

OLYMPIC

580 BR

Like all Olympic boats, so the 580BR is unsinkable, with smooth running and easy handling performance. High quality construction materials are used to achieve perfect surface, high strength and superior osmosis resistance. The fiberglass self-bailing cockpit allows easy cleaning, whereas the curved safety-glass windshield offers long-life optimum visibility and great look. Lots of storage spaces are provided for your gear, as well as many comfortable seating for your friends and family. Combining the above with the style, the long list of standard features, the five-year warranty plus the attractive price, the Olympic 580BR sorts out as the ideal boat of your dreams you can trust.
