

Summer Seasonal at Golfpark Wilnis, 19 July 2023

The Summer Seasonal (Stableford format) was held on Wednesday 19 July 2023 at the Golfpark Wilnis course about a 45 min drive from Noordwijk. The course lies in a polder landscape with beautiful panoramic views 'in het groene hart' as we say in Holland. The condition of the course was very good, especially the greens were very smooth and faster than we are used too at Estec. For some maybe a bit of a challenge as the course has quite a bit of undulation. We were fortunate with the weather as we had pleasant temperatures of around 22/23c, which might have contributed to the good scores which the majority made. However, it certainly made it a pleasant round.

Afterwards at the famous Hole 19 we (14) enjoyed a lovely dinner, during which the undersigned did the prize giving consisting of three vouchers from Ted's golf shop, but forgot the Trophy in the car, with excuses to our winner. Trophy or not, there is always a champion in scoring and Reno did just that with a great round of 35 stbf.

In celebration of his win Reno offered to all of us wine with our dinner.

It should also be noticed that on 2nd place was Daniela, a newcomer to the Seasonals and so not familiar to our outside competitions. Daniela made an equally good round of 35 but with just a lesser back 9. Unfortunately, she had to go back to work and could not join the dinner. Rod followed in 3rd place with 33 with an excellent back 9.

Neary for All on Hole 2 in 2: Clare. Neary for All on Hole 17 in 1: Stephen Longest Drive Ladies: Daniela Longest Drive Men (Yellow): Andreas.

Overall, the feedback was it was a wonderful golf day and rest me to say thank you to Reno for his support, especially with Proware listing and of course supplying the EGC logo golf balls for the Neary's and Longest Drives, and Jan van Haarlem for the pictures.
