

On the 26th of September the first match of the Zeegersloot/Estec Challenge was played at the Zeegersloot Golf Club.

Estec golfclub won with **186** stableford points against **142** for Zeegersloot Golfclub.

Yesterday, the 18th of October the 2nd match was played at Estec, a 4BBB, 75% Stableford. There were 18 players from Estec defending the 1st. position en 18 players from Zeegersloot going for the 1st. position....., what a task after the first match at Zeegersloot.....

Nobody could complain about the weather, it was just a nice sunny and warm day. Not only the Estec players but also the guests from Zeegersloot enjoyed the day, the match and the social part afterwards. Some of them found the course difficult but many talked about the good shape of the course.

This time the Zeegersloot players did wel. They got the 1st. and the 2nd. place and won also the club result of the day. However the Estec players didn't do too bad either, the 3rd price was for Estec. In the appendix 'Results4BBB 18 October.pdf' you will find all the results.

1st place : Arjan Scheuder/Jeanne Taal, 38 Stb (Zeegersloot)

2nd place : Barbara Roeloffs/Rob Richardson, 37 Stb (back 6:14) (Zeegersloot)

3rd place : Hanna Jones/Kjeld Hjortnaes, 37 Stb (back 6:12) (Estec)

The club result is calculated from the best of 5 teams. Zeegersloot won with **172** stableford points against **167** for Estec, see 'Results Zeegersloot-Estec Challenge 2017.pdf'
