

# 7 DAYS TO LIVE

With his face inches from mine, the guard began to address me in this very calm, detached voice: You're dead. Everyone you knew or loved is dead. Your family and everyone else who knew you are dead. And since you are dead, dead men do not speak in my unit, do you understand me?

Framed for murder.  
21 years on  
Death Row for a  
crime I did  
not commit.

# 7 DAYS TO LIVE.
