

## Autumn Seasonal, Kagerzoom, 3 September 2024

The 2024 Autumn Seasonal was played at the Kagerzoom Golf Club in Warmond on Tuesday 3 September.

Eighteen EGC golfers had signed up to participate, including two ladies. It was a cloudy day but with a nice temperature. A very light rain occurred for about one hour but actually not influencing the game: a real Autumn Seasonal after the very unusual hot temperature of the previous days.

The following dinner was attended by fourteen players and three spouses .A two course menu was offered with a selection among meat, fish and vegan, including a shared dessert.

During the dinner, prizes were given to the top three in the competition (see table) and golf balls to winners of the longest and nearie.
