

ESTEC / Tespelduyn Annual event – return match took place on Saturday Oct. 22nd - 13.00 hrs.

This event was a huge success this year partly due to very motivated participants and partly due to the beautiful sunshine we had the whole afternoon.

Everyone enjoyed the coffee, tea and other beverages during the registration in Escape – final registration showed 44 golfers with ESTEC having more golfers than Tespelduyn for the first time ever!! We all headed to the course for a shotgun start at 13.00 hrs. and everything went very smoothly. Happily ESTEC was again victorious at home with the best 10 scores totalling 330 while Tespelduyn's best 10 scores totalled 291. ESTEC players also took most of the individual prizes.
