

MAI[®] **4you** ECONOMY

MAN ASSISTING INNOVATIONS

THE PRICE IS IMPORTANT,
ESPECIALLY IN TIMES LIKE THESE

MAI[®]4YOU ECONOMY

THE BEST POSSIBLE MIX

MAI[®] International GmbH is a competent medium-sized company which, even in these turbulent times, has successfully built a proven and extremely cost-efficient high-quality plastering machine.

COST-EFFICIENCY WITHOUT MAKING COMPROMISES

We can't offer a free lunch, but never before has such a high-quality rendering and plastering machine been available at such a low price.

RELIABLE

Proven and carefully designed technology which will satisfy the needs of professionals day in and day out.

TROUBLE-FREE

Highest-quality workmanship, extremely simple operation and compact construction are what makes a quality product.

THE PROOF

The evidence leaves no doubt: The MAI[®]4YOU ECONOMY convince you. Check the facts and decide for yourself.

HERE ARE THE FACTS

We have included some additional functions and features that are far from common:

- Fast dismantling and setup thanks to the modular construction
- No trouble due to insufficient water, because the water pump has been included
- Little danger of frost damage thanks to easy draining
- Clear and simple operation because all functions are easily managed from the control panel

TECNICAL DATA

Operating voltage:	400V/3/N/PE/50Hz
Nominal power:	7,9 kW
Fusing:	32 A
Feed capacity:	7 to 35 l/min
L x W x H:	110 x 73 x 150 cm
Filling height:	92 cm

WEIGHTS

Transport weight basic unit:	115 kg
Mixing unit with drive:	75 kg
Drive unit:	48 kg
Compressor:	22 kg
Total weight:	260 kg
