blessings.

Praise to the Father, the Son and the Holy Spirit who made a way for me to be a part of the family of God! I rejoice in the cross where Jesus Christ disarmed and utterly stripped the rulers and powers of darkness of their authority over my family. Jesus made a public display of them in a triumphant parade of His power and authority. Today I am putting the powers of darkness in remembrance of their humiliation. I have come to enforce the triumph of My Lord Jesus Christ (Colossians 2:15). On that day, I was delivered from the dominion of darkness and transferred into the kingdom of Your Beloved Son in whom I have redemption and the forgiveness of all of my sins by the Blood of the Lamb (Colossians 1:13). Even when I was dead in my transgressions and the uncircumcision of my flesh, You made me alive together with Jesus, Your Beloved Son, having forgiven all of my transgressions.

By this confession, I am no longer a stranger alienated from you, Father, but a fellow citizen with the saints. I am a son of the Most High God! I am in the Beloved. I am a living stone in the temple of God. Today, I appropriate the finished work of the cross! Father, it was Your good pleasure to make peace with me through the cross. I have been reconciled to You through Jesus Christ's death, that I might be presented holy and blameless and beyond reproach to You

## CLEANSING WICKED IMAGINATIONS OF THE HEART

In Genesis 4:6-7, the Lord God asked Cain why he was angry and warned him that sin was crouching at his door desiring to take him captive. The word for angry means to be incensed, to be kindled with fire, to fret. Cain's offering had been rejected by God. He allowed his thoughts to spiral into a murderous

rage against Abel because God accepted Abel's offering of the lamb. The more he fretted over the rejection, the angrier he became until his thoughts took form and he murdered Abel. In Psalm 37:8, we are warned *to fret not because it only leads to evil doings*. This is a perfect example of the danger of rehearsing an offense against another person.

In Genesis 8:21b (AMP), it states that *the imaginations of a man's heart (a thing that is framed in the mind; like pottery that takes a form) are evil from his youth (infancy, childhood)*. This seems to indicate that these evil imaginations are a part of our carnal nature. We know in Jeremiah 17:9 that the heart is described *as deceitful above all things, and desperately wicked: who can know it*. Why have we been so blinded to our own wicked imaginations? I am not talking about planning a murder but the vain imaginations that build structures in our thinking against another leading to the death of relationships. Could this be the cause of the broken covenants in marriage, friendships, and churches? In 2 Corinthians 10:5, we are told to *cast down all vain imaginations that exalt themselves against the knowledge of God, bringing into captivity every thought to the obedience of Christ*. Philippians 4:8 (ESV) gives us the antidote for our evil imaginations: *Finally, brethren, whatsoever is true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, and whatsoever things are of a good report. If there be any virtue and if there be any praise, think on these things*.

## ————— P R A Y E R —————

Father, I come before you this day and confess that my forefathers and I have sinned through the wicked imaginations of our heart. The heart is deceitful above all things. Because of rejection and woundedness, we fretted over the perceived offenses of others allowing dark thoughts to form a false image of the person. With self-righteous indignation, we justified our carnal discernment as truth. Through our wicked imaginations, we have been responsible for destroying marriages, children, brothers and sisters, friends, neighbors and the Body of Christ by our words and actions. We have allowed these wicked thoughts to

engulf us and poison others with our distorted images. From the time of Cain, we have fretted over the perceived favoritism and rejections of our brothers by allowing evil imaginations controlled by sin to murder them through words and actions.

I bring before You these wicked imaginations of my heart at the core of my carnal nature. I repent for my blindness to this stronghold of vanity, pride, and suspicion. I repent for not judging my thoughts but allowing wicked imaginations to fester against others.

*(List the names of those that you have allowed vain imaginations to destroy your relationship with.)*

I am asking to be delivered from the dominion of sin whose desire is to control my life.

I ask that You judge me under the covering of Your love in righteousness and truth. Father, I ask that You judge every vain imagination, every jealous, envious thought, and every carnal structure that I have created in my mind through the rehearsal of offenses. Please forgive me for every time I voiced my vain imaginations to another. I call the spirits of rejection, jealousy, envy, vain imaginations, pride, vanity, suspicion, competition, rivalry and the sin crouching at the gate of my life into the courtroom for judgment. I am requesting a divorce from these wicked entities defiling the imaginations of my heart.

I ask for a cleansing of my imaginations so that my thoughts are holy, pure and acceptable to the Lord. Scour the imaginations of my heart with fuller's soap and the refiner's fire. Remove the shackles of sin. May all damage inflicted on family, friends, co-workers and acquaintances be healed through forgiveness, truth and the healing balm of the Father's love! May forgiveness flow like a river! May generational structures of wicked imaginings in my DNA be dismantled and destroyed by the blood of Jesus Christ. May our hearts be open to embracing with love and honor all those I have molded into a false image.

May I truly be a new creation in Christ Jesus! Destroy the structures in my heart that keep me into isolation, separation, and rejection of others. Lord, please go to the very root of my woundedness to bring Your healing balm of love to this wounded child. May I be a faithful, loving

friend to everyone around me! May I think only on those things that are pure, holy, true, lovely, and of a good report. Lord, help me to recognize and defeat my enemy in the battleground of the mind with a simple question in every situation. What would love look like?

## CLEANSING THE GATES OF OUR BLOODLINES

Recently, I found myself divorcing the gates of my body from the iniquities of my bloodlines. I was surprised as I cleansed the gates by repentance, many generational iniquities were revealed. When I was finished, I was aware of a standing ovation from the Great Cloud of Witnesses in the Courts of Heaven. After I had completed the repentance, I went to the trophy room of hell to take back what the enemy had stolen from my bloodlines through the enemy's control of the gates. I was expecting to take back virtue. Instead, I found a colored light was associated with each gate. The eye gate was a blue light of purity and revelation. The ear gate was red for the blood of Jesus releasing mercy to others. The tongue gate was the orange fire of love. The heart gate was the golden light of the Father's heart. The hand gate was green for life. The foot gate was a laser light for the narrow way.

Gates in the Old Testament protected the city and were the meeting place for the elders who governed and judged righteously. Your gates protect your body, soul, and spirit. In these gates, you meet with the Spirit of God for instruction and revelation. If the gates are controlled by the enemy, it will affect your life and limit your ability to mature in Christ. As I repented of the evil controlling the gates in my bloodlines, I opened that gate to the King of Glory in Psalm 24.

————— P R A Y E R —————

Father, I confess that my bloodlines and I have sinned through our eye gate. Just as Eve looked upon the tree and saw that the fruit was good, we looked at the world around us and gave in to the lusts of our eyes. We allowed worldly desires to flood our eye gate with images opposed to God. We have lusted after the wealth of this world. We have gazed at tempting men, women, and pornography, defiling the marriage bed with sexual perversions. We have relished the terror in the faces of those we have abused. We have celebrated the utter destruction of our enemy's lives, families, homes, fields, and communities. We have looked with contempt on the poor, the weak, and helpless. Standing under the covering of Your love, I ask that You judge these iniquities of the eye gates in righteousness and truth.

I call into the courtroom for judgment lust of the eye, pornography, an unclean spirit, sadism, bloodlust, and arrogance that have controlled the eye gate for evil. I request a divorce of the eye gate of my bloodline from these entities of darkness. Cleanse the eye gate by the blood of Jesus Christ from all defilement. I open wide the eye gate for the King of Glory to enter and rule in righteousness and holiness. I petition that our eye gates will gaze upon the beauty of the Lord.

Father, I acknowledge before You that my bloodlines and I have sinned through our ear gate. We have listened to the counsel of the ungodly, walked with sinners, and sat with the mockers of Your way. Our pursuit of worldly philosophies created spiritual deafness destroying our ability to hear the Holy Spirit and enter into a relationship with Jesus. We turned our backs on the cries of the needy. Instead, we have used our ears to listen with the evil intent to destroy others: rob them, use and abuse them, and sabotage their lives. Standing under the covering of Your love, I ask that You judge the iniquities of the ear gates in righteousness and truth.

I call into the courtroom for judgment: spiritual deafness, the philosophies of men, apathy, and wicked scheming that have controlled

the family's ear gate for evil. I request a divorce of the ear gate of my bloodline from these entities of darkness. Cleanse the ear gate by the blood of Jesus Christ from all defilement. I open wide the ear gate for the King of Glory to enter and rule in righteousness and holiness. I petition that our ears hear the voice of the Holy Spirit and hear the hearts of others.

Father, I acknowledge before You that my bloodlines and I have sinned by using the mouth gate for cursing God and others, for lying, negativity, judging, murmuring and complaining, gossip, and gluttony. We have sinned by not guarding our tongues. We have released the fires of hell into the lives of others. Standing under the covering of Your love, I ask that You judge the iniquities of the mouth gate in righteousness and truth. I call into the courtroom for judgment cursing, lying, judging, murmuring, complaining, negativity, gossip, and gluttony that have controlled the mouth gate for evil. I request a divorce of the mouth gate of my bloodline from these entities of darkness. Cleanse the mouth gate by the blood of Jesus Christ from all defilement of iniquities. I open wide the mouth gate for the King of Glory to enter and rule in righteousness and holiness. Father, I petition that our mouths be filled with shouts of praise, tender worship of the Lord Jesus, songs of joy and thanksgiving, prayers and declarations of hope, words of life and affirmation, speaking the truth in every situation.

Father, I acknowledge before You that my bloodlines and I have purposefully closed the heart gate with stall. We have allowed wicked imaginations of the heart to breed hate, destroying relationships. We have withheld good from our husbands, wives, children, even infants. We have struggled to maintain the passion of our first love for You, our spouses, and our children leading to a lukewarm religious life, abandonment, and divorce. Our hardhearted, coldhearted words, actions, and attitudes have caused much destruction in the generations to our family and others around us. We have failed to keep the Law of Love. We have crippled others and enabled our families and friends to remain in captivity through false love. We have allowed our hearts to condemn others and ourselves. Standing under the covering of Your love, I ask that you judge the iniquities of the heart gate in righteousness and truth. I call the entities of

religion, cruelty, hard-heartedness, and cold-heartedness into the courtroom for judgment. I request a divorce of the heart gate of my bloodline from these entities of darkness. Cleanse the iniquity of the heart gate with the blood of Jesus. I open wide the heart gate for the King of Glory to enter and rule in righteousness and holiness. Create in us a new heart of flesh that is able to experience the love of the Father and love others.

Father, I acknowledge before You that my bloodlines and I have defiled the touch gate through violence and brutality against women, children, and animals with fists, an open hand, and even fingers gouging out eyes. We have used our hands as instruments of death and destruction. We have stolen the property of others. We have also used our touch gate to defile others through inappropriate touching of innocent children and virginal youth. We have used our hands to pleasure ourselves while withholding pleasure from our spouses. The touch gate is defiled. Standing under the covering of Your love, I ask that You judge the iniquities of the touch gate in righteousness and truth. I call into the courtroom for judgment: violence, murder, thievery, sexual assault, and masturbation, and self-harm that has controlled the touch gate for evil. I request a divorce of the touch gate of my bloodline from these entities of darkness. Let the redeeming work of the blood of Jesus Christ the touch gate all defilement of iniquities. I open wide the touch gate for the King of Glory to enter and rule in righteousness and holiness. Father, I ask for the gift of healing through loving touch.

Father, I acknowledge before You that my bloodlines and I have defiled the foot gate by walking in the ways of the fool, the rebellious, and the scoffer. We have chosen the wide path that leads to destruction, straight to the gates of hell. Standing under the covering of Your love, I ask that You judge the iniquities of the foot gate in righteousness and truth. I call into the courtroom for judgment: rebellion, the fool, the sluggard, and the driven that have controlled the foot gate for evil. I request a divorce of the foot gate of my bloodline from these entities of darkness. Cleanse the foot gate from all defilement of iniquities by the blood of Jesus Christ. I open wide the foot gate for the King of Glory to enter and rule in righteousness and holiness. Father, I ask You to direct my steps on

the ancient way of life, the narrow way, the highway of holiness.

I dedicate my gates to the Lord and ask for Your grace in protecting them from defilement.

## REPENTANCE FOR GENERATIONAL SEXUAL PERVERSION

The entire chapter of Leviticus 18 relates to the laws about immoral sexual contact with members of one's family, the same sex, bestiality, and adultery. The Lord God gave these laws to Israel for the protection of the future generations from the corruption of the DNA. According to a Popular Science article (January 7, 2010) by Stuart Fox, new research demonstrates *that as much as 8% of the human genome consists of viruses that inserted themselves into our DNA for replication, including the gene that causes schizophrenia*. Research also has proven that viruses like HIV are transmitted through body fluids: sperm, blood, and vaginal fluids. The infected woman can pass the virus to her child in the womb. Another common sexually transmitted virus, papillomavirus, can cause cancer (cervical, anal, throat, and vaginal). As you look at the science, it becomes clear that God's laws governing sexual behavior were for your protection.

