

Exclusive Guided Tours. Stockholm.

Stockholm's Food Tour.

Take a city walk around Stockholm with our guide and visit famous food markets, cafes and restaurants, where you will have an opportunity to try most popular Swedish dishes and delicacies. In the menu of the tour: Cheese assortment, game meats assortment, fruits and honey, sea food appetizers with white wine, traditional fish soup with saffron, hot chocolate and chocolate with sea salt, cloud berry jam, licorice, chocolate truffles, Swedish candies Polkagris and "Fika" (Swedish traditional coffee break with pastry).

Hydroplane flights.

Seaplanes provide a unique opportunity to see Stockholm from the bird's-eye view and visit different parts of Sweden in the short amount of time.

We offer Cessna Caravan 208 for 9 people or Cessna Caravan 206 for 4 people at your disposal.

Hydroplanes can land both on the ground and the sea. The wings of hydroplane are situated over the cabin, so it allows every passenger have a perfect view.

Examples of the tours:

Flight over Stockholm and lunch at Sandhamn island, 2 hours

You will start the trip at the Bromma airport, where you will be served with the glass of champagne. You will take off and have a tour over Stockholm with the English speaking guide (about 25 min.). After the tour you will fly to the Sandhamn island, where you will have lunch at the famous Sandhamn Vårdshus and that you can have a nice walk around the island. The trip will end back at the Bromma airport

Flight over Stockholms archipelago and dinner at Vaxholm fort. Trip back with RIB boats.

Trip will start at the Bromma airport where you will be served with the glass of champagne. Then you will take off and have a tour over Stockholm and Stockholms Archipelago (40 min.). After the tour you will fly to Vaxholm, where you will land near the fort Vaxholms Kastellet, and have a dinner at the fort with six dishes and drinks. After the dinner, you will go back to Stockholm by RIB boat.

«Flying Limo»

This is great opportunity to make your trip to Stockholm truly memorable. The plane will be at your disposal from 08:00 to 22:00.

If this is a group consisting of men mostly, then you can go for the fishing trip at the lake, and then have lunch at one of the islands at Stockholms archipelago. After that group can fly to Gotland or Oland islands to visit historical sights. To have a great ending of the trip you can rent a floating sauna and then have dinner at Sandhamns Vårdshus or Oaxen restaurants.

If this is a group consisting of women mostly, you can go for the trip over some of the Swedish castles (Gripsholm or Skulcloster), go shopping at Vaxholm or Sigtuna, and then fly to the SPA Saltsjöbaden or Turkish hamam at Lidingö island. And in the end have a nice dinner at fashionable restaurant.

Trip to Gotland

To experience Gotland Island in your own pace without thinking about public flights and timetables, and to travel with the highest comfort - we offer you to rent a private hydroplane Cessna. After just 50 min of flight, you will find yourself at the completely different Sweden. At the ancient Viking times Gotland was strong maritime and trading power in Northern Europe. And its capital Visby – was one of the richest cities of the Hanseatic League. Visby to this day retains its unique medieval appearance.

Water trips and guided tours.

Stockholm is situated on 14 islands between Baltic sea and lake Mälaren. This creates a perfect opportunity to have a different look on the city and see most of the attractions from water. We offer guided tours on the comfortable motor boat for individual tours and on the boat for the groups up to 12 people.
