in Malmö, Sweden

What is Malmö Game Summit?

Malmö Game Summit hosts a dynamic half-day conference designed to spark creativity, share insights, and connect people across the games industry.

Through panel talks, roundtable discussions, interactive sessions, networking, and showcases, the summit creates a space for new ideas, meaningful connections, and long-term collaboration around Malmö's growing role as a game city and the whole of Sweden as a leading game nation.

Why Malmö Game Summit?