1 Corinthians 6:16-17 (NASB) says: *Or do you not know that the one who joins himself to a prostitute is one body with her? For He says, the two shall become one flesh. But the one who joins himself to the Lord is one spirit with Him*. Sexual acts, outside of marriage, contaminate the body and soul of that person with serious consequences for the future generations. In the Levitical Laws, such acts resulted in death. Proverbs 8 clearly warns a man to avoid the strange woman who leads that man to Sheol, the Chamber of Death. Also, there were serious curses on the bloodline for uncovering a person's nakedness. A good example is the story in Genesis when Ham uncovered his father, Noah's nakedness. When Noah became aware of his shame, he cursed Canaan, the son of Ham. The curse came against the next generation. Genesis 6 describes the wickedness of man became great after the union of the daughters of Adam with the fallen sons of God. Jude 1 describes the men of Sodom and Gomorrah

going after strange flesh. This is evident in the story of Lot when the angels came to his home, and the men of the city demanded that the visitors be handed over to them. The Lord desired that the generations of man would remain pure within the confines of marriage.

## ————— P R A Y E R —————

Father, on behalf of my bloodlines and myself, I confess that we have transgressed your moral law in our sexual relationships. Over the generations, we have committed adultery and fornication with strange women and seductive men. Because of our rebellion against Your natural law, we chose to satisfy our lusts, men with men, women with women. We have molested young boys and girls, destroying their innocence. To satisfy our lusts, we mated with the beasts of the fields. Like Sodom and Gomorrah, we have fornicated with strange flesh, the spirits of wickedness. We were always looking for satisfaction from union with others rather than our relationship with You. All of these acts are an abomination to You. Forgive us for dishonoring our bodies and our spouses with every defiling act. Our acts of abomination against Your Law caused my family to be taken captive in the Chamber of Death in Sheol (Proverbs 7:5-27).

Forgive my bloodlines and me for ignoring Your moral law. In Your goodness, You established sexual boundaries for our protection. In pride, we set ourselves above Your law and have been involved in every defiling sexual act.

Forgive us for defiling the marriage bed and not being satisfied with the wife of our youth. Forgive us for every illegitimate child that was raised without a father's name, love and instruction. Forgive us for the defilement, confusion, and ungodly toxins released into my family's body, soul, and spirit. Forgive us for the contamination of our DNA.

I ask for the removal of all genetic mutations from my family's DNA caused by sexual perversion. I ask that You remove every viral mutation in the DNA of the family causing stillbirths, miscarriages, birth defects,

infirmities, mental illness, and diseases. I request a complete and total divorce of my bloodline from all physical, emotional, and spiritual contaminants caused by sexual fornication, incest, adultery, homosexuality, and bestiality. This includes any sexual union with the fallen sons of God and the spirits of wickedness through satanic rituals, fantasy, and dreams.

Father, on behalf of my bloodlines, I forgive the perpetrators who caused these defilements to my family through rape and molestation. I forgive all those in my bloodline who participated willingly in defiling behaviors.

I ask for the total restoration and integration of all the fragmented pieces of my family's soul. I ask for my family, my seed, and myself to be released from the Chamber of Death in Sheol. I ask on behalf of the future seed of my bloodline for the complete physical and mental restoration of the DNA to the perfection of the original creation in the Garden of Eden.

I ask that the Sword of the Spirit sever completely all ungodly soul ties. I ask for a cleansing of all defilement from my body, soul, and spirit. Please cover in the blood of Jesus all intimate knowing of \_\_\_\_\_ *(name anyone that you knew sexually outside of marriage and in a marriage of perversion, bondage, and rape.)* that destroyed my wholeness. Father, I ask for the cleansing of all perversion, rape, and bondage that occurred at the hands of wicked lovers. I renounce all words, actions, and vows that hold me captive to shame and guilt. Place my sins, memories, and words under the blood of Jesus and in the sea of forgetfulness. Free me from the ways of harlotry. Restore purity to my life. Heal every wound caused by violence, perversion, unfaithfulness, and the use and abuse of those I trusted. Dissolve the scar tissue that cripples my ability to be vulnerable and love another in marriage.

Lord, I forgive \_\_\_\_\_ for his/her use and abuse of my body, soul and emotions. In the name of Jesus, I command any demonic strongholds in my soul to be gone. I ask that ground the enemy has held in my life be cleansed and restored to wholeness.

Father, I place the cross of Jesus Christ at the time and place where

sexual defilement entered my family. By what you have done for me, I declare that my family's physical and spiritual inheritance is restored to wholeness and purity through the blood of Jesus Christ! May my seed be free from the lure of sexual immorality calling them to sacrifice their innocence to the fallen sons of God! I ask that all sexual defilement of body, soul, and spirit be cleansed from us so that we may be holy and pure vessels for You, Lord Jesus.

Jesus, may I learn how to love my spouse as You love me with a holy, pure love. May our marriage bed be undefiled! May my vow to my spouse reflect my faithfulness to my covenant with my God! I will no longer hide from intimacy in the shadowlands, but purpose to be open and vulnerable in my love for my spouse. May this restoration of intimacy in the natural be reflected in my willingness to be intimate with You! For my Maker is my Husband, the Lord of Hosts is His name, and the Holy One of Israel is My Redeemer. I have been called to holiness as a voluntary lover of the King of Kings and the Lord of Lords. I have been called to be a part of the Bride of Christ without spot or blemish!

## REDEEMING MANHOOD

In Genesis 1:26-27, *God said, "Let us make man in Our image, after Our likeness, and let them rule (subdue, tread down, dominate) over the fish of the sea and over the birds of the sky, and over the cattle all over the earth, and over everything that creeps upon the earth. God created man in His own image, in the image of God He created him; male and female He created them. God blessed them; and said to them.* Notice that God created male and female in His image and likeness. What does the image and likeness of God mean? According to Davis Guzik's Study Guide for Genesis 1 [\[22\]](#), man is different from every other order of being in the universe (animals, and even angels). Male and female are the only ones mentioned in creation that was made in God's image. Man possesses personality, morality, and spirituality. Image has the idea of being a reflection of God's nature of love, justice,

righteousness, and holiness.

In Genesis 1:28, God gave the following command. *Be fruitful and multiply, and fill the earth, and subdue it (bring into bondage, make subservient); and rule over the fish of the sea and over the birds of the sky and over every living thing that moves on the earth.*” Notice that the command to subdue the earth was given to man and woman. God’s original design was for men and woman to work in unity to subdue the earth.

*Then in Genesis 2:15, Then the Lord God took the man and put him into the Garden of Eden to cultivate and keep it (serve as a watchman).* God placed Adam in the garden with the charge to tend, and guard - to keep the garden safe. Why would Adam need to be a watchman if the Garden of Eden was safe?

God created woman from man’s rib, a place close to his heart so that man would not be alone. She was created to be his helpmate and companion. Adam failed to guard that which had been entrusted to his care. He did not clearly tell Eve God’s command not to eat of the fruit of the Tree of Knowledge of Good and Evil. Adam’s failure to communicate opened the door to Eve’s deception by the serpent. Eve was deceived, but Adam committed treachery against God. When he ate, he chose her rather than remaining faithful to his covenant with Almighty God. He feared to lose her more than he feared death. Ever since that fateful day, man has been separated from intimacy with God and his helpmate.

The man continues to blame the woman for his failure to keep the command of God. He justifies his actions. Because Adam listened to the voice of Eve, man has refused to listen to the counsel of his wife based on an inner vow. The vow against women appears to be, “You caused me to lose so much, so I am not going to listen to you again. He chooses to withhold good from her because of his grief over losing his intimacy with God.

You can see man’s resistance to heeding the voice of his wife in the story of Isaac and Rebekah. In Genesis 25:22-23, you can see the will of God for Jacob. *But the children together struggled together within her, and she said, “If it is so, why am I this way?” So she went to inquire of the Lord. The Lord said to her, “Two nations are in your womb. And two peoples will be separated from your body. And one people shall be stronger than the other, And the older shall serve the younger.”* Jacob favored Esau, and that led to

the deception by Jacob and Rebekah for the blessing. He knew the word of the Lord Rebekah had received, but he did not listen to her voice.

In many cultures in the Middle East and the Far East, women have been placed in a submissive role similar to a slave. In Buddhism, a woman is unable to reach Enlightenment. In fact, she must be reincarnated as a man. An evil man is reincarnated as a woman as punishment. Can you imagine that a woman is incapable of reaching enlightenment? It is obvious that man has been used as a tool of Satan to destroy women in the earth -the enforcers of the curse of enmity.

## ————— P R A Y E R —————

Father, I come to You this day as a representative of all the men in my lineage. Like Daniel, I identify with the sins and iniquities of my forefathers as my own. I confess the generational hatred of women that is evident in our attitudes, words, and actions. I confess that the men of my family have been tools of hatred in the hands of Satan. Forgive my forefathers and myself for all the destructive sins of rage, violence, abuse, and torment. Forgive us for dehumanizing and degrading women through words, beliefs, actions, and sexual perversion. We have made them objects of lust rather than precious daughters of the Most High God. We have destroyed their value as mothers, wives, and daughters.

Father, I acknowledge that we walked in the ways of Adam. We have sinned against Your command to be fruitful and multiply. I confess that my bloodlines destroyed their own seed and the seed of others through abortion and slaughter of the innocent. In selfishness, we considered children a burden only adding to the sweat of our labor. We cast their care upon our wives. Father, we have failed in our responsibility to teach them Your ways and to raise them in the fear and counsel of the Lord.

My forefathers and I have relied on earthly wisdom and perverted our spiritual responsibility to love and protect our families. We have demanded submission to our will as the will of God. We have enforced the Curse of Eve denying our wives a voice and authority in the earth. We

have presented a distorted image of Father God. I have caused my wife and children to reject you. Forgive me, Father, for destroying their ability to trust You. Forgive me for bringing dishonor to Your character and Your name.

I confess that my forefathers and myself, have followed in the footsteps of Adam by not taking dominion over the serpent in my home. We have allowed the enemy free access to our families by not guarding those entrusted to our care. We have relied upon our logic, worldly wisdom, and natural understandings. We have resisted the ways of the Spirit, which seem foolish to our natural mind. We have refused to be the spiritual head of our homes. Our wives stepped into the vacuum we left behind. I confess our resentment against our wives for taking spiritual authority in our homes.

Father, I nullify the inner vow that causes me to refuse to listen to the voice of my wife. I confess that I withhold good from my wife and children. I confess my pride and hard-hearted ways of destruction. I walk in my own strength without the wise counsel of my helpmate. I have made excuses, which have enabled me to walk in stubborn, deceptive self-righteousness. Father, my ways are responsible for the bondage in my family. I ask Your forgiveness and the forgiveness of my wife and children. Forgive me for abandoning my wife and children through the selfish pursuit of my career, neglect, divorce, and separation. Forgive me for the damage that I have caused the women in my life that I have been called to love and protect. Forgive my bloodlines and me for not listening to the wise counsel of our wives. I acknowledge my need for my helpmate.

Father, I confess that I have sinned by avoiding my responsibility to protect, to guard, and to keep my family safe from evil. I have sacrificed them at the altar of my idol(s) of (*List the idols you serve: work, TV, sports, hobbies, organizations, drinking, drugs, reading, computer, the internet or other*). In the name of Jesus Christ, I tear down that idol(s) of \_\_\_\_\_ . Give me the grace to turn from my wicked ways.

I have considered my financial support to be enough. Hard toil has

been my portion as I labor among the thorns to support their needs. I have resented my family because of the curse of Adam. Lord, free me from the curse of Adam and my resentment that I must work so hard to meet my family's needs.

Lord, I desire to be Your man and to experience the intimacy with You and my wife that Adam lost in the garden. I choose to take my God-given responsibility to tend my garden, to be fruitful and multiply, to subdue the earth and have dominion over every living creature. I choose to be the spiritual head of my home, my wife, and my children. I choose to love my wife as my own body. I will nurture her, protect her, and cherish her, as Christ loves the church. I will not provoke my children to anger, but will rear them in the discipline and admonition of the Lord. Father, I lay down all my earthly wisdom and rely upon Your Word as the foundation of my life.

I can walk as a man of God in wisdom, authority, and strength. I can learn to be intimate with the Father, my wife, and my children. I choose to open my heart to receive them with overwhelming love, comfort, and grace.

## REDEEMING WOMANHOOD

The Lord God said, “*I will put enmity between you and the woman, and between your seed and her seed.*” The serpent knew that the seed of the woman was destined to bring the deliverer of mankind, Jesus Christ. Because of Satan’s hatred for women, every culture outside of Christianity oppresses and abuses women. Women have been robbed of their voice, used as beasts of burden, and considered the property of their husbands. She is even blamed for the sexual arousal of men. In Buddhism, an evil man is reincarnated as a woman.

The Bible celebrates a woman and her value. Yet even in the church, women are forced to live under the curse of Eve. Men demand submission because of the doctrine of demons. The curse of Eve is from the fall: a woman would desire her husband who would have dominion over her. This generational oppression by men has distorted the woman’s understanding of her role as a helpmate to her husband. It has caused her to resent men and use manipulation and feminine guiles (witchcraft) to get her way. In the western world, it is the source of the goddess movement – woman’s liberation.

