€7 > 5,5

When an event is sold out, a waiting list will be opened in our ticket shop one hour before the start of the event. You must present yourself in person to request a ticket. It is worth the effort to subscribe to the waiting list, as there usually will be tickets again available at the last minute.

2017 - documentary - color - 62' - FRE OV - NO SBT

Q&A — in the presence of the director

For many years, director Valérie Vanhoutvinck has been giving workshops for prisoners. That's how she met the main female actors of *Ongles rouges*, a documentary about bodies, gestures and the face. The stories of the women are interspersed with letters from the director to the prisoners.
