Arrow in the Blue is an exhibition of artwork and writing from prisons, secure hospitals, young offender institutions and by people on probation in the West Midlands. This inspiring collection of painting, drawing, sculpture and creative writing has been selected from entries to the 2012 Koestler Awards.

The exhibition has been curated by young people from the Intensive Supervision and Surveillance team of Birmingham Youth Offending Service, with training and guidance from professional curators.

We will be running exhibition tours and visitors will also have the opportunity to vote on their favourite artwork. More details on our [website](#)
