

## Out-of-town tours. Gothenburg.

### Älvsborg fortress tour, 3 hours

Fortress Älvsborg was built in 17<sup>th</sup> century to protect the city against the Danes, so it is located in the separate island, located in the entrance to the harbor. To get on the island you will take a 20 min boat trip.

### Volvo Museum Tour, 3,5 hours

The museum of car construction history is located in the old Volvo Plant. In this museum you can trace the history of Volvo cars, which started in 1927. The museums collection includes such exhibit items, as cars and trucks, as well as engines and marine equipment. If reserved in advance, you can visit Volvo manufactory, and have a Volvo Test-drive.

### A trip to the horse farm “VIENNA”,

Go out of town on a horse farm and learn how to ride a horse under the careful guidance of the experienced instructor.

### Archipelago Tour, 5 hours

Western Archipelago, access to which provided from Gothenburg, is a unique and beautiful natural phenomenon. Go on a car tour with our company through the Archipelago. During this tour you will visit Bohus Fortress, Marstrand Island and much more, and then will have lunch at Stenungsbaden Yacht Club.
