

Autumn seasonal August 19, 2021 at the Amsterdamse G.C.

Last Thursday was the third Seasonal of this year, played at the Amsterdamse G.C.

24 Estec golfers subscribed, which was a high number compared to previous Seasonals. Although the weather was quite miserable, a mizzle, sometimes rain, for the first hour, and to close off with as well, everyone really enjoyed the course. It was in good shape. Only the bunkers were difficult to play, as there had hardly any raking been done. But for those who could stay away from them, it was really nice to play. Greens with undulations, so more challenging than what we are used to in Estec. But apparently not too difficult: the winner came in with 41 Stbf.! One more Seasonal to go, planned for late September!

Winners were:

1 st men:	Rob Jansen 41 stbf	1 st ladies:	Elly Davis 32 STbf
2 nd	Stephen Durrant 38 stbf	2 nd	Valerie Thirkettle 31 stbf
3 rd	Vincent Regis 37 sybf	3 rd	Jenny Reddy 30 stbf.

Longest: Andrew Murrell

Neary hole 6: Vincent

Neary hole 15: Jan van Haarlem
