

Thirty one players took part in this seventh edition of the event which was played in excellent golfing conditions with clear blue skies.

It was good to see three 'high handicappers', Christine, Marja and Sophia, join the event with no limit on playing handicap applied.

As usual we had nearies on every hole, including closest to centrelines on holes 7 and 8.

On the basis of just the average Stableford scores, the Mulligans, with 33.43 points won the team competition, even with no neary 'bonus' points (0.5 per neary) added.

In the individual event, third place was claimed by Ignacio with 37 points and a better back nine than Kjeld. Second was Alexander with 39 points but with a worst back nine, so losing to this year's winner Sophia. Congratulations Sophia!

Our thanks to Willem and Ton for the nearies, and to the ESCAPE team for preparing soup and broodjes.
