

Spring Seasonal at G.C. Capelle aan de IJssel, 12 May 2022.

The Spring Seasonal was postponed from April 5 to May 12, as the course did not allow handicarts on that day in April. Also the weather forecast gave lots more rain.

May 12 was a beautiful day, sunny and a bit windy. We had 22 participants, and played 4balls. Occasionally it was slow, which caused a double flight on the tee in the tail end. It is very important to keep up with the flight in front of you!

The course was challenging for a lot of us. Lots of water, around or behind the green, and quite a bit of wind, which made it difficult at times.

We had a neary on hole 3, which was won by Luigi Fanchi for the men, of the ladies no one managed to get to the green.

The longest on hole 11 was won by Vincent Regis (that was very very long!), and by Elly David for the ladies.

The prizes are given only to the players present, which means that the results on Proware will differ from the prizes given. Also there was an issue with some handicaps on Proware not being correct, so scores were taken from the correct handicap.

The first prize went to Valerie Thirkettle, with a score of 38, second prize was for Clare Bingham with a score of 36, and the third prize went to Joe Pereira with 32 Stableford.

In reality Luigi Fanchi with 39 and Tony Rosmalen with 38 and a better back nine, were first and second, but not present at the prizegiving. So maybe this is an incentive to stay for dinner.

We look forward to the Summer Seasonal on June 9, at G.C. De Haenen!