Augustine of Hippo considered a Father of the Church (354-430) wrote, “If God had meant woman to rule over the man he would have taken her out of Adam’s head. Had he designed her to be his slave, he would have taken her out of his feet. But God took a woman out of man’s side, for he made her be a helpmate and an equal to him. This theologian presents a woman’s role correctly. The woman was created to co-labor with a man, to complement him, and help him to fulfill his destiny.

### ————— P R A Y E R —————

Father, I come to You as a representative of all the women in my lineage. Like Daniel, I identify with the sins and iniquities of my forefathers as my own. I confess the generational hatred and disrespect of

men that is evident in our attitudes, words, and actions.

I thank You for making me a woman. You ordained my life from the foundation of the earth and in Your rich wisdom and mercy created me female. I embrace my female body, emotions, and ways. Forgive me for any way that I have rejected my body and its functions, my emotions, and my weaknesses. Forgive me for every time that I agreed with the judgment of society about my value because I am a woman. I am fearfully and wonderfully made and able to bring forth life into the earth.

Father, forgive me for not understanding that the hatred against me was from Satan, the source of all oppression and abuse of women. I was blinded and blamed You, Father God. I forgive the church for not teaching me to recognize the real enemy. In ignorance, I blamed men for degrading me rather than Satan. I accepted as truth the attitudes of my culture and religion. I accepted the lies of submission and worthlessness. I forgive fathers, and grandfathers, brothers, and husbands for the continual destruction of our value as women. I forgive men for the honor killings, blame shifting, and demand that I remain pure in the face of their defilement of my body, soul, and body. The man still blames the woman for his struggles in life.

Father, forgive me for not understanding the Curse of Eve that has plagued my life. When you asked Eve in the Garden, *“What have you done?”* The woman said, *“The serpent deceived me, and I ate.”* The Lord God said to Eve in Gen 3:16 (AMP), *“I will greatly multiply your grief and your suffering in pregnancy and the pangs of childbearing, with spasms and distress you will bring forth children. Yet your desire and craving will be for your husband, and he will rule you.”* Eve ate the forbidden fruit, and You proclaimed a curse on women: would desire her husband but he would rule over her. Forgive me for not seeing that I am still deceived by the serpent. I still believe his lies. Forgive me for blaming men for their cruel domination. I confess that Eve was responsible, and I ask to be freed from the Curse of Eve. Father, forgive my bloodlines and myself for this root of bitterness, resentment, and hatred of men caused by their cruel domination. How could I freely come to my heavenly Father with this defilement in my soul?

I did not understand that when I received Jesus, I was freed from the Curse of Eve. Instead, I continued to live under the yoke of male domination. I confess that in my heart I rebelled against men and my lot in life. I ask forgiveness for my hatred of men, my fear of marriage and childbirth, and my use of manipulation and seduction to meet my needs. I confess that the women in my family have taught their daughters to walk in rebellion. I confess that I have not trusted men and have hardened my heart against them.

I have sabotaged my father and my husband's role in the family by murmuring, complaining, and a false acceptance of my lot in life. I hid the rage in my heart. From this place of rebellion, I cooperated with the Queen of Heaven. I ask forgiveness for agreeing with the strategy of hell against marriage. I sever every connection in my body, soul, and spirit with this goddess, the Queen of Heaven. I sever my agreement with women's rebellion against marriage and men. Reveal any inner vows that keep me from walking in Your paths of righteousness and knowing You as Father.

*(This paragraph applies to women who have used birth control and abortion to stop the birth of children. It will not be relevant if you take care of your children at home.)*

I confess that my family and I have taken control of our reproductive life through potions, accidents, birth control and abortion. I have completely ignored Your command to replenish the earth. Forgive my rebellious heart that grabbed control of my reproductive life from Your capable hands. Forgive my selfish desire to control my life. Forgive my grief at the birth of a daughter even leaving her to die in the fields. Forgive the abandonment of my children to family members and day care, where others raised them far from the fear and admonition of the Lord. Even though I called myself Your child, I was blinded by my sin and iniquity. You are the Creator of Life! Restore to me the fear of the Lord, which is the beginning of wisdom.

I have denied my need for men and at times even considered them unimportant, but essential for my support. I confess that the women in my family have enforced the Curse of Adam by never being satisfied with the

fruit of our husband's labor – always demanding more. (If married) I confess that the women in my lineage have rebelled against our husband's God-given position as the head and covering of our lives. I confess that I have rejected man's God-given authority to protect our home. I have used manipulation and female guiles to hide my hatred and resentment of the men in my life.

I have rejected my God-given role as a helpmate. I wanted to be independent and prove my self-sufficiency. I chaffed under the Curse of Eve's domination by man rather than allow the covenant to set us both free.

Father, Help me to learn to live free of the curse of Eve. I decree that my value is a Daughter of the Most High God. Teach me the ways of a godly woman, accepting Your goodness in my life. Teach me how to respect men: fathers, husbands, brothers, pastors, and bosses. Teach me how to respond in humility to their God-ordained position in my life.

Teach me how to respect my father/my husband as a daughter and a wife. Teach me to respond in humility and grace to my father/husband's God ordained position in my life. Teach me to appreciate and value a man's covering of love.

Lord, You told the man to love his wife and the woman to respect her husband. Teach me to respect and esteem my husband as master of our home like Sarah's example in the Old Testament. Create in me new ways of responding to my husband with love and respect. May our home become a sanctuary of Your grace and mercy!

## RELEASE FROM THE CURSE OF THE BASTARD

Scripture tells you in Deuteronomy 23:2 that *a bastard shall not enter into the congregation of the Lord even to his tenth generation shall he not enter into the congregation of the Lord*. If a generation were forty years, this curse would be active for 400 hundred years. This scripture shows the curse of being

an outsider in the congregation to be like an unclean leper.

By applying Leviticus 26:40 to this situation through the confession of your sins and the sins and iniquities of your forefathers, freedom can be released to your entire family. Scripture tells us that the Kingdom of Heaven suffers violence, and the violent take it by force (Matthew 11:12). You must apprehend your freedom from the curse of the law because Jesus became a curse for each one of us. Just as you must violently seize your healing and deliverance, you must take a stand of faith for your complete redemption from the curse based on your covenant. When the sin is confessed and placed under the blood, the legal ground of the enemy is removed, and the enforcement of the curse is stopped.

When you confess the sins of your forefathers regarding the curse of the bastard, you repent for the fornication, adultery, rape, selfishness, and abandonment of the individuals involved in the original sin. Forgive your bloodlines because they knew not what they did to their seed. The child and seed are innocent of the sin but live under the curse of illegitimacy.

#### ————— P R A Y E R —————

Father, I come before You this day on behalf of my family and myself. I confess the selfishness, abandonment, fornication and possible adultery or rape of \_\_\_\_\_ [*if known*] that resulted in the illegitimate birth of my \_\_\_\_\_. I forgive them for releasing this curse of the bastard on our lives. I confess my sin of jealousy and envy of others who are blessed with knowing their place in their family. I have resented their ease in groups. I forgive (*list the names*) whom the enemy has used to reinforce the curse of illegitimacy in my life. I have not known who I am, where I come from and where I belong. I have tried to create an identity by walking in the rebellious ways of my generation and by embracing the world.

Father, lance the boil that has infected my soul. Wash my emotions with the blood of Jesus Christ. Pour out the balm of Gilead to heal the wounds of separation and loneliness. Dissolve the scar tissue that

cripples my ability to love and receive love. Dismantle the structures in my flesh that keep me imprisoned as an outcast unable to enter into the family of God. Destroy the expectation of rejection that causes me to reject myself, others, and to expect rejection from others. Destroy the stronghold of rejection that distorts my view of others' actions and words. Dismantle every self-protective structure of the flesh that separates me from You and others.

As a family, we have suffered the consequences of the sins of our forefathers. We have been under the curse of illegitimacy, not belonging anywhere: in society, church, school, and even within our extended families. Galatians 3:13 states that Christ has redeemed us from the curse of the law, being made a curse for us: for it is written, Cursed is anyone who hangs upon a tree.

By an act of faith, I appropriate my freedom from the curse of the bastard because Jesus Christ, my Savior and Redeemer became a curse for me, redeeming me from the curse of illegitimacy. I am a child of God just as I am with all my imperfections and flaws because of the death and resurrection of Jesus Christ. I thank You for redeeming me from the slave market of sin and death. I thank you for releasing me from the prison of isolation and loneliness. You have chosen me to be a covenant child of a covenant keeping Father who has accepted me into the Beloved.

## RESTORATION OF THE HEART OF THE FAMILY

Before you begin this prayer, you will need to spend time examining the consequences of iniquity in your family. Have the members of your family been happily married? Have the children been embraced and nurtured? Has there been an ease in loving God, family, and others? Do close relationships exist between siblings? Most families have been devastated by iniquities like addictions, abandonment, adultery and illegitimacy. The destructive spiral from this bruising destroys intimacy, joy, and the ability to love and receive love. Destructive lies are imprinted in the family members. ‘I am worthless. I have no value. There is no hope.’ Also, individuals make inner vows to protect their soul from the pain and suffering of isolation and rejection. Some examples of inner vows: “I do not need you.” “I can do this alone.” “I must be strong.” “Tears are a sign of weakness.” “You will never know me.” “I will show you.” You will need to spend time with the Holy Spirit to recognize the iniquity in your family and to see the bruising of the family’s heart. Let the Lord reveal the lies and inner vows. These vows are hidden in the recesses of your heart and the structures of your flesh, directing behavior.

### ————— P R A Y E R —————

Father, I stand before You this day bringing a class action suit for my family to bring healing to our bruised hearts (*list the family members that you are bringing before the Lord*). Through the iniquity of \_\_\_\_\_ (abandonment, adultery, alcoholism, illegitimacy, divorce, rape, incest), our hearts have been severely bruised. We have learned to repeat the destructive lies and inner vows of the generations to survive (*list lies and inner vow that you have uncovered through prayer*). I, in turn, have trained my children in the destructive ways of self-sufficiency and independence from God and others. I renounce these lies and inner vows and ask for freedom for my family from their control. I ask for all those related by blood in the Great Cloud of Witnesses to testify on behalf of my family (*remain quiet as you*

*allow the witnesses to speak.).*

The heart of my family is a stone of calcified bruising. I repent for my family and myself for being hardhearted. I repent for failing to meet the needs of children, spouses, brothers and sisters. I repent for failing to comfort those in need of comfort. Forgive our judgments against those that are unable to hide the pain and suffering which we have judged as weakness. I ask forgiveness for every person that my family and I have bruised by words, actions, and attitudes. I call the entities of self-sufficiency, self-protection, independence, and hardheartedness into the court for judgment. I ask for a divorce from these entities that have controlled my family's body, soul, spirit, and heart. May this divorce be recorded in the Books of Heaven!

My generations have built a fortress of self-protection to avoid pain. I was born into this fortress and have a thick wall of stone keeping my heart safe from others. I am lonely and desperate for the intimacy I fear. My heart is stone— calcified bruising!

*(Request an angelic escort to go to this fortress to rescue you from this captivity of darkness. Let the Lord show you where you reside inside this fortress. After the angels have brought you into the light, ask the Lord to cleanse you with the blood of Jesus Christ, wash you with the waters of salvation, anoint your body with the oil of joy, and clothe you in your robes of righteousness.)*

Your word promises that You would give me a heart of flesh for my heart of stone. I need a heart transplant now so I can trust You and others.

Father, Isaiah 53:5 states that our suffering Savior was pierced for our transgressions and bruised—crushed for our iniquities. These iniquities have crushed the body, soul, spirit, and heart of my family, my children, and my bloodline. I bring to You our bruised hearts: my own, my children's, my grandchildren's, my brothers' and sisters', my parents', my nieces' and nephews,' aunts' and uncles,' cousins,' and grandparents.' Father, I bring the brokenness, the bruising, the crushing of my bloodline to the broken Body of Jesus Christ to exchange generational brokenness, bruising and crushing for our healing and wholeness in Christ Jesus.

Destroy the structure of every lie in my soul that has held me captive

keeping me from trusting in Your goodness and steadfast love. Oh, how I long to trust You! Restore my ability to love and trust Father God and others. Bring me into Your garden to rest in Your comfort and love. Make me an instrument of love, comfort and hope for Your children.

## THE COMMAND TO LOVE

### PRAYER

Father, reveal the source of all hardness and callousness in my heart, which hinders love. Reveal any unrighteous ways and attitudes that keep me from living the royal commandment of love. Circumcise my heart, remove any fear and selfishness, and grant me a heart of flesh, tender with love. Create in me a pure heart and renew a steadfast spirit within me. Engrave Your law on my heart and grant me the grace to love You with my whole heart and to love my neighbor as myself.

