KOESTLER VOICES

New Anthology launched

We are thrilled to launch our new anthology – **Koestler Voices: New Poetry from Prisons Volume 1** – at the Southbank Centre on **Monday 16 October** at our **Voices From Prison** spoken word event.

As Benjamin Zephaniah says in his foreword, 'These poems are absurd and strange, they are light and heavy, they are intense, intellectual, and playful. They are honest.'

Tickets are still available for the launch event (see below) and if you cannot make it you can buy the anthology [HERE](#).

We are grateful to the support of TS Eliot Foundation and 175 crowdfunders. Free copies to 143 prison libraries and all the poets. All profits from sales go to supporting our work.
