Autumn Seasonal at the Heemskerkse Golfclub, 14 September 2023

There were a handful of Estec golfers who joined the Autumn Seasonal, in fact we were only ten players, it might sound a bit sad. On the contrary! This small group has enjoyed this well-maintained course with its nice panoramic views, lots of greenery and wide-open spaces. A bit of a drawback due to unexpected work on the course, hole twelve was closed. Though the club management believed this would be solved in time, it unfortunately was not. However, we received a compensation on the greenfee.

Overall, we were fortunate with the weather. A beautiful clear sunny sky and a comfortable 24/25 degrees. Luckily not the hot temperatures as we have had in the recent weeks.

After the competition, a small cosy group of seven stayed for dinner, during which we had the prize giving.

In third place came Andrew with 30 stbf, in second place Geoff also with 30 stbf but with a wee bit better back 9. The winner of the Autumn Seasonal was Brian, our chairman, with a good 33 stbf. Congratulations to Brian, Geoff, and Andrew, well done gents and thanks to Brian who offered the drinks with the dinner.

The Club sponsored an Estec Golf towel plus Estec golf balls for the winner. The other prize winners incl. Neary winners received Estec golf balls. Thanks to the Club, and to Reno my thanks for usual overall support.

1st Neary of Hole 5 was made by Helma.
2nd Neary on Hole 13 was made by Jan.

The 3rd Neary was due to confusions and by mistake misplaced on another hole and therefore not claimed. However, during the

dinner the group has now an internal Neary fun story on this incident, which we will enjoy and repeat until XMAS, right Andrew?
