

City Guided tours. Malmö

Sightseeing tour round Malmö, 2 hours (walking)

During the tour you will visit Malmöhus castle, Town Hall, market square Stortorget, Stroget - the longest pedestrian street in Europe, Old Square and Fountain “Caritas”, and much more. Malmöhus is the oldest Renaissance castle in Scandinavia. Now it is a house for main museums of the city.

Sightseeing combo tour – walking + boat (3 hours)

You can order a tour with both walking sightseeing tour and 1 hour boat sightseeing. During this tour you will have an opportunity to see the city from two different perspectives. Boat will take you to the parks and around Malmöhus castle, city harbor. You will see both historical and modern parts of Malmö.

Malmö Modern Architecture (2 hours by car)

This is a sightseeing tour, which takes you to the modern parts of Malmö, where you will see unique buildings designed by well-known Swedish architects.

Malmö Modern Art (3 hours)

In the art hall of the city called Konsthall many art exhibitions are held, here you can see different trends, from classics to ultra-modern experimentation works. Among works presented here, you can see sculptures by Tony Cragg, works of contemporary artists Richard Serra, Per Kirkeby and Mirosław Balka. You should also visit a Art Museum of Malmö, located in Malmöhus castle, Skissernas Museum, Museum of Sketches in Lund - a unique art museum, which presents three collections of sketches - Swedish, Scandinavian and international, and Lund’s Konsthall - Art Gallery of Lund.
