

Sponsors Day, EGC, July 16 2022

The Sponsors Day competition was held on Saturday 16 July afternoon on the ESTEC course. We had been unable to play this 18 hole, Stableford, shotgun-start event since 2019 due to Covid-19 restrictions. The annual event is held in recognition of the financial support given to the club by our Sponsors: HE Space, Rhea and Serco and the work of our course maintenance contractor Hoek. The course was in very good condition and our thanks go to Ton, our green keeper from Hoek, who rolled the greens and cut hole three's green early before we started. The weather was perfect with a temperature in the low to mid-20s, a blue sky and a cooling breeze.

We had six teams representing: HE Space, Hoek, Serco, ARES, the 'Gladiolen' and the EGC committee. It was a pleasure to have guests of our sponsors enjoy a round of golf on our course.

The competition was played with 'strokes received' limited to an exact handicap of 36.0. A team's score was the aggregate of the best three Stableford scores in the team. Individual scores and team scores are given in the table opposite. Congratulations to team Serco (photo) who won the Trophy with a score of 113 points, just one better than team ARES.

The best individual scores were Clare's 39 for the ladies and Paul's 43 for the gents. The 'nearies' were claimed by Paul McManamon (hole 1), Laura (2), Willem (3), Geraldine (4), Henk Doeswijk (5) and Erik (6 & 9).

Our thanks to the ESCAPE staff for supplying copious drinks and snacks for the 'après golf' session on the terrace of ESCAPE on a beautiful evening. My thanks to Reno for making the flights, checking the scores and Willem for preparing the 'nearies'.
