

Quotes - Martin Fabricius Trio

mMusic.es *"New World will be [like the other albums from the trio], once again, one of the albums of the year for mMusic... contemporary jazz in capital letters... essential..."*

Musenblätter.de - Frank Becker on New World: *"Exactly what we need in today's troubled world"*

Nordbayrische Nachrichten - Hans von Draminski (live review): *"Fabricius and company are masters of the quiet, subtle, atmospheric notes. In the capturing ballads and pastel colored sound paintings, stories are told from all around the world."*

Seismograf - Kristoffer Møllegaard on New World: *"An incredible well composed and well performed album... will caress you as a cool breeze and at the same time reward the attentive listener with lot's of finesse."*

JazzNyt - Niels Overgård: *"New World is Another beautiful chapter...once again Martin Fabricius Trio has created a beautiful and inexhaustible album. I can listen to it over and over again."* Niels Overgård JazzNyt

Jazzthetik - Victoriah Szirmai on *Under the Same Sky*: *"For nine songs, the listener floats on an air mattress filled with dreams, on a sea of minimalistic sound waves, accompanied by winds of sweet melancholy from sunny skies"* - 5/5 Stars

All About Jazz - Budd Kopman *"The opening sounds of the title track of Out of the White herald that this is going to be something different [...] the happy/sad feeling of a Fellini film."* - 5/5 Stars
