

Bedrijfs Finals Day

After the league matches, the Bedrijfs League is brought to a close with 'Finals Day', this year 2013, on Friday 30 August at the Bentwoud 27-hole course, the home of Team PIT.

Unlike the league, which is a match-play competition, Finals Day is played in Stableford format, with two competitions more-or-less in parallel, one, for the Bedrijfs League teams and one for individuals.

The ESTEC team comprised Paul, Armen, Alex, Brian, Sylvain and Angela and these were joined by Gijs and Hassan for the individual competition.

The result of the team competition was

1	Shell	161
2	EPO	154
3	ESTEC	150
4	PIT	137
5	BP	131
6	Pakzout (no team)	

The best 5 scores in each team were taken to make the total.

The best individual score was 38pts by John Colbran of Shell.

So this year saw a 'clean sweep' by Shell, but the ESTEC team, coming second in the league proper, can be proud of its performance
