## **UTS Shopfront: Working with the Community**

UTS Shopfront Community Program acts as a gateway for community access to the University of Technology, Sydney. It links the community sector to University skills, resources and expertise to undertake community-Initiated projects and community engaged research.

UTS Shopfront Student Series is an occasional series of monographs published by UTSePress that showcases excellence in student research projects through UTS Shopfront. For more details visit [www.shopfront.uts.edu.au](http://www.shopfront.uts.edu.au)

Published by UTS ePress as part of the UTS Shopfront Student Series  
In partnership with Arts Access Australia and supported by the CAMRA cultural mapping in regional Australia Project.
