

**2nd or 'Summer' Seasonal**  
**Amsterdamse, 14 August 2020**

The second or summer 'Seasonal' in 2020 took place at the Amsterdamse Golf Club on 14 August with 23 players. Initially this event was scheduled to take place on 25 June but postponed due to Covid19. The event was played under the present Corona golf restrictions which also included the ban on having longest/nearies. However, fine that buggy sharing was allowed since only 4 Handicarts were available for 7 players.

Based on temperatures for the last week, we started playing at 'cool conditions' with temperature around 28 Deg. C. and a few drops of rain. For later tee time players, the weather changed towards the end of their round with rain, thunder and lightning, eventually resulted in closing of the course. At that point, two flights of 3 players had only completed 17 holes but luckily the tournament official awarded these 6 players 2 extra points for hole 18, so all scores recorded could be based on 18 holes. Alternative 17 holes scores were considered for all but not found fair considering the seasonal concept of the 3 best scores counting towards the Granny Smith trophy.

The overall results are noted in the table hereafter. Stephen playing of exact handicap of 36.0 (not 41.0) was convincingly first with Elly a few points behind second and Tony third.

The day was completed with a very good dinner served at 10 tables for 20 participants. In addition to the prize giving, appreciation was forwarded to Gijs and Wil for their hard work behind the scenes.

Stephen Durrant	43
Elly Davis	41
Tony Rosmalen	39
Raffaele Tosellini	38
Joe Pereira	37
Brian Taylor	35
Carl Todd	34
Valerie Thirkettle-Kayser	34

 Je had wellicht wat betere kwaliteit verwacht van mij ....  
 maar helaas het beste paard struikelt wel eens!