I choose to forgive myself for everything in my past that hinders my ability to believe that I am worthy of love—Your love. Father, I desire to honor You by keeping Your commands, living uprightly before You and loving You with my whole heart, mind, and strength. I choose to be a voluntary lover of the Most High God. My identity is no longer as a fallen sinner but as a redeemed lover of God and man.

## FORGIVENESS OF GENERATIONAL ENEMIES

Many times in the history of a family (tribe), there are generational enemies that have been the source of great pain, sorrow, and trauma for the group. This usually occurs because of war, conquest, and oppression of a nation. As a representative of the family (tribe), it is important to release your enemies from the bitterness, hatred, and cursing that you and your family have released against them. Though you justify your bitterness because of their horrible deeds, you cannot hold anyone in bondage. Because of your demand for justice and revenge, you find yourself in the prison of torment. This is particularly

evident in the hatred between the Irish and the British, the Hindi and the British, the Catholics and the Protestants, the Mexicans and the Anglos, the Native Americans and the white man, the lower class and the upper class, Christians and Jews, the African Americans and the white man, and the Palestinians and the Jews.

For the victim people, the cursing of the enemy's seed was their only means of revenge. Remember that a curse without cause cannot settle on a person's life. In each of the situations listed above, there is a cause, and the curse has the power to destroy lives. It is important to determine if you were in the group of the victim or the abuser. If you are part of a victim group, you need to confess the hatred, bitterness, and cursing of your enemy's seed. Release the people (group) from the power of your bloodlines' curses through forgiveness. If from the abuser nation, confess the horror of your ancestor's wickedness and ask forgiveness. Remember, a curse causeless cannot affect your family. Curses with a cause can release major troubles affecting health, finances, and marriages. By the confession of the sins that hold the curse in place, these curses can be taken to the cross of Jesus Christ.

As you were growing up, consider the comments, judgments, and attitudes towards different people groups made by your family. Sometimes these attitudes are even taught in school. What attitudes were passed on to you? These often reveal either a bitter hatred or an attitude of superiority towards the other group. To release your family from the prison of unforgiveness, ask the Holy Spirit to highlight the bitter root in your family. Forgive and release those individuals that have harmed you or your family. Forgiveness is a reflection of the divine nature of Almighty God, and you must rely upon the forgiveness of Jesus at Calvary. Remember He said, "Father, forgive them, they know not what they do!" Sometimes the offense is beyond your human ability to forgive. It is not beyond the forgiving grace of Jesus Christ, so you are able to forgive through His Spirit in you.

## HEALING THE TRAUMA OF WAR

While teaching at a Restoration in California, I saw the relationship between the struggles of Vietnam veterans and the United States military's actions in Vietnam. Through a report by Cindy Jacobs, I had heard that a curse of wandering had been released on our soldiers by the Buddhist priests. When these soldiers returned home, they were wounded in body, soul, and spirit. Some were never able to enter into society again living on the streets and lost to drugs. We lost a generation of men.

At this restoration, a young man came to me in great distress. He had been to a previous Restoration, applied the prayers but only found his situation worsened. He could not complete anything: degrees, or jobs. It was destroying his marriage. I asked him about his father and discovered that his father was a veteran of Vietnam who had never returned to his wife and baby son. As we spoke, I told him that I would focus my prayers on this restoration on our nation's sins in Vietnam. This was personal because my older brother had been a part of that war. I wept bitterly repenting for every sinful action of our soldiers and government. As I finished with the Proclamation of Covenant, I clapped my hands and declared, "It is finished!" An amazing thing happened that only the Holy Spirit could orchestrate. A large Styrofoam boulder attached to the wall for a special Easter play flew across the platform of the church. It was as if the Holy Spirit was saying, "Yes, this is finished!"

The testimony of this weekend was that a woman who had worked for the Navy during the Vietnam war experienced instant deliverance from a tormenting spirit. The young man wrote several months later that his marriage was saved, and he was working for the city in a position he loved. Since that time, I have worked with other Veterans who are still carrying the burden of shame, guilt, and curse and they receive healing and restoration. With the wars in Iraq and Afghanistan, American veterans are under the curse of death. Could this be the reason that there are twenty suicides per day for returning veterans?

*"So a curse without cause does not alight"* (Proverbs 26:2 NASB). When there is cause, men come under a curse. In Vietnam, there were Buddhist monks

who sacrificed themselves by fire on behalf of their land. Powerful curses against the military and the soldiers were released. Because the American troops were involved in a war without a clear-cut enemy, everyone was suspect. Innocent women and children died. With the shedding of innocent blood, the curses could stand. Because of these curses, soldiers have had difficulty returning to their families and a normal life having been taken captive by drugs and alcohol. They have been wanderers like Cain, lost in our society.

Every nation has been involved in wars. Wars are cruel, and innocent people die. Shedding of Innocent Blood and destruction gives both sides ground to curse their enemies. A curse without causeless cannot stand. In war, there is always ground for the curse to settle on a nation, families, and the government. In the Indo-Pakistani conflicts, there has been ongoing hatred and cursing against the soldiers, their families, and the government. When I was at the Attari Border Crossing for India and Pakistan, I was distressed by the level of hostility released each evening at the closing ceremony. How does the roar of the people on both sides affect the spiritual atmosphere of hatred? Life and death are in the power of the tongue.

## ————— P R A Y E R —————

Father, I know that a curse without cause does not settle in our lives. However, the unconfessed sins of the generations have given the curses of our enemies in war grounds to destroy us. Father, I come on behalf of the men in my family line that have participated through the ages in the horror of war (*name wars if known*). I confess as sin every atrocity they committed against man, woman, and child through brutality, torture, and rape. I confess the shedding of the innocent blood of children, women and the elderly, the purposeful destruction of people's homes, crops and livelihood leading to further death through starvation and disease. (*The next sentence depends on your nation. This would hold true for the United States and Europe during WW I.*) I confess the use of biological, germ, nuclear, and toxic weapons that ravaged the land and the people for generations. I ask that all the accusations and curses spoken by the victims of war be covered in the blood of Jesus.

I confess the pride, hatred, and utter contempt of the conquering forces towards their enemies who were stereotyped, degraded and dehumanized. I confess that this generation continues to hate, degrade and stereotype our former enemies. I confess the sins of fornication and rape leading to abandoned, illegitimate children—outcasts in their culture because they looked like the enemy. Father, forgive our great sins against humanity and free us from the curses of our enemies.

Father, I forgive the leaders for deceiving the people with their hidden agendas, lies, and manipulations of national and tribal pride. I forgive the political and military leaders for making my forefathers instruments of death and destruction. I forgive them for destroying the humanity of these men. These broken men could not forget the horrors of what they did, heard, and saw. These images and sounds torment them filling them with shame and guilt. As a result, our families suffered the loss of love and intimacy. I forgive these leaders for the destruction of our fathers, husbands, and brothers – all family relationships that suffered because of the broken lives of the men in my family.

Father, I ask that the generational trauma to the DNA in my family be healed. Heal the spirit, soul, and body of the men in my family. I ask that the Blood of the Lamb erase the sights and sounds of war, the horrors of the battlefield, and the guilt and shame of their actions. I ask that all confusion and guilt over surviving the war be settled in the eternal purposes of God. Father, may they make peace with You and themselves. Help them to forgive themselves. I declare that their sins are remitted.

Father, I forgive all the enemy forces that marched against my family throughout time. I forgive them for every brutal action, every death, every rape, every crippled, deformed body, all suffering causing unbearable grief and even madness, and the starvation and disease caused by the loss of homes, crops, and land. I release them from the curses of my people and ask that You bless their seed with salvation. I ask that You release my family from the curses of our enemies.

Thank You for making peace with my enemies.

## IF A VICTIM NATION

### ————— P R A Y E R —————

Father, I am so grateful that You have forgiven me and removed all the barriers that separated me from fellowship with You. I recognize that I do not have the right to hold any sin against anyone, even if that sin is horrible. I ask You to forgive my bloodlines and myself for holding *(name the person or people group and their sin against you)*. captive by our bitter hatred, attitudes, resentments, judgments, actions, words, and curses. We are guilty of allowing a bitter root to defile many throughout the generations because we would not forgive and release their sins against my forefathers and me. I nail all their trespasses against my family line and even myself to the cross. If You have made way for them to be restored by the Blood, how dare I hold them in bondage! I forgive them! I release them from the requirements of the law of sin and death, and allow the cross to remove the barrier of being their enemy. Father, I remit their sins against my people. I release their debt against us. Please release Your forgiveness to them. Heed my prayer! The revenge that I require against the Kingdom of Darkness is the fullness of salvation and mercy in the lives of my former enemies manifested in the release of every spiritual blessing in Christ Jesus.

I renounce and release *(name of the person or people group)* from the power of every curse and prophecy of darkness declared by my bloodlines. Let the mercy flow, for I choose to bless those who have been our enemies. I bless their seed with salvation and redemption.

Father, I thank You for the grace that removes every barrier of unforgiveness keeping my heart from receiving the fullness of Your mercy. I thank You are putting the cross into the bitter water of my soul and turning it sweet. I thank You! I can abide in love I am free to love as You love. I am free to release mercy, as You are merciful.

Father, I ask that my crippled heart, body, soul, and spirit be restored by a creative re-creative miracle. May all scar tissue from the trauma in

my family line be dissolved, so that I can walk in wholeness! Father, I ask that any deformity of the DNA in my family line be re-coded to the original pattern as You created it! You are the Creator, and You are able to restore to perfection that which has been destroyed by the iniquity of hatred and cursings.

## IF AN ABUSER NATION

### PRAYER

Father, I ask for forgiveness for my bloodlines for their sins against \_\_\_\_\_ . I confess their purposeful destruction of the innocent babies in the womb, children, and families through violence and starvation. I confess their domination, oppression, and enslavement of a nation. Father, we did not see them as a part of us. We saw them as sub-human and without value except how we could use and abuse them. Forgive the hypocrisy of professing Christ but living in the darkness of destruction and death. Forgive the arrogance, and pride of perceiving our culture as superior. We are guilty of the destruction of families, cities, regions, and nations.

Father, I repent for every life lost, every woman and child that lost their innocence and life through our cruel sexual assaults, every person tortured, all homes destroyed, crops burnt, livestock stolen or killed. I repent for every humiliation and perverse pleasure taken at the destruction of these so-called sub-humans. We are guilty!

I recognize that we have suffered the consequence of our sins by reaping what we have sown.

By the power of the cross and the blood of Jesus Christ, Father forgives us and remove the generational consequences of these terrible seeds of destruction sowed into my family by the iniquities of my bloodlines. I cry out for mercy because Jesus Christ was crushed for the iniquities of my bloodlines. Heal my body, soul, and spirit from this

iniquity of death and destruction released by the curses of those we abused. For Jesus became a curse to free us from the power of the curse. Release us from the captivity of these curses!

I ask that you release the blessings of salvation, healing, prosperity and deliverance on everyone that we abused. Free them from the bitter captivity in their souls. May restoration, restitution, and life be released into their nation! May healing flow into their body, soul, and spirit. I recognize them as brothers in the Lord, worthy of love, and valuable in Your sight.

I humble myself before their bloodlines and ask forgiveness. Please forgive our great crimes against your family.

## WITHHOLDING OF TITHES AND OFFERINGS

### PRAYER

Father, I confess that my family and I have robbed God by withholding tithes and offerings. In Malachi 3:9, it clearly states we are cursed with a curse for robbing God. I am commanded to bring all the tithes to Your storehouse so that You can open the windows of Heaven and pour out a blessing. When I bring my tithes and offerings to Your house, You promised to rebuke the devourer on my behalf. I ask that the Blood of the Lamb be applied to these accusations against my family.

Father, I confess that my forefathers brought imperfect tithes and offerings to satisfy religious demands and to ease their conscience. David said that he could not present an offering that cost him nothing. As I come before You, offering up the fruit of my labor with my tithes and offerings, may these sacrifices be pleasing in Your sight. May You hear my prayers and release a blessing that I cannot contain.

## ABOLISHING THE CURSES AGAINST THE FAMILY

Deuteronomy 28 describes the blessings of obedience and the curses for disobedience. As I studied this chapter, I noticed vs.20a: *The Lord will send upon you curses, confusion, and rebuke in all you undertake to do.* As I meditated on this verse, I had an “aha” moment as I grasped the man’s profound loss in the Garden of Eden. Mankind had lost blessings, identity as a son of God, and honor. As a result, man has been cloaked in curses, confusion, and rebuke. Only the cross of Jesus Christ can translate a man out of the kingdom of darkness into the Kingdom of Light.

Curses or death entered the earth through Adam’s sin in the Garden of Eden: the loss of covenantal blessings. As a result, the Lord chose Israel to begin the restoration of the blessings to mankind through covenant. Through Jesus Christ, the New Covenant is available to anyone who accepts him as Savior. When you are born again—adopted into the Family of God, you have a new birthright of being a covenant child with the right to blessings. However, accusations can stop the flow of blessings.

