

9th ESA Cup

La Herreria, El Escorial, Spain

On 25th and 26th May, 2017 the 9th ESA Cup took place on the La Herreria Golf Course in El Escorial near Madrid, Spain. Thanks to the immaculate organization of our colleagues in ESAC, who have organized the ESA Cup three times, there were about 50 players from five establishments including, for the first time, an ARES team; probably one of the largest ESA Cups we have ever had,

The weather was perfect over the two days, and many took buggies to sustain the heat throughout,

ESTEC provided three teams with about 4-5 players each. After the first day, ESTEC A, composed of Erik van Ginkel, David Binns, Domenico Mignolo and Alex Jeanes were in the lead and by the second day with scores of 37, 33 and 34 ESTEC A clinched 1st place once again for ESTEC. Thanks to our boys, ESTEC has won the ESA Cup three years running.

We look forward to next year's 10th ESA Cup challenge organized by ESOC.
