

## Spring Seasonal 2023, Rhoon, Thursday 18 May.

The first seasonal of 2023 was held at the Oude Maas Golf Club in Rhoon, just south of Rotterdam on Thursday 18 May (Ascension day).

Relatively speaking we had a good turn out with 19 players playing 5 three balls and closing with a four ball. Four buggies were required!

The weather was excellent for golf, with sunshine, blue skies but occasionally a bit of a chilly wind to begin.

We had four nearies on four of the par three holes - no longest drives.

The clear winner was Helma with a super score of 39 Stableford points, second was Raffaele with 36 and third Clare with 34.

The first three won prizes (vouchers from Ted's golf shop) courtesy of each players contribution to the pot of €5.00. The average score across eighteen players was 27.6 points.

Nearies were won by Dominico (hole 5), Helma (9) and Dominico, again, (10). No one hit the green 15.

A very good two course dinner was had afterwards in the adjacent brasserie.

Our thanks go to Wil for making the arrangements for our day.