Confusion means anxiety, fear, dread, embarrassment, anticipation of misfortune; the shame of the public knowing your inadequacy or guilt. This torment is experienced by every man, woman, and child because of the man’s loss of identity as a son of God. Fear and anxiety rule your life when you do not know who you are and to whom you belong. Instead of fear, a child of God should have security and peace in the Father’s steadfast love. Step into Your Father’s house. Let the reality of your sonship cast our fear. Let love and faith arise.

Rebuke means being subject to criticism, disapproval and unfavorable judgments. When you are under the rebuke, you are reprimanded over and over again. Even when you are innocent, you are harshly criticized. The Lord showed me that the opposite of rebuke is honor and glory. When man fell in the garden, he lost the honor and glory that rested on him. As a believer, you have to choose to honor others as the Father has honored you.

As a child and young adult, I had debilitating fear and anxiety. My fear of public humiliation was so strong that I avoided public speaking and nearly failed a graduate course because I had to interact with the group. The rebuke was another struggle in my life that followed me wherever I went. A good

friend once wondered why I was always subject to unfavorable judgments from others. As I have worked these prayers, I am now walking in the reality of my identity as a son of God and have experienced honor from both God and man.

## ————— P R A Y E R —————

By the heartfelt repentance of our profane worship, withholding of tithes and offerings, sins, iniquities, treacheries, and bitter hearts of unforgiveness, I declare that Jesus Christ nullifies all curses against my family that had been loosed against our bodies, souls, and spirits. He became a curse to free us from the curse. A curse causeless cannot stay.

By this confession of our sins and iniquities, the cause of the curse is removed. The work of the cross abolishes all curses: death, defeat, failure, barrenness, hatred, robbery, madness, dread, affliction, infirmity, alienation, poverty, lack, spiritual imprisonment and slumber, scattering and wandering in both the natural and the spiritual. The cross nullifies all curses, confusions, and rebukes against everything that I touch. Instead of curses, I walk in the blessings of the Kingdom of God. Now the blessings of the Lord overtake me in every area of my life. I walk in peace instead of confusions, fear, and turmoil. I walk in peace. I am secure in my identity as a son of the Most High God. I am free from the confusion and turmoil that has overwhelmed my soul. Instead of a rebuke, I walk in the acceptance of Father God. I am crowned with the honor given to me by My Father. I no longer walk in the path of the rebuke. I am free from the rebuke against all I put my hand to accomplish.

Every curse of destruction that was released when I renounced the family dedications to fallen sons of God is nullified. I know that my bloodlines agreed to this destruction of the family line at the time of their dedication to darkness. These curses were strengthened by each renewal. Father, forgive them; they knew not what they did to their seed.

I break the power of agreement between my bloodlines, the priests of darkness, and the fallen sons of God by the Sword of the Spirit. Jesus

became a curse so that I might be free of the curse. All curses brought on my family line because of their profane worship have been nullified at the cross.

### LEADING THE CAPTIVES TO FREEDOM

As you partner with the Holy Spirit in identificational repentance for your life and your family, you will be able to go to the trophy room of hell with an angelic escort to recover what has been stolen by darkness. I have seen amazing answers to prayer after court work involving deep repentance for accusations, sins, iniquities, and unforgiveness. Allow the Holy Spirit to direct this time to recover all that has been lost.

### P R A Y E R

---

Through the authority given by the Lord of Hosts, I take back the keys that my family freely gave to the enemy, which gave darkness access to our body, soul, and spirit. Just as the door was sealed in Sodom and Gomorrah, I close the door of my family to darkness by applying the Blood of the Lamb. Jesus Christ seals this door of access to my family. I thank You, Jesus, because You took the keys of Death and Hades, opened prison doors, and led the captives in my family to freedom.

Lord, I am so grateful that You are healing our broken hearts and releasing us from the prisons of darkness. My family will be able to walk in wholeness, in the fullness of salvation in every area of their lives. I thank You for making a way of escape.

# RESTORATION OF SPIRITUAL BIRTHRIGHT

## ————— P R A Y E R —————

Father, I stand in agreement with the great cloud of witnesses, I ask for the restoration of the lost spiritual birthright of my family that had been sold to the enemy for a pot of lentils. Just as Hannah restored the birthright of the sons of Korah through her intercession, I ask that my prayers be pleasing and acceptable in Your sight for the complete restoration of my family's birthright and blessings. I esteem the birthright and inheritance that You have for my life. My portion and lot fall in pleasant places.

Father, I will learn the lesson of the sons of Korah. I heed the words of Psalm 45:10-11 (AMP), *Daughter, hearken, consider, and submit to these words. Forget your people and your father's house. So shall the King desire your beauty, for He is the Lord, and worship Him.* I declare that I am a member of Your house, no longer bound by the destruction of my father's house and people. I will be satisfied in the House of the Lord. Here I will find peace and refreshing as I walk in my identity as Your beloved son.

Father, open Your storehouses of all spiritual blessings. You have made it possible for me to fulfill my destiny through every spiritual blessing in heavenly places. The riches of glory in Christ Jesus are beyond my knowing. You know my every need. Enlarge my capacity to receive all spiritual blessings. Release Your spirit of wisdom and revelation in the knowledge of You. May the eyes of my understanding be enlightened so that I may know the hope of my calling; and what is the riches of the glory of Your inheritance in the saints and what is the exceeding greatness of Your power toward me who believes. I need increased revelation of Your Word.

I ask that the Ancient Door of my lineage be opened so that the King of Glory may enter my family. I ask that our Books of Destiny be opened, and grace is released to fulfill our purpose for being created. I ask that You restore seven-fold (Proverbs 6:31) all that the enemy has stolen from my family from the beginning of time to the present. I ask that all the generational blessings be poured into our lives so we can complete the end-time work of the Kingdom.

Father, I ask that You release every spiritual gift, unclaimed spiritual blessing, and destiny that you purposed for my family. I decree that I will serve You with flinty-faced determination.

I know that there were righteous individuals among my bloodlines who served You. May the spiritual blessings of my bloodlines be released to this generation to strengthen our walk with You! I covenant with You to fulfill my portion of Your eternal destiny for my family.

I choose to stand in the flowing grace of all the generational blessings from the righteous in my lineage to fulfill my destiny in this hour. Flow, blessings, flow!

## **PERSONAL ACCUSATIONS IN THE COURT OF HEAVEN**

It is important to recognize that you have areas in your life where you have been robbed of blessings because of unconfessed personal sins. This truth was so evident at a Restoration in the desert. The Holy Spirit quickened me to ask for everyone who had an abortion to meet in a separate room for ministry. Imagine my surprise as every woman present went to the other room except for my assistant. Many women have never repented of the sin of abortion - the shedding of innocent blood. They live their lives burdened with grief, guilt, shame, and condemnation. Tears of godly sorrow flowed, life came, and restoration and blessings flooded their lives like a river of grace.

Godly sorrow over personal sin seems lost in the church. Ask the Lord to give you godly sorrow, to see your sins through His eyes and the eyes of those you have hurt. Godly sorrow brings life and breaks the hold of condemnation and shame. Allow the Holy Spirit to highlight each prayer in this section needed for your life. These prayers are highly personal. Follow the Holy Spirit on this journey. Prayerfully consider the titles in the Table of Contents and let the Lord lead you on your journey. Not everyone will need to deal with divorce, abortion, and ungodly sexual bonds.

During a time of intense prayer over personal accusations against my life and my accusations against others, I realized that these prayers were significant for my future. I carefully reviewed my life and spent time in dealing with the accusations in each situation that caused pain and confusion. I learned to agree with my accuser and repent for any truth in the accusation. I also repented for my own agreement with the judgments of others and forgave those that accused me. I asked for them to be freed from any curses that they brought on themselves through their words. This was followed by a time of walking through my accusations (judgments) against others. By the time I finished this prayer, I was so broken that I felt like Isaiah, and I asked the Lord to purge my unclean lips with a coal from the altar. Since then, I have become very aware of the judgments of others and my own tendency to have a judgmental opinion. As a result, I am stopping all conversations that are not wholesome and of a

good report. A guard must be placed on your tongue!

Dan and I saw immediate manifestation from this time of prayer. We were in the midst of building a home in the mountains that had come to a standstill due to weather and schedules. The next morning we saw the cement truck that laid our foundation. The Lord's House was on track again. Each time I find myself stuck, I look at the power of accusations to hinder my journey. It has become so noteworthy that I have truly put a guard on my tongue and my thoughts.

Every accusation of the enemy and others must be dealt with in the Court of Heaven either by repentance for your actions or by refuting a false charge. These accusations have power especially if they have been spoken by someone in authority: parents, leaders, teachers, and bosses. Prayerfully consider your life and allow the Holy Spirit to show you those who have made accusations against you and who you have accused.

I have recently become aware of judgments that are originating in the Court of Hell (Gates of Hell). I have begun to take these judgments to the Superior Court of Heaven and ask for the higher court to overturn the rulings of the lower court of hell. In this scenario, an individual finds others to agree with their justification to sin. A good example is in the case of adultery. Two individuals in an affair agree that the injured party (wife or husband) deserves to be abandoned because of an agreed upon failure. The law of agreement is a spiritual principle that works in the demonic realm. The Court of Hell agrees with their justifications and declares them right in their action. It is very difficult for someone operating with a ruling of justification from the Court of Hell to see his or her sin. They are blinded by their iniquity and unable to repent in their self-righteousness.

I have also found this the overturning of the rulings of hell to be effective regarding the death sentences that individuals receive from doctors. In this scenario, an individual receives the report, and a death sentence is released by the Court of Hell. You will need to seek the Lord to discover the root cause of the death sentence. This will need to be confessed and covered in the blood of Jesus. Then ask for this sentence of the lower court to be overturned in the Superior Court of Heaven. I have found that I am flooded with peace when these sentences are reversed.

## BREAKING THE POWER OF ACCUSATION

### ————— P R A Y E R —————

I come before the Just Judge of the Universe to plead my case regarding the following accusations against my life (*list each accusation and repent as needed*). I ask forgiveness for any action or reaction on my part that caused this accusation to be made by \_\_\_\_\_. I forgive them for their judgments against me, and I ask the Just Judge to forgive them. I cover all accusations in the blood of Jesus and ask that those words fall as dust to the earth. All demonic entities released by these accusations must cease and desist in their assignment against my life.

I come to confess my judgments against \_\_\_\_\_. You have warned us not to judge because, in the same measure that we judge, we will be judged. I ask forgiveness for my words, thoughts, and opinions against \_\_\_\_\_. Father, I am guilty and without excuse. Please release \_\_\_\_\_ from the power of my accusations and cover those words in the blood of Jesus. May all these words of death fall as dust to the earth and any demonic entities that were released by my accusations must cease and desist in their assignment against their life.

Just Judge, I would like to bring a testimony of my life in Christ. (*Present a testimony of your journey of faith.*) Based on my faith in the Lord Jesus Christ, my tithes and offerings, and my covenant relationship with You, I ask that my destiny and purpose be released into the earth. I ask that the prophetic words that are written in my book be made known to me so that I can walk in those paths that You have been prepared beforehand for me. I desire to be all that You have created me to be. I choose to put a guard on my tongue. Please convict me every time that I judge another. May I speak only those words that are pure, holy, uplifting, and wholesome! You have given me the authority to speak creative words with power. Let my words produce life.

## IDENTITY IN SELF

### PRAYER

---

Lord, I acknowledge that I cling to my identity formed by my family and history, struggles and heartache, failures and successes, position in society and education, my church and denomination, my culture and neighborhood, my political party and nationality, my race and financial status. Wearing layer upon layers of coats, I present an image to the world, hiding my fatally flawed, wounded self. Your life in me is hidden behind this image of identity and others cannot see Your life within. I confess that my identity is rooted in self rather than You and Your Word.

When I hear Your Word, a shield keeps me from allowing the truth to penetrate my heart. “I am accepted in the beloved just as I am.” At the deepest level, I struggle with the reality of a Father who loves and accepts me simply because I have received His Son. I keep trying to earn Your love by what I do rather than who I am—Your child! I fall into the trap of self-righteousness, trying to clothe myself in good works so that I am acceptable to You and others.

Lord, I confess that I am not perfect! I was born a failure and make mistakes. I acknowledge that I am fatally flawed and without hope outside of the redeeming Blood of the Lamb. I was born to fail because I was born on this earth as a son of Adam. It is so hard to allow this truth to penetrate my stronghold of pride, yet deep within I know it is true. I stand amazed! How could You choose me—a flawed son to be in Your family before I ever walked the earth? Somehow, I feel I have to earn Your love; somehow. I think it depends on what I do rather than the finished, perfect work of the cross.

My identity in self keeps me rooted to the things of the earth far from fulfilling the wonderful destiny You have for my life. Even though I serve You, I continue to survive depending on myself rather than You, Lord. I

am earthbound in my faith, vision, expectations, hope, understandings, relationships, and ways. Because of my limitations, I fashion You, the Eternal One Ancient of Days, into a reflection of my own expectations. I confess that I have created an image of You rather than seeing You as You are, a good loving Father. Please shatter this false image. Father, help me to understand Your Word in the light of Your Truth rather than through the eyes of my carnal nature. Forgive me for my “self”-filled ways.

