VEJLEDNING

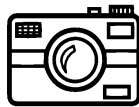

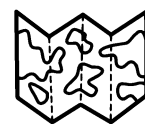

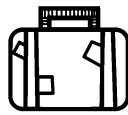

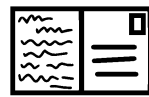

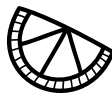

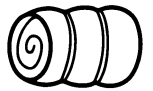

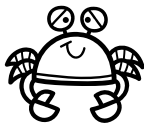

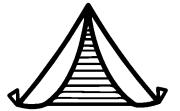

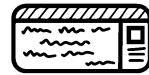

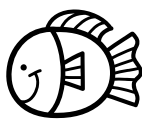

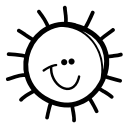

Opgaverne er inspireret af diverse myldre billeder. De er dog mere simple i udtryk og form, hvilket gør dem velegnet til de mindste elever. Opgavernes lidt "kedelige" udtryk gør, at fokus ikke flyttes fra formålet: At eleverne skal tømme billedet for ord. Nogle skriver måske "bare" ord, og andre skriver måske sætninger.

Eksempel: En elev skriver 'sol' i sit hæfte og farver solen gul. En anden elev skriver 'solen er gul' i sit hæfte.

Det at farve billedet efter ordet/sætningen er skrevet ned, har en motiverende effekt på mange elever.
