# Add-ons

Everyone likes add-ons

## Lunch lecture

- Are you working with interesting tech and smart solutions? Do you want to inspire students? Give a lunch lecture on one of the days leading up to the fair.
- Lunch lectures are usually very popular.
- We will provide the lunch boxes and take care of all the arrangements.

10 000 sek + 50 sek / lunch box

## Contact Meetings

- Contact meetings are an excellent way to have longer conversations with individual students during the fair
- You could talk about career opportunities, thesis projects or possible internships
- You select the students and we arrange the meetings

5 000 sek

# Such engagement! Probably a lunch lecture

# *The Banquet*

In the evening, students and exhibitors gather for the MEKKA-banquet, an evening of food, drinks and student-style entertainment.

**Tickets are, of course, included**

# For the student-life

The MEKKA fair is one of our main sources of income

## Your participation

MEKKA is one of the main sources of income for the Mechanical guild. **Your participation** enables the section to continue its activities for all its students.
