

Chaturvedi Veterans Tournament

13 and 27 September 2020

The 8th Chaturvedi Veterans Tournament was held on Sundays 13th and 27th September on the ESTEC course. Due to Covid-19 restrictions, we played on week-ends rather than mid-week in June and with tee-time starts in place of shotgun.

As usual, the format was the demanding medal stroke play with handicap adjustment. Eighteen competed over both rounds with twenty-two participating overall.

Conditions were good on both days with moderate temperatures, some sunshine, and with winds out of the south-west on the 13th and north-east on the 27th. We were lucky to miss the storm of 26/27 September which tore a number of the bitumen shingles from the roof of the newly-erected Check Inn.

The leader board was headed after day one by Brian with a nett 57 round, one stroke better than Ben, Hanna and Joe and with Henk two strokes further back.

Brian held his form on day two with a nett 59 round to win the 8th 'Chaturvedi' from Henk in second place and Garry and Ben in third. Excellent nett 59 rounds were also recorded on day two by Valerie and Wil.

Full results are given in the table. Single round, nett scores on one or other day, were made by Barrie 72, Barteld 73, Hans 74 and Tony 70.
