This luminaire is compatible with bulbs of the energy classes:

874 / 2012

FILI DISPLAY LUMINAIRE

Adjustable high-voltage display luminaire of the FILI series. Made from aluminum it is equipped with a curved arm holding the lamp head with incorporated GU10 socket. Thus, the fitting is suitable for LED, energy saving and halogen lamps with different diameters. The installation of the luminaire is made via the attached display clamp. The electrical connection is made directly to 230V mains supply. We alternatively offer a version with ceiling canopy. Accessory includes decorative rings with different diameters to get attached to the bulb of choice. This luminaire is compatible with bulbs of the energy classes: E - A++

Article number	146452
Feed-in capability	No
Lamp	GU10 230V max. 75W
Lampholder / Socket	GU10
Number of light sources	1
Lamp included	No
Tilt range	90 Degree
Rotation range	270 Degree
Length	54 cm
Net weight	0.466 kg
Gross weight	0.73 kg
Voltage	230 Volt
Max. wattage	75 Watt
Protection class	I
Material	aluminium / brass
Colour	silvergrey
Way of mounting	display mounting
Remark 1	Clamp range till 8 cm. Rod length approx. 54 cm
Remark 2	Also suitable for ES111 bulb 75 watt, article nr: 575540
Remark 3	Energy labels in your language are available in the Service Area sub point Download
Suitable for lamps from EEC	E
Suitable for lamps up to EEC	A++
Light distribution type	direct
	1
Light distribution type	rotationally symmetric
	3
