

### Before recycling

---

It is always recommended to reuse before recycling, to prolong the use-phase of the product. If the product should be recycled, please use the following instructions.

### Overview of materials

---

The table below shows the different materials used for production of ANGEL STOOL.

STOOL	Galvanized steel
FEET	HDPE (polyethylene)

---

### Recycling instructions

---

If the feet are attached to the stool - remove these. The materials are sorted and recycled using the instructions at the recycling facility.
