

Summary/Minutes of EGC Committee Meeting, 14 June 2023.

Present: Angela Glatston, Brian Taylor, H el ene Etienne, Reno Harboe-Sorensen, Vincent Regis.

Excused: Garry Gould, Peter Behrmann. Stephen Durrant.

1. Membership.

A major concern for the EGC is the generally falling, year-on-year membership numbers particularly among working age ESA and contractor staff. The committee discussed various ways to incentivise new members e.g. by subsidising lessons with a golf professional in the first year at nearby courses etc.

It had been announced that a repeat of ‘Teams Day’ (or similar) had been announced for 8 September in ESTEC. The EGC should take advantage of that and while members of the committee will be responsible for the organization, we will need club members of working age (not to many ‘grey beards’) to provide their expertise as they did for Teams Day last year, so be ready to volunteer!

2. Website.

Unfortunately we were not able to revamp the website as intended last year and the committee decided the existing website was outdated if not ‘not fit for purpose’. Bear with us as we find a solution. If members have any ideas as to what they would like to see on the website, please feel free to send an email to info@egcgolf.nl

3. Competitions.

Some events in the near future have been cancelled and some moved to other dates. Please check Proware.
