

## 3-Club Competition

ESTEC, Sunday 18 October 2020

Of the thirty-one players who signed-up originally, twenty-five took part in this, the fifth year of the 3-Club competition. It was played in good golfing conditions: cloudy but with sunshine, not too cool at ~12C and with a light wind. Following the recent heavy rain it was quite muddy underfoot and In retrospect one might have allowed 'placing' on the fairways.

Due to Covid-19 restrictions, this year's competition was a rather muted affair given tee-time starts in place of shotgun, no nearies and no 'après golf' in ESCAPE.

For the team event, the Andy Caps were again somewhat under-represented so the four unaffiliated players were assigned to the one Andy Cap-er.

The full results are given in the table (ties resolved by back 9's and 6's) and the tactical choices of tee are noted with nine of eighteen men playing off red tees.

In the individual competition, congratulations to Nico in third place with 33 points, Joe second with 35 and Garry first with an incredible 38 points. Also congratulations are due to Charles, (with a 54 handicap reduced to 36.0), who turned in a very creditable 19 points and to Nely, leading our ladies, with 30 points.

The average score was a reasonable 27.8 points across the twenty-five players.

The team competition was won by the Babes and the Boys with an average score of 29.9 points, the Andy Caps+ second with 28.2, Fridays Men third with 26.8 and the Mulligans fourth with 26.1 points.
