

Chairman's Challenge – 27-Oct-2019

The annual Chairman challenge took place Sunday October 27th. The competition was a Fox-hunt (4 ball-better-ball) where the Chairman & Captain (Kjeld & Vincent) from their round set the Par of the course and everybody in teams of two tries to beat that score.

The weather turned out to be sunny and quite good – especially considering how much rain we have had in October.

Participation was good with 28 participants, translating into 7 flights of 4. The Foxes tried their very best and managed to lower the PAR of the course to 52.

However, **One team** (Gijs & Paul) still managed to do a better score (37stb) – well done.
