

Spring Seasonal
Sluispolder, 6 May 2021

Much like 2020, the first of the ‘Seasonals’ could not be played as planned because of Covid 19 restrictions. Luckily, a reservation for an ‘away day’ in the EGC calendar in May had been made at Sluispolder and this was converted into the Spring Seasonal of 2021

When Covid restrictions were eased at the end of April it was hoped that terraces would be open for dinner but unfortunately this turned out not to be the case for sports clubs.

Sixteen members signed up to play but unfortunately three had to withdraw just beforehand.

Much against expectation, the day remained dry with long intervals of sunshine from a cloudy sky, a moderate temperature and a light wind. The course itself was under routine maintenance with several fairways being sanded such that they looked like having been covered in volcanic ash. Placing was allowed. The greens however were generally in good condition.

We were able to congregate afterwards (socially distant) outside the ‘Go To’ bar and have a drink or two and make the presentation to the winner. (Unfortunately no photos.)

The average score of the participants was ~26 Stableford points compared with last year’s ~25 on the same course.

Congratulations to this year’s winner, Stephen, with 31 points, who beat Brian with a better back nine and with Geoff and Marga tying in third place with 29 points.