*(Begin confessing your self-centered sins. Recognize that all self-sins deny the work of the cross. An anti-Christ spirit strengthens and reinforces the focus on self rather than Jesus Christ and His anointing to deliver and save us from our self. Self-sins include pride, self-sufficiency, self-protection, self-pity, self-consciousness, self-determination, self-love, self-idolatry, self-centeredness, self-preservation, self-criticism, self-hatred, self-indulgence, self-occupation, self-reliance, self-justification, self-opinions, self-seeking, compulsive control, self-deception, self-delusion, self-abuse, self-absorption, self-contempt. If you notice any resistance during this prayer, spend time with the Lord to discover the root cause.)*

I confess (*name the ‘self-sins’*) that glorify and strengthen the self-life in my nature. I renounce the spirit of anti-Christ that holds me rooted in the self-centered life of the flesh. I acknowledge that no good thing dwells in my flesh. I will not rely upon that which does not profit. I will only rely on My Lord. You have said that I must lose my self-life to gain it. If I hold onto my self-life, I will lose it (Matthew 10:39). I have taken pride in (*confess any areas of pride: my appearance, my intellect, my position, my name, my accomplishments, my nationality, my education, my denomination, my gifting and callings, my natural abilities and talents, and my family*). At the same time, I have allowed shame to hide my failures, sins, and traumas. I confess that I have agreed with the enemy and hated myself.

I confess that my self-life has been crucified with Christ. I no longer live, but Christ lives in me. And the life I now live in the flesh, I live by faith in the Son of God, who loved me and gave Himself up for me (Galatians 2:20). Lord, cut the cords that hold me earthbound. Father, remove the heavy ropes that hold the self-life in place. Smash the molds

of self (emotional, intellectual, physical, and spiritual) upon which I have relied for survival. Free me to be transformed into the image of Your dearly beloved Son. Allow me to rise up on eagle's wings. Enlarge my vision to see me as You see me. I am the child of the Most High God who loves and cherishes me just as I am. My security is in You! I can return to the Garden of Eden and stand naked and unashamed before You and the world!

## DISMANTLING THE LIES

Lies create strongholds in the soul which only truth can dismantle. Satan is the father of lies and has planted lies in man since the fall of Adam and Eve. Eve believed the serpent's words that God was withholding good. Despite your best intentions, these strongholds create a barrier that must be removed if you are to be a lover of the Father.

---

P R A Y E R

---

Lord, open my eyes to the lies that keep me from trusting You! Reveal any lies that separate me from that close intimate relationship that Adam had with You in the Garden. Open my eyes to every lie that binds me to doubt and unbelief in Your Word, Your faithfulness, and Your perfect love for me. I find myself wavering in my pursuit of You because of double-mindedness. When the enemy comes in like a flood, I am overwhelmed by the fear that I cannot really trust You. I renounce the original lie that You withhold good from my life. You are full of compassion, loving kindness, and goodness. You are LOVE! I trust You, Father, with my past, present, and future.

Lord, I desire to know You, as You are, not through the distortion of lies and fear. Wash my mind, emotions, and soul with the Blood of the Lamb so that I may know the truth in my innermost being. You have promised that I would be sanctified by the truth and that the truth would set me free. I declare that You are good, and Your mercy is everlasting to those who love You and obey Your commands. You are a rewarder of those who diligently seek You. Strengthen my faith and give me opportunities to know Your steadfast love.

## FREEDOM FROM FEAR THROUGH LOVE

### — P R A Y E R —

Father, I confess my sins of doubt and unbelief caused by fear, dread, insecurity, and terror. In 1 John 4:15-21 (AMP), Your Word declares that *anyone who confesses that Jesus is the Son of God, God abides in him, and he is in God. And we know and believe the love God has for us. God is love, and he who dwells in love dwells in God and God dwells in him. In this union with Him, love is brought to completion and perfection that we have confidence in the Day of Judgment. There is no fear in love, dread does not exist, but perfect love casts out and expels every trace of terror, fear, insecurity, and dread. Fear brings the expectation of punishment: he who fears does not know the perfect love of the Father. If anyone says that he loves God, but hates and detests his brother in Christ, he is a liar. For he who does not love his brother whom he can see cannot love God whom he has not seen. This is the command from Him that he who loves God shall love his brother.*

Father, reveal every area in my life where I am not dwelling in love, where I am dwelling in fear and torment. Reveal every person that I have refused to love with a cold-heart attitude. I confess my hatred towards \_\_\_\_\_ . Forgive me for every attitude, word and act of hate against another.

Cleanse my soul of the hatred and self-righteous justifications of my words and actions. Allow Your love and mercy to flow through me towards them. May I see the face of Jesus when I look at them! Father, I want to know Your love in the depths of my being, free from the fear of punishment. Fear keeps me from abiding in Your love. I desire to abide in love, free of fear, far from guilt and shame through the righteousness of Christ Jesus. I want to be able to say when I enter my eternal reward that I have learned to love.

## CLEANSING THE ADULTEROUS HEART

Spiritual adultery is a jealous rivalry for the attention of another. It was the primary motivation for Satan's deception in the Garden of Eden. He had to destroy man's relationship with God. In the same way, the enemy uses spiritual adultery to destroy relationships. This jealousy of your rival destroys your covenant relationships with family members, friends, spouses, churches, and society.

This sin of jealousy is at the core of man's fallen nature. You must examine how spiritual adultery has affected your life. This jealous rivalry shows its ugly face when you are jealous of another's relationship with Father God or another person's gifting and calling. This spirit reveals itself in critical judgments against a rival. When you share your critical judgments, you destroy the listener's relationship with the person judged. When the other person listens and comes into an agreement, they commit treachery or treason – resulting in adultery.

————— P R A Y E R —————

Father, I acknowledge before You that I have an adulterous heart. At the core of my carnal nature, jealousy, envy, rivalry, and a critical attitude towards others exist! I find it difficult to rejoice in another's good fortune and secretly delight in their struggles and failures. I am jealous of the relationships of others with their spouse, family, friends, and even with You.

Through my words and actions, I set in motion the fire of hell against the other's life through gossip, slander, and lies. Out of insecurity, pride and selfishness, I seduce others to satisfy my need for attention, praise and even worship. I have set myself up as an idol, and I destroy anyone who will not bow to my idol of self.

Father, forgive me and cleanse me of the sin of Satan. Consume every structure in my flesh that requires worship from others. Forgive me for setting myself up as an idol. I take my stand now to destroy the idol of self with the war club of God by pounding it to dust. Like the children of Israel who worshiped the golden calf, I will drink the bitter cup of that dust. I will only worship You and You alone. I humble myself before Your Throne and acknowledge my utter need for a Savior and Redeemer. Keep me alert to this temptation to destroy others.

I have sinned with my jealous thoughts, envy, manipulation, control, and critical, destructive words. I confess my jealous adulterous heart against \_\_\_\_\_. (*Confess the situations where adultery has been evident.*)

I confess that I have been harshly critical of \_\_\_\_\_. I sought to hide my envy and jealousy and to separate them from their relationships with others. I ask forgiveness for all the lies, judgments, and accusations I have made against their lives. I ask that the blood of Jesus covers these words and that all oppression be released from their lives now. Help me to make restitution by restoring the shattered relationships through speaking and living the truth. Restore everyone and everything

that the canker worm of jealousy has destroyed in my life.

*(In some cases you have been the object of adulterous jealousy. Forgive those who have brought destruction to your life by their jealous rivalry and contention against you. Forgive those who listened to their lies and broke covenant with you.)*

Father, I forgive \_\_\_\_\_ for their purposeful destruction of my relationship with \_\_\_\_\_, at work, in my family, in the church, with pastors and leadership. I forgive them for the lies and false accusations, which destroyed relationships in my life. You know the tears, the pain, the confusion, and the sorrow I have suffered because of the loss of those relationships. I forgive them for the destruction of covenant relationships, for releasing confusion and darkness, for distorting my vision, destiny, and life purpose. In Isaiah 54:17, it says, No weapon that is formed against you will succeed, and every tongue that rises against you in judgment you will condemn. This [peace, righteousness, security, and triumph over opposition] is the heritage of the servants of the LORD, and this is their vindication from Me,” says the LORD.

I ask that all words of judgment and criticism spoken against me by \_\_\_\_\_ fall to the ground as dust. I ask that all the power of death and destruction be reversed in the Court of Heaven. All demonic forces cease and desist as their assignment has been canceled by the blood of Jesus Christ. The power of this harassment and torment is broken. May all relationships that have been broken by this adulterous spirit be restored!

Father, I forgive and release into Your loving discipline all those who have wounded and judged me. Because of Adam’s treachery, I recognize that I have the same flaw within my carnal nature. Father, help each me to recognize and stand against this sin of Adam.

## CONFESSION OF PERSONAL TREACHERY

Treachery is the violation of another's confidence, faith, and covenant relationship. When a person is treacherous, that person betrays another person causing deep wounding and confusion. This betrayal sets in motion a cycle of trauma, devastation, and further treachery.

————— P R A Y E R —————

Father, I acknowledge that my self-life is rooted in my fallen nature, the Adamic nature. *Like Adam, who transgressed the covenant by being treacherous and unfaithful to You* (Hosea 6:7), I am unfaithful at the very core of my being. I have dealt treacherously with My Creator as well as men and women whom I have known. This is so much a part of my being that I do not even recognize my treason. Father, open my eyes to see the depth of my unfaithfulness against my family, my church, leadership, friends, and other relationships. I am so sorry for every time that I have been unreliable, unfaithful, and have violated the trust of those around me. I confess my sins of treachery against \_\_\_\_\_ . *(Ask the Lord to convict you of any treachery in your past. Let Him show you your treacherous ways. Confess any treachery and unfaithfulness that you have been a part of in your life.)*

Father, convict me every time that I come into agreement with the Accuser of the Brethren when I point out someone's weaknesses, failures, and flaws. Through my agreement with the judgment of hell, I have strengthened the bondages in their lives. I have betrayed them by not speaking Your grace-filled words of life over them. Cover all my faithless words in the blood of Jesus nullifying their power of agreement with hell.

I am so thankful that Jesus overcame my treacherous heart in the wilderness when He did not yield to the temptation of high treason against his Father. My Savior did not bend His knee to Satan to avoid the suffering of the cross to gain His power, authority, and dominion over all the earth (Matthew 4:8-9). From His position of victory, He walked into His ministry of power, grace and might in the earth (Luke 4:14). Jesus overcame treachery with the grace of the Holy Spirit. I too can overcome my fallen nature. I ask for a complete understanding of the treachery that is so deeply rooted in my nature. I ask for the Holy Spirit to convict me of my treachery (unfaithfulness) against You, Lord, my brothers, and sisters,

and the Body of Christ.

*I was brought forth in iniquity and conceived in sin. I desire to know the truth in my innermost being. Create in me a clean heart and renew a steadfast (faithful) spirit within me. Keep me mindful that when I do not walk in the spirit, I walk in the corruption of my flesh. By the grace of the cross, I know that I have been born again from above of incorruptible seed. I have been baptized into Christ's death so that my treacherous heart was dealt with at the cross. I receive what Jesus Christ established in the wilderness and completed at the cross in an unbreakable Covenant of Life.*

Father, as I understand the treacherous heart that is a part of my nature, I am able to forgive my brothers and sisters who have betrayed me. Like Jesus, I can say, "Father, forgive them, they know not what they do." Forgive me for holding them in any way by my rehearsal of destructive memories, by my unforgiveness, bitterness, hatred, pain, and the desire for revenge. I ask that You remove the wall that separates me from my brothers and sisters. As a part of Your Body, we are bone of Your bone and flesh of Your flesh. When I separate myself from them, I separate myself from You, Father. I need the grace to walk in forgiveness. Show me how to be the bridge of peace.

## RELEASE FROM THE TRAUMA OF DIVORCE

This prayer is for severing the bonds of marriages that have ended in divorce. Years after my former husband left, I still struggled with the cords of love that bound me to him. In frustration I cried out for freedom, the Lord taught me how to be set free. The Lord said, "What God has joined together, let no man put asunder. But I can put it asunder." He was able to do what no man is able to accomplish. Many people are held captive by the memory of the sexual knowing and the covenant vows of marriage. The Lord taught me to cover all sexual intimacy, marriage vows, and words of love in the Blood. He obliterated my memory of the knowing and being known. This prayer freed me from the emotional and spiritual ties to my former husband who remarried

shortly after the divorce.

When one leaves the marriage, the one abandoned suffers tremendous trauma. You will pray depending on your role in the destruction of the marriage. It is important to recognize that each one is responsible for their part in shattering the marriage. Ask the Lord to show you your sin in the divorce even if you were the so-called 'innocent party.' Then ask your former spouse for forgiveness. This can bring healing to your children.

