EGC 2022 Matchplay Tournament User Guide

For the Matchplay this year we will be using Challonge.com, but this time instead of signing up on Proware and the organizer entering you in Challonge.com, you will be signing up directly on Challonge.com. This will allow all participants to enter their match results directly into the tool and get notifications as soon as their new opponent is known.

To sign up for the competition, just click on the link below: https://challonge.com/tournaments/signup/iBmElQ8UXy#/signup/i6azklnkhw

You will arrive on the signup page for the 2022 EGC Matchplay Tournament. You can login if you already have an account, and click on "register for free".

If you don't have an account, click on "CREATE AN ACCOUNT"
