

Captains' Challenges

Westfrieze G.C., 9 July 2020

The 2020 Captains' Challenges (Stableford format) were held at the Westfrieze Golf Club, Westwoud, N.H., about an hour's drive from ESTEC, on Thursday 9 July.

The weather was inclement to say the least. The day started with drizzle and this continued for the whole day so it was really wet underfoot. Luckily, the temperature was reasonable and there was little wind.

Five Lady Captains, seven Club Captains and two Guests competed. The Lady Captain's trophy was a closely fought affair with Elly and Wil tied on 31 points but with Wil winning with the better back nine. The Club Captain winner was Vincent who retained his trophy with a magnificent 38 points. John won the Guest category with a walk-over as Mary, and indeed Helma, had suffered enough by the tenth hole.

Longest drives were won by Wil and Vincent respectively and Brian won the neary for men, the one for ladies was not claimed.

Based on the average scores, the Club Captains, with 27.9 points, were marginal victors over the Lady Captains, with 27.5 points.

The overall average score this year was a creditable 27.8 points given the conditions compared with 23.4 at Crayestein in 2019 and 24.2 at Rhoon in 2018.

The day was completed with a very good dinner in the Westfrieze club house.