————— P R A Y E R —————

Father, humbly I approach the mercy seat of Heaven on behalf of my children, my former spouse and myself. I confess my selfishness and failure to keep my marriage vows. My marriage ended in divorce damaging our children's future. Release great grace to our children to forgive their parents. Reveal any lies causing them to walk in false responsibility for our failure. Set them free with the truth that their parents are fatally flawed and caused the divorce.

Lord, my children, need to know You and Your faithfulness. Reveal Your healing love to their hurting hearts. Help them trust their parents and other adults. Be the Father to the fatherless. Cover them with Your wings like a mother hen protecting her chicks. May they have the assurance of Your grace and keeping power in their life! I pray that you bring other men and women to pour wisdom, love, and comfort to restore and heal their lives. I pray that my children will be healed and restored. I ask that they will be victorious husbands and wives, mothers and fathers, having learned the hard lessons of divorce. May they rely on You for the grace to live the married life!

Father, I ask that You heal and restore my former spouse. Draw \_\_\_\_\_ to Your mercy seat where he/she can find forgiveness and grace in a time of trouble. Please save and deliver \_\_\_\_\_ to the uttermost, so that he/she can train up our children in the fear and admonition of the Lord. I forgive \_\_\_\_\_ and \_\_\_\_\_ (*name the other party if there was adultery*) for every word, deed, and attitude that brought death to our marriage. I forgive the sins of \_\_\_\_\_ that fatally wounded my heart and destroyed my hope for a future. I remit the sins and cancel my account of suffered wrongs. Father, the revenge that I require for the destruction of our family is the salvation of all parties involved. May we share eternity as a part of the family of God!

Father, I ask for eyes to see, ears to hear, and a heart of understanding so that I can see my sin in the failure of this marriage. Give me the grace

to ask forgiveness from my spouse and to give forgiveness knowing that we are fatally flawed. We were destined to fail without You at the heart of our marriage, holding us together in covenant. Forgive me for my independence from Your Word, my arrogant pride in my ability to love my spouse and be faithful outside of Your covenant of grace.

Father, I ask that all intimate knowing from our marriage be covered in the blood of Jesus, releasing its power to rob my peace through longing and regret. I ask that You wash my memory of intimate knowing of \_\_\_\_\_. Father, may our marriage with all its failures, sins, and pain is placed in the sea of forgetfulness. I ask that our marriage vows, all promises, and words of eternal love be covered in the blood of Jesus. I thank You for freeing me from the bondage of failure and fear set in motion by my broken marriage.

I know that You have ordained a hope for my future. I submit to the future that You have destined for my life. I refuse to live in the pain and desolation of divorce. Heal my heart, my emotions and my willingness to be vulnerable. If it is Your will, I ask to be established in a marriage based on a covenant to a spouse of Your choosing. Thank You for dismantling the structures of my flesh that keep me from loving another in truth.

*(If you are the guilty party, you need to ask forgiveness from your spouse with godly sorrow and make restitution to your family for your selfish destruction of their lives. If the door is open, examine the possibility of reconciliation with your former mate. It will take much effort to rebuild that, which has been destroyed. Remarriage usually ends any hope for reconciliation. You need to provide financial support for your children, meeting their needs in every area of their lives without resentment or control. Also, spend quality time with them rebuilding what has been destroyed.)*

RELEASE FROM THE TRAUMA OF ABORTION

Abortion is a sin against the Creator of Life. By listening to the counsel of society, a woman by her choice separates herself from the Father. Finding herself in a difficult situation, she destroys her seed by her decision that this life is not as valuable. When a woman assumes the power of life and death, she sins against her Creator, her seed and herself. She releases the spirit of death within her own body. The blood of the innocent cries out for judgment against her pride and lost faith in God. She is guilty for the blood of the innocent. Everyone who assisted her in getting this abortion is guilty before the Lord.

————— P R A Y E R —————

Father, forgive me for the grievous sin of murdering my child in the womb, for shedding the blood of an innocent life. I stand guilty as charged before Your Throne of Grace. I discarded Your gift of life as an inconvenience in my time of struggle. I failed to rely upon Your mercy and grace to defend my child's life in that hour of temptation. I justified my actions and tried to cover my sin. When I was silent about my sin, my body, soul, and spirit were devastated by shame, guilt, and condemnation. This day I confess my transgressions of murdering my innocent baby, of my pride and fallen faith. Thank You for Jesus Christ who became sin to free me from the power of sin. You were pierced for my transgression and crushed for my iniquity. You bore the punishment earned and became a guilt offering for my life. You have forgiven the guilt of my sin, and You restore my broken life. Father, I forgive \_\_\_\_\_ for their part and portion in this sin. Deliver me from the vivid recurring memories of that day. In the name of Jesus, I command the spirit of death to leave my body, my life, my emotions, and my marriage.

*(Spend time holding a doll shaped bundle. Ask the Lord to reveal the sex and name of your child. Make your baby real in your heart by asking forgiveness and loving on this child. When you are finished, place your baby in the Lord's arms knowing this child will be waiting for you when you finally arrive in Heaven.)*

Lord, I realize that I aborted my child, a living soul who went straight to You. This day I declare this child is my flesh and blood. I name my

baby \_\_\_\_\_. I ask you, \_\_\_\_\_, to forgive me for not cherishing, nurturing, and bringing you forth into the world. I miss you and long to see your smile, your eyes, and to hear your laughter. I am so sorry for ending your life before it began. I release you into the arms of Jesus. Jesus, take care of \_\_\_\_\_ until I enter Your Kingdom. Thank You, Father, for healing my broken heart! Thank You for releasing the anguish in my soul and freeing me from the bondage of death.

I ask that You restore the joy of motherhood in my life. Help me to open my heart to love my children and my arms to hold them tenderly.

## DEDICATION AS A BONDSERVANT

### — P R A Y E R —

Lord Jesus, I give You all that I was in my past, all that I am now and all that I will be in the future! I give You all that I have in the natural and the spirit. I declare that I am Your bondservant, obedient to Your Word and Your will for my life.

I rejoice in the goodness of my Father who has destined me to be a part of a Chosen People, a royal priesthood, and Your own precious possession! I rejoice that I am a praise to the glory of Your grace. Father, it was your kind will that I would be called out of darkness into Your marvelous light. Once I was not a part of Your family, but now I am in the family of God. Once I was separated from mercy, but now I have received mercy. This is Your kindness towards me so that my life might be to the praise of Your glorious grace that You so freely gave me as Your Beloved.

I am now Jesus Christ's inheritance, and I have obtained an inheritance because You have blessed me in Christ with every spiritual blessing! Father, You chose me to be in Christ so that I could stand before You—holy, righteous, and pure. I choose to walk in love just as Christ loved me. I no longer walk in darkness, but can walk blamelessly in Your love. Now I am in the light of the Lord, and I will walk as a child of light. I declare that I am an imitator of my Father just as a well-beloved child imitates his/her father.

I ask that the Ancient Door of my lineage be opened so that the King of Glory, the Lord of Hosts, may enter my life. I ask that my Books of Destiny, the reason I was created from the foundations of the world, be opened and all the generational blessings released so I can complete the end-time work of the Kingdom. Now, I ask Father that You release all the spiritual gifts from my generations past to me now according to Your will and purposes. I sing the song of the redeemed,

*“And they sang a new song, saying, “Worthy are You to take the scroll and to open its seals, for You were slain, and by Your Blood You ransomed people for God from every tribe and language and people and nation, and You have made them a kingdom and priests to our God, and they shall reign on the earth.” (Revelation 5:9-10 NASB).*

I rejoice that I am free! I am free to receive the grace of salvation, to walk justified and holy before Almighty God because of the Blood of the Lamb.

I thank You Lord for opening up the books of my life to release the destiny, purpose, call, and gifting that You ordained for me in the Council of God before the foundation of the earth.

## ADDENDUM

### RENUNCIATION OF THE KINGDOMS OF WATER SPIRITS

By Linda Kendall-Neal with  
major revisions by Jacquelin Hanselman.

Used by permission.

This petition was birthed from declarations made during prayer work with land redemption. It was declared prophetically that we are entering the season of redeeming the waters. I felt an urgency to help land intercessors get “cleared” of generational water iniquity and curses.

In praying about this, I was led to Matthew 24 where it speaks of the floodwaters of wickedness.

*Matthew 24:37 As it was in the days of Noah, so will it be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark...*

I felt the urging of the Holy Spirit to renounce the defiled waters from the generations back to Noah. As a result, these declarations were birthed. May these petitions yield a mighty harvest for you and your seed!

Complete the prayers, “Confession of Profane Worship” (p.71), “Confession of Family Sins and Iniquities” (p.116), “Repentance for Generational Sexual Perversion” (p.127) sections in this book before completing the following “Repentance for Profane Worship of the Kingdom of Water Spirits” (p.195). As you complete this deep work of repentance, you are closing the doors in your generations to the consequences of this hidden iniquity.

In preparation, come before the Lord in a time of prayer, fasting, and worship to allow the Holy Spirit to reveal the deep-rooted iniquity of your

bloodline with their profane worship and covenants with the fallen sons of God and the wicked spirits in the waters. The fallen sons of God rule over nations. These powers of darkness have also established kingdoms in the waters with the spirits of wickedness, the Nephilim, from the great flood. Each culture has different rituals and beliefs about the water gods and lesser spirits. A search online revealed the cultural names of the gods of the waters and the myth of the great flood in the prehistoric records of the nations.[\[23\]](#)

REPENTANCE FOR PROFANE WORSHIP  
OF THE KINGDOMS OF WATER SPIRITS

————— P R A Y E R —————

By the blood of the Lamb, I enter the Mercy Court of Heaven to confess the iniquity of my bloodlines' profane worship of the fallen sons of God and the spirits of wickedness in the water kingdoms. I humbly stand before the Just Judge of the Universe, Jesus Christ, the Holy Spirit, the great cloud of witnesses, and the hosts of Heaven to plead my bloodlines' case for the complete deliverance and cleansing from all inherited defilement and curse.

Lord, I repent and renounce on behalf of my bloodlines and myself for trading our inheritance and future seed to the fallen sons of God in the midst of the waters, sustaining the wickedness of the great flood. I repent for all rituals, ungodly trading floor agreements, oaths, and covenants with Leviathan who dwells in the midst of the sea, the fallen sons of God and the wicked spirits of the Nephilim dwelling in the waters of the earth. I confess that my bloodlines traded their inheritance and the destiny of their seed for blessings, power, wealth, fertility, and victory in battle.

I confess that my bloodlines called forth the fallen sons of God and the wicked spirits of the waters through prayers, chants, rituals, and offerings. They offered sacrifices—even infants, children, and virginal youth—to appease the fallen sons of God and the wicked water spirits. Their worship was in vain! Each time a blood offering was poured into the water, the kingdoms of the water spirits were strengthened bringing death to that region through floods, tsunamis, and drownings. Father, we are guilty! We are guilty of an inordinate fear of the power of the waters. We did not know Your covenant promise of the rainbow to never again destroy the earth by a great flood.

I confess that my bloodlines considered the water sacred and dangerous. They participated in profane rituals at springs, wells, rivers,

waterfalls, lakes, seas, and oceans. They submitted to their tribes' customs' worshipping the fallen sons of God and wicked water spirits on special days. They immersed themselves in the waters of wickedness for the cleansing of their sins. I confess that only the blood of Jesus Christ can cleanse us of our sins. They drank the so-called sacred waters for blessings, fertility, and power over our enemies. I confess that only partaking of the Cup of the Covenant can bring us blessings from the Lord God.

I confess that my bloodlines engaged in rituals and prophetic acts for the purpose of sexual union with these wicked water spirits. I repent for defiling the seed of the future generations by these actions. I repent for the use of baths and waterfalls for sexual immorality, the use of body fluids for anointings (urine, spit, semen, blood), and the use of ceremonial drinks during these defiling rituals. I repent for everyone in my bloodline who participated in these fertility rites to gain the favor of the shapeshifting water spirits (examples: mermaid, mermen). I renounce all wicked water spirits that have attached to my bloodline because of their worship and dedications.

I confess that my bloodlines established covenants of death with the water spirits when they migrated to a new land. I repent for my bloodlines who offered sacrifices to the fallen sons of God as they sailed the oceans in the vain belief that this worship brought them safety. I ask forgiveness for my bloodlines' defilement of the waters by their profane worship. By their actions, generations are held in captivity and darkness. I ask that my repentance begin to unravel the power of the kingdoms of water spirits in the regions where they lived.

I repent on behalf of my bloodlines and myself for all beliefs, agreements, pursuit, and engagement with reincarnation. I repent for my bloodlines that participated in burials in the waters believing that the departed souls would enter heaven or have a favorable rebirth in the next life. I recognize that the spirits of the Nephilim rise up from the seas of wickedness looking for a person to occupy. I break all soul and spirit ties with past life regressions released by these spirits of wickedness.

