Result																		
Saturday 29 June	Semifinal 1st P1 vs 2nd P2				Semifinal 1st P2 vs 2nd P1					Play-off 3 & 4				Final				
Result																		

## Match day rules

- 1 A team plays a match, a match is made up of 3 games/flights with 3 members from each team playing against each other.
- 2 Captains shall declare their team's 3 players to the other on the day of the match just prior to the first tee time
- 3 A players handicap (**which must be active**) is that current at beginning of match day (**Note full handicap adjustment - no 3/4 business in the Dunhill**)
- 4 The matches are played in handicap order where first, the lowest handicap player of a team plays against the lowest handicap player of the opposing team etc.
- 5 This order of play shall be modifiable to accommodate late arrivals (Note the 20 minute tee-off window still applies).
- 6 The format is medal matchplay, i.e. each player plays 18 holes, holing out on each hole. The lowest net score at the end (after handicap adjustment) wins.
- 7 No halved, individual games in any round: play on from hole 1 (with handicap difference per hole) to decide winner by sudden death (like match play)
- 8 If a team does not manage to field all three players for a match, the game(s) where the missing player(s) would have played is (are) conceded.
- 9 If each team fields only 2 players and each wins one game, then the match is decided by stroke difference, else by a sudden death, match play between the 2 lowest handicap players.
- 10 Score cards to be given to the organizers (Brian Taylor or Ronny Boer). These will be forwarded to EGC Handicap Secretary or returned to player with a non-EGC home club.
