

Captains' Challenges 2018

The 2018 Captains' Challenges matches (Stableford format) were held at the Rhoon Golf Centre, just south of Rotterdam, on Monday 18 June. The day was rather grey and overcast but luckily no rain, temperature mid-teens and with some breeze. The course proved rather difficult with many of us losing balls in the long rough.

Six Lady Captains, five Club Captains and four Guests competed. The day was completed with an excellent dinner in the RGC restaurant.

The full results are given below. The Lady Captain winner was Helma with 32 points, with a better back six than Clare. The Club Captain winner was Erik with 29 who won last year also. The Guest winner was Vincent also with 29. Based on the average scores, the Lady Captains were victors over the Club Captains. The overall average score this year was 24.2 points compared with 26.1 at Rozenstein in 2017.
