

Serco / ESTEC Challenge held at ESTEC on July 21st 2018.

The Annual Serco/ESTEC challenge was played again this year traditionally on the ESTEC golf course and a great day was had by all. The weather was really fabulous and we had a great BBQ on the Escape terrace afterwards with sunshine throughout..

Just before we started the BBQ I did the scoring and prize giving and am delighted that we, Serco, defended and won the trophy again this year.

Final score was Serco 307 and ESTEC 289 points. Best individual winners were 1st Piet Hillebrand, 2nd Anna Carmio, and three runners up Hanna Jones, Willem Borst & Wil. We had also 7 extra prizes for longest drives and nearies and the winners of these were evenly distributed through both sides.

Thanks to Serco for so generously sponsoring this event once again this year.

I am also very happy to inform you that in the course of the evening I made a collection for the education project I was part of starting up some years ago. This project is now also supported and funded by the ESA Humanitarian group. Your generosity will provide educational materials in Ghana for children who have very little – I will be giving them Euro300.00.