I acknowledge that the waters of the earth are polluted in the natural

and spiritual realms. I repent on behalf of my bloodlines and myself for polluting the waters with garbage, sewer, chemicals, and poisons. I repent for not using my God-given authority to take dominion over the earth to heal the waters. Father, Creator of Heaven and Earth, and all it contains. You love the earth! All the wisdom we need to heal the waters is found in You. I confess that I have not loved the earth as You have loved Your creation. Forgive me and give me wisdom for the healing of the waters.

I repent on behalf of my bloodlines and myself for forsaking You, the fountain of living water, and for fashioning broken cisterns. I repent for my bloodlines seeking of the wicked rivers of darkness and not Your River of Life and righteousness. I repent for preventing the outpouring of Your Spirit due to their alliance with the spirits of religion, rebellion, and sexual immorality. I ask according to Amos 5:24: *Let justice roll on like a river, righteousness like a never-failing stream!* And Isaiah 44:3: *For I will pour water upon him that is thirsty, and floods upon the dry ground: I will pour My Spirit upon thy seed, and My blessing upon thine offspring.*

Father God. I repent on behalf of my bloodlines and myself for drinking from the cup of bitterness—for nurturing offenses and unforgiveness. Forgive us for murmuring and complaining against You. Like Israel in the desert, my bloodlines and I only found the bitter waters of Marah to drink. Forgive us for blaming You for the bitter waters of our lives rather than accepting the consequence of our sins and iniquity. I ask that you heal the bitter waters in our cells. Heal all diseases and infirmities caused by these bitter waters.

I repent for everyone in my bloodline involved in the occult and New Age, who have practiced rituals of worship at springs, wells, rivers, waterfalls, lakes, seas, and oceans. I repent on behalf of my family and myself for any fascination with mermaids and other wicked water spirit symbols used in media, tourism, and superstitions. I repent for wearing these symbols and decorating my home with these images. I renounce all images that evoke the spirits in the kingdom of the water spirits through tattoos and jewelry (dragon, alligator, crocodile, python, whale, whale tail, starfish, dolphin, octopus, frog, shark, and mermaid). I renounce all

fascination and powers in the waters attributed to these images.

I forgive my bloodlines for their worship of the kingdom of water spirits. I forgive my bloodlines for bringing death and destruction on their seed. I forgive them for reinforcing these covenants of death as they sailed across the ocean. I forgive them for re-establishing these covenants with the water spirits in the lands where they settled. They did not know You, trust You, or put their faith in Your ability to bless and keep them.

On behalf of my bloodlines and myself, I forgive the first nations people, African slaves, settlers, and immigrants for defiling the waters in my nation. I forgive them for invoking the water spirits and establishing their covenants of death in this nation's oceans, lakes, waterfalls, rivers, streams, wells, and springs.

I forgive witchdoctors, witches, warlocks, priests of darkness, and occultist for exalting the powers of water through healings, rituals, purification, magic, and dead water. I forgive them for defiling the waters and invoking curses upon my bloodlines and myself. I ask for their redemption by the blood of Jesus Christ. I ask for their salvation, deliverance, and participation in the army of God called to redeem the land, waters, and the people of the nations.

I agree with the Accuser of the Brethren accusations in the Mercy Court today. I acknowledge that every accusation, every charge leveled against my bloodlines and me is true. We are guilty and are in desperate need of forgiveness and restoration.

I ask that the blood of Jesus Christ obliterate all records from the books of Hell of every covenant, oath, dedication, and trading floor agreement made by my bloodlines and myself. Today I stand on the truth of Your Word! 1 John 1:9 says that... *if we confess our sins, he is faithful and just to forgive our sins and cleanse us from all unrighteousness*. I stand as a representative of my bloodline, having confessed our iniquity, and I ask for the blood of Jesus to cleanse my bloodline from all iniquity and defilement of darkness.

I request that this repentance for my family be recorded in the Books of Heaven and the blessings of the Lord be released today.

## RENUNCIATION OF THE KINGDOMS OF WATER SPIRITS PETITION

I bring these petitions to the Court of Heaven, on *(date)*  
\_\_\_\_\_ on behalf of: *(name the body of water, region,*  
*family, etc.)* \_\_\_\_\_,  
Plaintiffs.

*(Plaintiffs are body of water or the people you represent in the cleansing of  
the Renunciation of the Kingdoms of Water Spirits)*

### **Defendants:**

- Water Kingdoms of Darkness
- Fallen Sons of God ruling in the waters of the earth (like Poseidon and Neptune)
- Spirits of the Nephilim, the spirits of wickedness,
- The substance of great wickedness from the great flood of Noah including birth waters, bitter waters, bath waters, sealed waters, dead waters, impure waters, polluted waters.

### **Opening Statement:**

In the name, authority, and power of the blood of Jesus Christ, on behalf of the generations that defiled the waters and seas through profane worship back to the days of the great flood of Noah, I testify:

That every transaction made with the demonic seed from the great floodwaters of Noah to the present day has been nullified, destroyed, and broken by repentance.

That my generations and I have forsaken You, Father God. We have built for ourselves broken cisterns that cannot hold water (Jeremiah 2:13). We have allowed pride and rebellion to flow as defiled floodwaters through the

bloodlines of our DNA. Wash my bloodline with the blood of Jesus Christ. Let us look upon Your Glory once again.

I seek for the living waters, the River of Life that flows from the throne of God to wash my bloodline and myself. I ask for the cisterns in my family to be restored and filled with the living water.

I ask for the destruction of all demonic seeds implanted into my mind, body, or spirit.

I seek full restoration of all physical and mental imbalances (such as mental illness, hormone imbalance, etc.) rooted in these sins, iniquities, and curses of our bloodlines.

I seek the promises of the scriptures.

Isaiah 44:3 (ESV), *For I will pour water on the thirsty land, and streams on the dry ground; I will pour my Spirit upon your offspring, and my blessing on your descendants.*

Isaiah 58:11 (ESV), *And the Lord will guide you continually and satisfy your desire in scorched places and make your bones strong; and you shall be like a watered garden, like a spring of water, whose waters do not fail.*

Isaiah 12:3, *With joy you will draw water from the wells of salvation.*

### **Petitions:**

I petition Jesus Christ to open and release of the books of destiny for my lineage. May our destiny be revealed through prophetic words, dreams, and visions. May the power of God be released to bring it to pass (Jeremiah 1:6).

I petition the recovery of all stolen treasures lost in the seas of corruption. May these treasures be legally removed and restored to my family.

### **Testimony of the Great Cloud of Witnesses:**

*(Allow time for the witnesses to speak.)*

I bring forth the testimony of faith from the cloud of witnesses (especially those related by blood to my family). In unity, we declare that the blood of Jesus Christ cleanses our hands and hearts. We desire to be a “sweet

fragrance” in the Mercy Court. We are partakers of the Covenant of Abraham, Isaac, and Jacob. We have overcome by the blood of the Lamb and the word of our testimonies these many generations. We are Bible believing overcomers in Him. We believe in the Word of God, that all Your Promises are ‘yes’ and ‘amen’. *2 Peter 1:4, Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust.*

### **Rulings of the Just Judge:~**

*(Take a moment of silence to hear the Court’s rulings. Peace is a good sign!)*

I request that the Just Judge declare on behalf of my family and myself that:

All covenants and agreements my bloodlines made with ungodly world dominions, rulers, and systems are nullified by this renunciation.

All ungodly pathways, doors, gates, portals, connections, grids, networks, and dimensions are sealed by the blood of Jesus Christ. Like in the days of Lot, the enemy will no longer have any access point.

All traps, snares, and cords of iniquity that would try to reconnect this bloodline to darkness are destroyed by the blood of Jesus Christ.

All thrones of fallen sons of God are removed, and the voices of every guardian being, demon, entity, and tormentor are silenced by the blood of Jesus Christ.

That the Lord of the Angel Armies is dispensing the hosts of heaven to the north, south, east, and west to redeem the seed in this bloodline and thwart the Defendants’ strategies of destruction.

That the River of God is flowing from under the Throne of God cleansing the defilement in this bloodline and bringing life to everyone who lives along the banks.

That this family is drinking with joy from the wells of salvation through Jesus Christ. *Isaiah 12:3, Therefore with joy shall ye draw water out of the wells of salvation.*

That the blessings of a thousand fold restoration is granted to this family’s physical, mental, emotional and spiritual well-being. *Deuteronomy 1:11 states,*

*May the LORD, the God of your fathers, increase you a thousand-fold more than you are and bless you, just as He has promised you.*

### **Closing Actions of the Court:**

May all the Books of Heaven reflect the Just Judge's Decrees.

May angel armies manifest the decrees in Heaven, on the earth and below the earth ensuring that all parties are aware of the rulings of the Just Judge.

May all lost inheritances and destiny in this bloodline is restored based on the blessings of the Abrahamic covenant for every person named in this petition

### **Petition**

*The following petitions have been written for those involved in land and water restoration. If not relevant, go to the last section of Thanksgiving, Communion, and the Sealing Prayer.*

May the Lord of Hosts release the Spirit of the Lord, the spirits of wisdom, understanding, knowledge, counsel, might, and fear of the Lord to guide those commissioned to redeem and heal the waters.

May the Lord release the authority of the rod of Moses on those designated to strike the waters and destroy the powers of wickedness in the waters.

May the Lord release the plague of Egypt on the spirits in the waters in every river, waterfall, ocean, sea, well, spring, and lake that has been defiled by profane worship.

May the Lord release the judgment written in Exodus 7:17-9 against the fallen sons of God and the wicked spirits in the waters. *By this shall know that I am the Lord: Behold I will strike the water that is in the Nile with the staff that is in my hand and it will be turned to blood...(vs 19b) ...and there will be blood throughout all the land of Egypt, both in vessels of wood and in vessels of stone.*

May the Lord release the River of God from the throne of Heaven to flow to the nations healing the defiled waters, bringing life and healing to all who dwell on its banks.

May the angel army guide, protect, and war on behalf of all those called to do water redemption work for the advancement of the Kingdom of God.

## **Communion**

*(Proclamation of the Covenant is critical):*

With a grateful heart, I thank the Just Judge, Jesus Christ, the Holy Spirit, the great cloud of witnesses, the angels and all participants in this Court hearing.

### SEALING PRAYER

Father, I ask that every word that was spoken today be sealed for time and eternity. I ask that these words be recorded in the Books of Heaven. I ask that the angel armies be released on our behalf so that we see the blessings of the Lord that make us rich with every spiritual gift in heavenly places that is legally ours by right of our eternal covenant with Almighty God. I seal this work in the Blood of the Lamb, by the power of the Holy Spirit and by the Word of God. I declare, according to Isaiah 55:11 that every word in agreement with the will of the Father shall not return empty without accomplishing what He desires and without succeeding in the matter for which it was sent. I declare that the Holy Spirit's breath— *zoe* life - is upon these prayers. I declare that the enemy shall not release against my life or my family any curses, counter-curses, strategies, or retaliations against our health, marriages, children, grandchildren, finances, ministry, destiny, or well-being in Jesus' name.

They develop strategies for the legal destruction of individuals, families, churches, cities, and nations by searching out their unrepented sins and iniquities in the books of Hell. This would be a counterfeit for the Council of Heaven or Divine Council. Satan imitates the structures of Heaven.

**Council of Heaven** - the ruling body, consisting of Almighty God as the supreme monarch with the assembly of the heavenly host, gathered around his throne in the highest Heavens to do His will. Psalm 82:1, Job 1:6, Daniel 7:10, Isaiah 41:21 (*Sometimes referred to as the Divine Council.*)

[1] **Kairos** - according to Wikipedia describes the right or opportune moment (the supreme moment). The ancient Greeks had two words for time, “*chronos*” and “*kairos*”. [2] **Council of Darkness** - a ruling body consisting of Satan as the leader, the fallen sons of God, and possibly human agents of darkness assembled in the throne room of darkness to develop strategies for the legal destruction of individuals, families, churches, cities, and nations by searching out their unrepented sins and iniquities in the books of Hell. This would be a counterfeit for the Council of Heaven or Divine Council. Satan imitates the structures of heaven.

[4] **Court of Heaven** - described in Daniel 7:10 (AMP). *As a stream of fire came forth from before Him, a thousand thousands ministered to Him, and ten thousand times ten thousand rose up and stood before Him (could this be the heavenly host and the great cloud of witnesses) the Judge was seated (the court was in session) and the books were opened.*

[5] **Default judgment** - according to the law is a failure to perform and act, or an obligation legally required, especially to appear in court or to plead at the time assigned.

[6] **Identificational repentance** - an act of identifying and repenting for the sins and iniquities of the bloodline, nation, or church as your own. The best example is Jesus on the cross.

[7] **Continuance** - to remain in the same place and condition. In the context of the court, it is an adjournment of a step in a proceeding to a future day. When you ask for a continuance, the accuser is not allowed to continue harassment while the court is deliberating this case.

[8] **Queen of Heaven** is a title used for goddesses central to many religions of antiquity: Isis, Astarte, Hera, Juno, and possibly Asherah (by the prophet Jeremiah).
