

## Bedrijfs League 2013

Each year the EGC plays in the 'Bedrijfs League', a league of six teams comprising this year: BP@Kleiburg, EPO@Rijswijk, Paxzout@Hitland, PIT@Bentwoud, Shell@Rijswijk and ESTEC. The teams (with 6 members per team) play on a home and away basis, each team playing 10 matches. The format is matchplay with the handicaps between the pairings as closely aligned as possible. The matches are played weekday evenings, from mid-May to mid-July, with the first pair teeing off at 17:30

Last year we ended 'mid-table' in the league. Our record was:

Matches at ESTEC: won 15.5 to 14.5,

Matches away: lost 12.5 to 17.5.

21 players represented ESTEC, one playing in eight matches, 6 players playing only once, with a spectrum in between. On one occasion we could only field 5 players. (not good!)

So I'm looking to build this year's winning-team squad. The squad is open to all EGC members with an active exact handicap of 30 or below. I hope the seasoned veterans from the campaign of 2012, i.e. those having played 3 or more matches last year will sign up again.

Please use the Doodle poll: [www.doodle.com/yuc3zbmcrfg5q2ht](http://www.doodle.com/yuc3zbmcrfg5q2ht) to sign up and indicate your availability. The poll will remain open through the tournament so you will be able to go back and modify your availability should your circumstances change.

I have the honour to be team captain and it is my responsibility to select the team for each match. I will announce the team from those available approximately 5 days before the match so 7 days before a match is when you should look at the Doodle poll and check your availability.

The first match will be at home at ESTEC on Wednesday 15 May against BP.
