

Captains' Challenges

Rhoon, 29 June 2021

The 2021 Captains' Challenges (Stableford format) were held at the Rhoon Golfcenter (Golfclub Oude Mass), south of Rotterdam, on Tuesday 29 June.

The day was completed with an excellent dinner in the club house. Our thanks to Wil for making the arrangements. (Photo credits Clare)

The weather was excellent for golf, a bit hot and humid to start with but an overcast sky later meant the temperature was very pleasant and there was little wind. Expected thunderstorms didn't materialise. The course was in a very good condition.

Four Lady Captains and three Club Captains, ably supported by seven honoured Guests, competed. The Lady Captain's trophy was won (for the fourth time) by Elly with 33 points. A new name was added to the Club Captain's trophy, Joe, who won with 36 points. It was good to see Marja win the guest category with 34 points.

Surprisingly, none of the fourteen players could find the green on the short hole 9 to claim the nearies. Longest drives on hole 1 were won by Elly and Brian. Scores:
